

War Doctor

Ian R. Whitehead

War Doctor David Nott, 2020-03-03 #1 International Bestseller: A frontline trauma surgeon tells his “riveting” true story of operating in the world’s most dangerous war zones (The Times). For more than twenty-five years, surgeon David Nott has volunteered in some of the world’s most perilous conflict zones. From Sarajevo under siege in 1993 to clandestine hospitals in rebel-held eastern Aleppo, he has carried out lifesaving operations in the most challenging conditions, and with none of the resources of a major metropolitan hospital. He is now widely acknowledged as the most experienced trauma surgeon in the world. *War Doctor* is his extraordinary story, encompassing his surgeries in nearly every major conflict zone since the end of the Cold War, as well as his struggles to return to a “normal” life and routine after each trip. Culminating in his recent trips to war-torn Syria—and the untold story of his efforts to help secure a humanitarian corridor out of besieged Aleppo to evacuate some 50,000 people—*War Doctor* is a heart-stopping and moving blend of medical memoir, personal journey, and nonfiction thriller that provides unforgettable, at times raw, insight into the human toll of war. “Superb . . . You are constantly amazed that men such as Nott can witness the extraordinary cruelties of the human race, so many and so foul, yet keep going.” —Sunday Times “Gripping and fascinating medical stories.” —Kirkus Reviews

War Doctor David Nott, 2019-02-26 'David Nott is brave, compassionate and inspiring - *War Doctor* is all of those things and more: a wonderful book that has left me in floods of tears. He needs a knighthood and his book needs to be in every house.' Adam Kay, author of *This is Going to Hurt* For more than twenty-five years, David Nott has taken unpaid leave from his job as a general and vascular surgeon with the NHS to volunteer in some of the world's most dangerous war zones. From Sarajevo under siege in 1993, to clandestine hospitals in rebel-held eastern Aleppo, he has carried out life-saving operations and field surgery in the most challenging conditions, and with none of the resources of a major London teaching hospital. The conflicts he has worked in form a chronology of twenty-first-century combat: Afghanistan, Sierra Leone, Liberia, Darfur, Congo, Iraq, Yemen, Libya, Gaza and Syria. But he has also volunteered in areas blighted by natural disasters, such as the earthquakes in Haiti and Nepal. Driven both by compassion and passion, the desire to help others and the thrill of extreme personal danger, he is now widely acknowledged to be the most experienced trauma surgeon in the world. But as time has gone on, David Nott began to realize that flying into to a catastrophe - whether war or natural disaster - was not enough. Doctors on the ground needed to learn how to treat the appalling injuries that war inflicts upon its victims. Since 2015, the Foundation he set up with his wife, Elly, has disseminated the knowledge he has gained, training other doctors in the art of saving lives threatened by bombs and bullets. *War Doctor* is his extraordinary story,

War Doctor David Nott, 2019-02-21 'Brave, compassionate and inspiring – it left me in floods of tears' – Adam Kay, author of *This Is Going to Hurt* A powerful and intensely moving memoir by an NHS surgeon who volunteered in war zones, operating under the most extreme circumstances. For more than twenty-five years, David Nott has taken unpaid leave from his job as a general and vascular surgeon with the NHS to volunteer in some of the world’s most dangerous war zones. From Sarajevo under siege in 1993, to clandestine hospitals in rebel-held eastern Aleppo, he has carried out life-saving operations and field surgery in the most challenging conditions, and with none of the resources of a major London teaching hospital. The conflicts he has worked in form a chronology of twenty-first-century combat: Afghanistan, Sierra Leone, Liberia, Darfur, Congo, Iraq, Yemen, Libya, Gaza and Syria. But he has also volunteered in areas blighted by natural disasters, such as the earthquakes in Haiti and Nepal. Driven both by compassion and passion, the desire to help others and the thrill of extreme personal danger, he is now widely acknowledged to be the most experienced trauma surgeon in the world. But as time went on, David Nott began to realize that flying into a catastrophe – whether war or natural disaster – was not enough. Doctors on the ground needed to learn how to treat the appalling injuries that war inflicts upon its victims. Since 2015, the foundation he set up with his wife, Elly, has disseminated the knowledge he has gained, training other doctors in the art of saving lives threatened by bombs and bullets. *War Doctor* is his extraordinary story.

