Laima Dingwall,Merebeth Switzer

**Walrus** John Miller,Louise Miller,2014-06-15 From Lewis Carroll’s poem “The Walrus and the Carpenter” to the Beatles’s “I am the Walrus,” walruses have played an enigmatic role in popular culture. With their prominent tusks and distinctive whiskers, these odd-looking but charismatic animals have long held a crucial place in the lives and folklore of Arctic indigenous cultures, both as a vital food source and as a part of traditional oral literature. However, commercial trade of walrus products has caused the creatures to be hunted to the brink of extinction, with disastrous effects on human populations in the Arctic. Combining natural, cultural, and environmental history, Walrus explores the intriguing story of an animal that today is on the front lines of conservation debates. John Miller and Louise Miller describe the problems facing walruses even after the twentieth-century bans on nonindigenous walrus hunting—shrinking pack-ice caused by global warming and the exploitation of Arctic oil and gas resources are destroying the animal’s habitat. Wonderfully illustrated with images of walruses in the wild and from art and popular culture, Walrus offers a refreshing account of these large-flipped mammals while also illustrating the ethical dilemmas they embody, from the intensifying conflict between the developed world and indigenous interests to the impact of global warming on arctic animals.

Johnny the Walrus Matt Walsh,2022-03-29 From Daily Wire personality and bestselling children's book author Matt Walsh comes a timely tale of innocence, identity, and imagination. Johnny is a little boy with a big imagination. One day he pretends to be a big scary dinosaur, the next day he's a knight in shining armor or a playful puppy. But when the internet people find out Johnny likes to make-believe, he's forced to make a decision between the little boy he is and the things he pretends to be -- and he's not allowed to change his mind.

The Walrus Carl R. Green,William Reynolds Sanford,1986 Discusses walruses, their behavior, habitat, diet, desirability to man, and problems they face in staying alive.

**The Atlantic Walrus** Xénia Keighley,Morten Tange Olsen,Peter Jordan,Sean P.A. Desjardins,2021-06-17 The Atlantic Walrus: Multidisciplinary insights into human-animal interactions addresses the key dimensions of long-term human walrus interactions across the Atlantic Arctic and subarctic regions, over the past millennia. This book brings together research from across the social and natural sciences to explore walrus biology, human culture, environmental conditions and their reciprocal effects. Together, 13 chapters of this book reconstruct the early evolution of walruses, walrus biology, the cultural significance and ecological impact of prehistoric and indigenous hunting practices, as well as the effects of commercial hunting and international trade. This book also examines historic and ongoing management strategies and, the importance of new research methodologies in revealing hitherto unknown details of the past, and concludes by discussing the future for Atlantic walruses in the face of climate change and increased human activities in the Arctic. This volume is an ideal resource for those who are seeking to understand an iconic Arctic species and its long and complex relationship with humans. This includes individuals and researchers with a personal or professional connection to walruses or the Arctic, as well as marine biologists, zoologists, conservationists, paleontologists, archaeologists, anthropologists, historians, indigenous communities, natural resource managers and government agencies. Provides succinct overviews of the biology of the Atlantic Walrus (*Odobenus rosmarus rosmarus*) as well as human cultures within the North Atlantic Arctic and the surrounding region by consolidating research which until now has been scattered across fields and academic publications Editorial team of interdisciplinary researchers ensuring the breadth, depth and integration of material covered throughout the volume Thirteen chapters, each authored by leading international researchers and experts on the Atlantic Walrus Considers the inter-relatedness and complexity of species biology, ecological change, human culture, and anthropogenic pressures onto the Atlantic Walrus, all while remaining accessible to readers from different disciplines or a more generalist audience Draws upon the latest methods in marine mammal and archaeological research Assesses historical management of the species, while also considering current and future conservation efforts in light of human activities and climate change Text supported by striking and insightful new maps and scientific illustrations, ideal for teaching and outreach

Walrus Stephen Person,2011-01-01 In the spring of 2010, wildlife biologist Tony Fischbach visited the Chukchi Sea off the northwest coast of Alaska. He was there to study walruses in their remote Arctic habitat, but it wasn’t an easy task. The Arctic is one of the coldest places on Earth, and Tony—unlike a walrus—wasn’t naturally adapted for life in the extreme cold. Eventually, Tony was able to attach a radio transmitter to several walruses so he could track where they would travel. He was surprised—and disturbed—by what he discovered. What did Tony learn about these animals and how they survive in their chilly Arctic habitat? In Walrus: Tusk, Tusk, kids go on a real-life adventure with wildlife biologist Tony Fischbach as he studies walruses in one of the northernmost places in the world. Along the way, children will learn how walruses survive in their bone-chilling environment, including how they hunt, stay warm, and raise their babies. Large, full-color photos and a narrative format will keep readers turning the pages for more.

