Adventures of Embry the Vulpix (Book 1) Mark Mulle,2016-10-28 What if Embry doesn't get to the Festival in time ... or at all? Dear Diary, I've never really been that keen on adventuring. My home back at the village is safe, and warm, and I never have to go looking for food or somewhere to get out of the rain. It seems pretty silly to go wandering off into the wilderness to just ... what, prove a point? Yet here I am, all alone out here in the forest that apparently never ends. I've eaten nothing but toasted berries and seaweed for days now. What I wouldn't give for a big mug of MooMoo Milk! It's just not fair, diary! It's scary out here, and my paws are so tired. I mean, I guess the Fire Festival is a big deal. Every Vulpix in my family has gone to complete the ceremony, to bring back the Fire Stone that will help them reach their full potential - but what if I don't want to evolve? What if I'm happy with myself just the way I am? Okay, maybe I'm saying that as an excuse not to go, but really, why does it matter? I'm not sure I want to get out of the woods. After this I'll be in the desert, and just because I'm a fire type that doesn't mean I want to bake in the sun all day! On top of all of it, something is following me, diary. I haven't seen it, but I know it is out there. It even stole one of my mom's berry tarts last night. Jokes on that guy, those tarts were already stale. I was going to use them to beat off an attacker in the night. Here's hoping I won't need it. What if I get eaten up just like the tart? What if I never get to the Festival at all? I'll have to sit in these woods for another whole year, diary! There's no way I can go back home without that stone!

Adventures of Embry the Vulpix (Book 2) Mark Mulle,2016-10-28 Something spooky is happening in the ruins of Lavender Town, and it's up to Embry to find out! Dear Diary, We had a newcomer at the village today! He was very strange, and he spoke of a faraway city all in ruins. No one has lived there in years, not since the humans went away, and he says it's all crumbling walls and empty houses. This sounds just like the adventure I've been needing ever since I came home from the Fire Festival - everything back home has been so boring. Unfortunately, it doesn't seem that any of my friends want to go with me, but that's okay! After all, I went to the Festival all on my own at first, and I made great friends along the way. I'm sure this adventure will work out the same way. The only thing I'm a little worried about is that the town is supposedly haunted. No one knows why everyone left the city, or at least not anyone I talked to. The stranger said that I probably shouldn't go alone, but I don't see what the problem could be, it's just an empty city. Right? But that's not what the travelers on the road said. One of them told me that the city is haunted by malicious spirits, and that I do better to go somewhere else for my adventure. Now I can't resist - an abandoned, ancient city full of ghosts? What makes for a better story, diary? Nothing that I can think of! So far everything has been going smoothly, much more so than my travel to the Fire Festival. Even without Pearl I'm not terribly lonely, as there are many Pokemon on the road. Yet everyone says the same thing - to leave the city alone. What's the big deal? Don't they know they're just making me more curious with all these vague answers? I've got to find out, diary. I'm going to Lavender Town.