Surgeon in Blue Scott McGaugh, 2013-07 Recounts the life of the Civil War surgeon and how he made battlefield survival possible by creating the first organized ambulance corps and a more effective field hospital system.

A Doctor's War Aidan MacCarthy, 2006-05-19 An “engrossing” memoir of a Royal Air Force doctor’s World War II experiences, from surviving Dunkirk to witnessing Nagasaki (The Irish Times). As an RAF medical officer, Aidan MacCarthy served in France, survived Dunkirk, and was interned by the Japanese in Java, where his ingenuity helped his fellow prisoners through awful conditions. While en route to Japan in 1944, his ship was torpedoed, sending him into the Pacific. Miraculously, MacCarthy was rescued by a whaling boat—only to be re-interned in Japan. Ironically, it was the dropping of the atomic bomb at Nagasaki that saved his life, though it also meant being an eyewitness to the horror and devastation it caused. Long out of print, this remarkable war memoir was rediscovered during a journey through Ireland by Pete McCarthy, author of *McCarthy’s Bar*, who describes it as “jaw-dropping.” “Written in a straightforward, matter-of-fact tone, this book is marked by the author’s ability to keep cool under adversity and by his admirable sense of humor and irony. A wonderful, if chilling work.” —Publishers Weekly “A gripping read.” —Evening Echo

Doctors at War Mark de Rond, 2017-03-07 *Doctors at War* is a candid account of a trauma surgical team based, for a tour of duty, at a field hospital in Helmand, Afghanistan. Mark de Rond tells of the highs and lows of surgical life in hard-hitting detail, bringing to life a morally ambiguous world in which good people face impossible choices and in which routines designed to normalize experience have the unintended effect of highlighting war's absurdity. With stories that are at once comical and tragic, de Rond captures the surreal experience of being a doctor at war. He lifts the cover on a world rarely ever seen, let alone written about, and provides a poignant counterpoint to the archetypical, adrenaline-packed, macho tale of what it is like to go to war. Here the crude and visceral coexist with the tender and affectionate. The author tells of well-meaning soldiers at hospital reception, there to deliver a pair of legs in the belief that these can be reattached to their comrade, now in mid-surgery; of midsummer Christmas parties and pancake breakfasts and late-night sauna sessions; of interpersonal rivalries and banter; of caring too little or too much; of tenderness and compassion fatigue; of hell and redemption; of heroism and of playing God. While many good firsthand accounts of war by frontline soldiers exist, this is one of the first books ever to bring to life the experience of the surgical teams tasked with mending what war destroys.

A Civil War Doctor Michael V. Uschan, 2005 Discusses what life was like for a doctor during the Civil War. Describes American military medicine during the mid-nineteenth century, and profiles the daily struggles of war physicians.

War Doctor David Nott, 2021-03-09 The #1 internationally bestselling, gripping true story of a frontline trauma

surgeon operating in the world's most dangerous war zones For more than 25 years, surgeon David Nott has volunteered in some of the world's most dangerous conflict zones. From Sarajevo under siege in 1993 to clandestine hospitals in rebel-held eastern Aleppo, he has carried out life-saving operations and field surgery in the most challenging conditions, and with none of the resources of a major metropolitan hospital. Nott is now widely acknowledged to be the most experienced trauma surgeon in the world. War Doctor is his extraordinary story, encompassing his surgeries in nearly every major conflict zone since the end of the Cold War, as well as his struggles to return to a normal life and routine after each trip. At times, Nott's riveting memoir reads like a travelogue of the world's cruelty--he has volunteered in Afghanistan, Congo, Darfur, Gaza, Iraq, Libya, Sierra Leone, and Yemen--but it's also an uplifting and deeply compassionate story about the brave medical professionals trying to combat evil and heal their patients despite the terrible circumstances. Culminating in his recent trips to war-torn Syria--and the untold story of his efforts to help evacuate some 50,000 people from Aleppo--War Doctor is a heart-stopping and moving blend of medical memoir, personal journey, and nonfiction thriller that provides unforgettable, at times raw, insight into the human toll of war.

The Book of the War Lawrence Miles, Simon Bucher-Jones, 2002-09-01 Marking the first five decades of the conflict, THE BOOK OF THE WAR is an A to Z of a self-contained continuum and a complete guide to the Spiral Politic, from the beginning of recordable time to the fall of humanity.