**Walruses of the Arctic** Sara Swan Miller,2009-01-15 These large marine mammals are perfectly adapted to living in the Arctic. Readers will learn all about walruses, from what they eat and how they raise their young to where they live and how they interact with human beings.

**Walrus Song** Janet Lawler,2021-11-02 Learn about how these captivating creatures flop and plop and call and play their way in and out of the icy waters they call home. What’s the ruckus? What’s that sound? Walrus calls and songs astound— Honk, honk! HOOO, HOOOOT! Diving, feasting, twirling—catch a glimpse of the joy found in a walrus’s icy home. Follow as it plays hide-and-seek with a friend, lounges on an ice floe, and demonstrates an impressive repertoire of sounds. Janet Lawler celebrates the many wonders of being a walrus in a story that’s brought to life through Timothy Basil Ering’s exuberant artwork. Readers curious to learn more will find a glossary at the end, along with some cool walrus facts: Did you know that a walrus can eat more than four thousand clams in a feeding frenzy—and that some walruses weigh more than a car?

**The World of the Walrus** Peter Knudtson,1998 Walruses have traditionally been the object of both ridicule and affection. Here, biologist Peter Knudtson presents a lavishly illustrated celebration of the walrus, exploring its habits and habitat; its place in folklore, literature, and song; and the prospects for its survival in the next century. 50 full-color photos.

**A Walrus' World** ,2010 An introduction to the walrus, including its habitat, physical characteristics, and life cycle.

**Walruses** Julie Murray,2014-09-01 Swim through the Arctic waters with the walrus! Engaging text and oversized, striking photos invite readers to travel to the Arctic Circle and learn about the walrus’s body structure, diet, life cycle, social behavior, habitat, predators, and ways of defense. Simple, labeled maps highlight the animal’s home territory. Background information about the Arctic is also given, as well as threats to the walrus’s survival. The book closes with a page of kid-friendly facts. Readers are left with a deeper understanding of this amazing and fragile region and the incredible walrus! Table of contents, glossary, and index included. Aligned to Common Core Standards and correlated to state standards. Big Buddy BOOKS is an imprint of ABDO Publishing Company.

Walrus ,1995

Where's Walrus? Stephen Savage,2011 In this wordless picture book, follow Walrus on a happy-go-lucky spree through the big city, as he tries on different hats to disguise himself from the chasing zookeeper.

