

Waddles

Mrs. F. Marshall Ward

Waddles David McPhail, 2013-10-07 The New York Times—bestselling illustrator of Budgie & Boo presents a cuddly raccoon in a tender tale of love and friendship. Waddles the raccoon loves to eat. In fact, he eats so much that his usual walk has turned into a waddle! He also loves to spend time with his best friend, Emily the duck. One day, Emily asks Waddles to sit on her unhatched eggs so she can go for a swim, and the very cuddly Waddles is happy to help. But he gets a big surprise when the ducklings begin to hatch! Waddles soon finds himself very attached to the new family of ducklings, so when it's time for them to fly south for the winter, Waddles wonders if he will ever see his friends again . . . Tenderly crafted and illustrated, Waddles introduces readers to a delightful new character who learns that love and friendship are the only things that make someone truly "full." Praise for Waddles "McPhail celebrates interspecies camaraderie in another picture book divided into four short chapters. . . . McPhail's ink-and-watercolor illustrations elevate the familiar story of mismatched, devoted friends, coaxing expertly drawn emotion from his endearing characters. A tender, year-round reminder of the sustaining power of friendship." —Booklist

Waddle Lloyd Spencer Davis, 2019-03-12 Penguins. We love them. They are instantly recognizable. Seemingly upright caricatures of us, it is easy to bond with these black and white 'little people.' They have become perennial favourites of cartoonists, because they are fun. Comical. They put a smile on our faces. Of course, real penguins are a lot more than just funny. They are tough. Penguins are the world's only '100-degree birds,' breeding in environments with temperatures from -60C to +40C (-76F to 104F). They can dive to great depths and exist for long periods in water so cold that it would kill us within minutes. They have all the grace and agility of ballet dancers in water, but it is the way they comport themselves on land that so endears them to us: they waddle. This compilation of quotations about penguins - each quote accompanied by gorgeous photography - keeps the focus on fun. You can dip in and out of the book at your leisure, but also read it from cover to cover for some added pleasure. The intention of *Waddle* is to

put a grin on your face and a warm feeling in your heart - all thanks to these delightful creatures that don't just walk, but waddle.

The Willie Waddle Book Willie Waddle (pseud.),1934

One Blood John Perkins,2018-04-03 Dr. Perkins' final manifesto on race, faith, and reconciliation We are living in historic times. Not since the civil rights movement of the 60s has our country been this vigorously engaged in the reconciliation conversation. There is a great opportunity right now for culture to change, to be a more perfect union. However, it cannot be done without the church, because the faith of the people is more powerful than any law government can enact. The church is the heart and moral compass of a nation. To turn a country away from God, you must sideline the church. To turn a nation to God, the church must turn first. Racism won't end in America until the church is reconciled first. Then—and only then—can it spiritually and morally lead the way. Dr. John M. Perkins is a leading civil rights activist today. He grew up in a Mississippi sharecropping family, was an early pioneer of the civil rights movement, and has dedicated his life to the cause of racial equality. In this, his crowning work, Dr. Perkins speaks honestly to the church about reconciliation, discipleship, and justice... and what it really takes to live out biblical reconciliation. He offers a call to repentance to both the white church and the black church. He explains how band-aid approaches of the past won't do. And while applauding these starter efforts, he holds that true reconciliation won't happen until we get more intentional and relational. True friendships must happen, and on every level. This will take the whole church, not just the pastors and staff. The racial reconciliation of our churches and nation won't be done with big campaigns or through mass media. It will come one loving, sacrificial relationship at a time. The gospel and all that it encompasses has always traveled best relationally. We have much to learn from each other and each have unique poverties that can only be filled by one another. The way forward is to become wounded healers who bandage each other up as we discover what the family of God really looks like. Real relationships, sacrificial love between actual people, is the way forward. Nothing less will do.