Civil War Doctor Carla Joinson, 2007 A young adult biography of Civil War surgeon Mary Walker

The Doctor Who Fooled the World Brian Deer, 2020-09-29 Investigative reporter Brian Deer exposes a conspiracy of fraud and betrayal behind attacks on a mainstay of medicine: vaccinations. 2021 IPPY Book Award Winner (Gold) in Health/Medicine/Nutrition, Recipient of the Eric Hoffer Award for Nonfiction in the Culture Category. From San Francisco to Shanghai, from Vancouver to Venice, controversy over vaccines is erupting around the globe. Fear is spreading. Banished diseases have returned. And a militant anti-vax movement has surfaced to campaign against children's shots. But why? In *The Doctor Who Fooled the World*, award-winning investigative reporter Brian Deer exposes the truth behind the crisis. Writing with the page-turning tension of a detective story, he unmask the players and unearths the facts. Where it began. Who was responsible. How they pulled it off. Who paid. At the heart of this dark narrative is the rise of the so-called father of the anti-vaccine movement: a British-born doctor, Andrew Wakefield. Banned from medicine, thanks to Deer's discoveries, he fled to the United States to pursue his ambitions, and now claims to be winning a war. In an epic investigation spread across fifteen years, Deer battles medical secrecy and insider cover-ups, smear campaigns and gagging lawsuits, to uncover rigged research and moneymaking schemes, the heartbreaking plight of families struggling with disability, and the scientific scandal of our time.

Civil War Doctor Mike Estel, 2022-05-31

The Doctor in War Woods Hutchinson, 1918

McCarthy's Bar Pete McCarthy, 2014-03-18 It was half past five in the morning as I lurched through the front door of the B&B. Mrs. O'Sullivan appeared just in time to see me pause to admire the luminous Virgin holy water stand with integral night-light, and knock it off the wall. Politely declining the six rounds of ham sandwiches on the tray she was holding, I edged gingerly along the hallway to the wrong bedroom door and opened it. Despite the many exotic places Peter McCarthy has visited, he finds that nowhere else can match the particular magic of Ireland, his mother's homeland. In McCarthy's Bar, his journey begins in Cork and continues along the west coast to Donegal in the north. Traveling through spectacular landscapes, but at all times obeying the rule, never pass a bar that has your name on it, he encounters McCarthy's bars up and down the land, meeting fascinating people before pleading to be let out at four o'clock in the morning. Through adventures with English hippies who have colonized a desolate mountain; roots-seeking, buffet-devouring American tourists; priests for whom the word father has a loaded meaning; enthusiastic Germans who here since many years holidays are making; and his fellow barefoot pilgrims on an island called Purgatory, Peter pursues the secrets of Ireland's global popularity and his own confused Irish-Anglo identity. Written by someone who is at once an insider and an outsider, McCarthy's Bar is a wonderfully funny and affectionate portrait of a rapidly changing country.

The Doctor in War Woods Hutchinson, 1918

A Doctor Looks at War Michael C. Hodges, 2007-02 What would you do if you were sent from all that comforts you into the unknowns of a raging battlefield? In his new book, *A Doctor Looks at War*, author Michael C. Hodges, M.D., chronicles his experience in an army combat support hospital during the initial year of Operation Iraqi Freedom. He describes in colorful detail the healthcare treatment of wounded soldiers as well as the Iraqi prisoners and civilians. Written in the form of a journal, his raw emotions are on display--ranging from fear to anger, joy to frustration, and finally, acceptance. In a progressive fashion he is stretched to the limits of endurance and faces physical and emotional hardships when forced to venture outside the limits of his training as a cardiologist. Throughout, he grows in faith, compassion and skill as a physician and learns to fully rely on God.

The Bush War Doctor Robert Valentine Dolbey, 2007-06 The East African Campaign through a British Army Doctor's eyes The author of this book--a practicing doctor in the British Army--had already served on the Western Front in the early months of the Great War and had actually become a P. O. W. at the hands of the German enemy. Now in the East African Campaign he explains--in writings originally intended for his own family--every aspect of war in this little reported theatre. We learn about the movements of troops and battle actions, but also of the character of troops from many countries and of the African tribes who fought for each side. We hear of the trials of the motor transport men--dodging ambush and wild animals equally--and of the adventures of the behind the lines intelligence gatherers living thrilling and dangerous lives in the bush. Finally we are shown the difficulties of keeping men healthy and the problems of saving lives under the most arduous conditions. This is an unusual and interesting perspective on war from a medical man in Africa.