**Walruses - For Kids - Amazing Animal Books for Young Readers** John Davidson,2013-05-15 Bestselling author John Davidson presents Walruses - For Kids – Amazing Animal Books For Young Readers. Information On Walruses 2. Facts About Walruses 3. Pacific Walruses 4. Arctic Walruses 5. Baby Walruses 6. How Walruses Communicate 7. Walruses' Habitat 8. Walruses' Diet 9. Where do Walruses Come From? 10. Seals and Walruses 11. Life In the Herd 12. Walrus Features 13. Walruses and Humans 14. Migration 15. Living in Cold Waters 16. Walruses are Endangered 17. Pictures of Walruses. Facts About Walruses Walruses are very social creatures that like to gather in herds. The size of their herds can range in number anywhere from 100 walruses to more than 1,000! An adult male walrus is called a bull. The female walrus is called a cow. The reason that walruses lay in the sun is to keep warm. Although their color is usually a reddish brown, when they lay in the sun, their skin can turn pink in color. It is actually good when their skin color changes to pink. That is a sign that the walrus is warming up. The walrus also has its thick blubber to protect them and keep them warm from the freezing cold waters of the Artic. This layer of blubber is under the skin of the walrus, and can measure to over 5” thick. When walruses are young, their coat is a deep colored brown. As the walruses grow older, this color begins to change. Their color gets lighter, and looks more reddish brown. When male walruses become old, the color of their skin turns mostly pink. When a walrus is swimming, they can look almost white in color. This is because the cold water makes their skin blood vessels become tighter and narrower. A walrus can stay up to 30 minutes underwater before they must surface for air. The walrus can actually slow down their heartbeat so that they can stand up to the icy cold Artic water temperatures. Most groups of walrus will travel south for the winter months, then turn around and head north for the summer. The male walruses have air sacs that can be found by their neck. These air sacs are very useful. One thing it helps them to do is make loud, deep roaring sounds. These sacs can also fill up with air. When they inflate, the walrus can stay afloat in the water vertically so that he can go to sleep. Their nostrils stay closed when they are resting. Both the female and the male walruses have tusks, but it is the males’ tusks that are slightly longer. These tusks will continue to grow over their lifetime. A female’s tusk can measure 2-½ ft long, while, a male’s tusk can measure over 3 ft. long! The scientific name for walrus is *Odobenus rosmarus*. In Latin, this name actually means, “tooth walking sea horse”. The walruses’ whiskers, also known as mystacial vibrissae, are also very interesting. They can have as many as 13 to 15 rows of whiskers that are 12” long. That could mean as many as 400 to 700 total whiskers! Many times, walruses that live in the wild, do not have whiskers that reach that long. They are always using their whiskers to look for food at the ocean’s bottom, so their whiskers are shorter.

**Walruses** Tracy Barrett,2012-01-15 Provides comprehensive information on the physical characteristics, behavior, habitat, and migration of walruses.

*Walruses* Martha E. H. Rustad,2003-09 Simple text and photographs describe the physical characteristics and d behavior of walruses.

*Walruses* Louise Spilsbury,2013 Provides information about walruses, including habitat, life cycle, eating habits, and intelligence.

**Walrus and Hawks** Laima Dingwall,Merebeth Switzer,1999 Habits and habitats of walrus and hawks.

**Wally Walrus** Barbara deRubertis,2017-12-13 Read Along or Enhanced eBook: Wally Walrus is scared of bully Squawky Hawk...until Wally wins him over in a spectacular way!

*Mr. Walrus* Sherry Keeling-Greene,2016-06-06 This is a poetic story about ten different sea creatures. The story is of a hungry walrus who tries to talk each animal into his cooking pot. When that doesnt work, he finds there is a hot dog stand to fill his hungry belly. The story teaches children to count and also that, though things dont turn out the way we want them to, there is another usually better way. It is a delightful book with colorful illustrations, which has been shared with the public library, two preschools, and three second-grade classes. I know that any child between the ages of three and eight will find it interesting and enjoyable.

*The Walrus-Man* Pen Gwyn,2011-07 The Captain hates his bloody job hates whaling. Yet, to catch enough fish to retire, he puts his faith in an all-conquering He-God, consequently at the cost of his heart: in what would seem a case of cosmic vengeance against him, his beloved young daughter is stolen by the sea, from which he has stolen so much life. The Captain's mystical journey to reconnect with his daughter (and the earth) begins when his crew of walrus hunters leaves him for dead on a remote Alaskan island. Here, the god most high is a she, and the release of tears is said to unlock immortal strength. But can the Captain, a faithless man, reap the benefits of such beliefs, and save the island its women, its walrus from his crew? Set during a time of war and oil (the Civil War and whale oil), The Walrus-Man travels to a strange land of Eskimo egg-men and tattoo-tusked women, where ambiguity thrives and absolutes have no place. Far (but not too far) from the modern world, one may find that wars and global warming come from something more fundamental than oil: an imbalance between the Male and Female forces of the soul.

Right here, we have countless ebook **Walruz** and collections to check out. We additionally allow variant types and after that type of the books to browse. The welcome book, fiction, history, novel, scientific research, as competently as various new sorts of books are readily simple here.

As this Walruz, it ends up being one of the favored book Walruz collections that we have. This is why you remain in the best website to look the incredible ebook to have.

Sometimes, authors or publishers offer promotions or free periods for certain books.Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Walruz full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Walruz eBooks, including some popular titles.

FAQs About Walruz Books

**What is a Walruz PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Walruz PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that

allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Walruz PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Walruz PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Walruz PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