War Doctor David M. Nott, 2020 For more than two decades, David Nott has taken unpaid leave from his job as a general and vascular surgeon with the NHS to volunteer in some of the world's most dangerous war zones. From Sarajevo under siege in 1993, to clandestine hospitals in rebel-held eastern Aleppo, he has carried out life-saving operations and field surgery in the most challenging conditions, and with none of the resources of a major London teaching hospital. But he has also volunteered in areas blighted by natural disasters, such as the earthquakes in Haiti and Nepal. Driven by passion and compassion, the desire to help others and the thrill of extreme personal danger, he is now widely acknowledged to be the most experienced trauma surgeon in the world. WAR DOCTOR is his extraordinary story.

Just War Lance Parkin, 1996-01 It is March 1941, and Britain's wartime fortunes are at their nadir. But events

are still following the course of history. The Doctor is therefore alarmed to discover that the Nazis are building a superweapon that could end the war overnight. '

Doctors in the Great War Ian R. Whitehead,2013-11-14 Doctors played a bigger role in the First World War than in any other previous conflict. This reflected not only the War's unprecedented scale but a growing recognition of the need for proper medical cover. The RAMC had to be expanded to meet the needs of Britain's citizen army. As a result by 1918 some 13,000 doctors were on active service over half the nation's doctors.Strangely, historians have largely neglected the work of doctors during the War. Doctors in the Great War brings to light the thoughts and motivations of doctors who served in 1914-1918, by drawing on a wealth of personal experience documentation, as well as official military sources and the medical press. The author examines the impact of the War upon the medical profession and the Army. He looks at the contribution of medical students, and the extent to which new professional opportunities became available to women doctors.An insight into the breadth of responsibilities undertaken by Medical Officers is given through analysis of the work of various medical units on the Western Front, demonstrating the important role played by doctors in the maintenance of the Army's physical and mental well-being. The differences between civilian and military medicine are discussed with a consideration of the arrangements for the training of doctors, and an assessment of the difficulties faced by doctors in adapting to military priorities and dealing with new challenges such as gas poisoning, infected wounds and shell shock.Doctors in the Great War will undoubtedly appeal to general readers, students and specialists in the history of war and society, as well as to those with an interest in the medical profession.As featured in the Derby Telegraph, Dover Express and Kent & Sussex Courier

This book delves into War Doctor. War Doctor is a crucial topic that needs to be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into War Doctor, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to War Doctor
 - Chapter 2: Essential Elements of War Doctor
 - Chapter 3: War Doctor in Everyday Life
 - Chapter 4: War Doctor in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, the author will provide an overview of War Doctor. This chapter will explore what War Doctor is, why War Doctor is vital, and how to effectively learn about War Doctor.
 3. In chapter 2, the author will delve into the foundational concepts of War Doctor. This chapter will elucidate the essential principles that need to be understood to grasp War Doctor in its entirety.
 4. In chapter 3, this book will examine the practical applications of War Doctor in daily life. The third chapter will showcase real-world examples of how War Doctor can be effectively utilized in everyday scenarios.
 5. In chapter 4, the author will scrutinize the relevance of War Doctor in specific contexts. The fourth chapter will explore how War Doctor is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, the author will draw a conclusion about War Doctor. The final chapter will summarize the key points that have been discussed throughout the book.
- This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of War Doctor.

War Doctor Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing

and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading War Doctor free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading War Doctor free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading War Doctor free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading War Doctor. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading War Doctor any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About War Doctor Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?

Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. War Doctor is one of the best book in our library for free trial. We provide copy of War Doctor in digital format, so the resources that you find are reliable. There are also many Ebooks of related with War Doctor. Where to download War Doctor online for free? Are you looking for War Doctor PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another War Doctor. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of War Doctor are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with War Doctor. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with War Doctor To get started finding War Doctor, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with War Doctor So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading War Doctor. Maybe you have knowledge that, people have search numerous times for their favorite readings like this War Doctor, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. War Doctor is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, War Doctor is universally compatible with any devices to read.
