**The War Wagon** Lauran Paine,2001 When an experienced, pragmatic cowman finds the rustlers tampering with his herd and uncovers a scheme he can scarcely believe, he becomes something different: a Manhunter.

**The New War Wagon Book 5 in the War on Crime Series** Frank G Davis,2024-01-15 It was supposed to be a reward to Team Joshua for a very successful mission. An unknow government agency was going to cover the cost for an all-expenses paid cruise to Alaska including any and all excursions. In addition to the cruise, a week of side trips to Denali National Park and Fairbanks were included, a total of three weeks of R&R for a job well done. There was just one little catch. The team was supposed to assist with the testing of a vehicle referred to as a technology demonstrator. Others called it The New War Wagon. It was powered by a small cold fusion reactor, the first one ever built. An added feature was the vehicle could morph into four different configurations. In order to fit in with the civilian population it could be a large motorhome. However, it also had an advanced attack ground vehicle mode, an aircraft mode and a mini submarine mode. It didn't take long for Team Joshua to realize the vacation was just a cover for the next mission. A powerful foreign country wanted The New War Wagon and would not be denied the technology. The entire state of Alaska and much of the Pacific Ocean was the battle ground. The war was just beginning. Team Joshua was up for the challenge.

**Shootout at Miracle Valley** William R. Daniel,2008 A little over one hundred years after the legendary shootout at the OK Corral, a radical South Chicago preacher named Frances Thomas moved to Miracle Valley, Arizona. She brought not only her congregation, but also a dangerous cocktail of fanaticism, faith healing, bigotry, and dynamite. Believing that God had called her to take over Miracle Valley, Pastor Thomas and her cult of followers set out to do just that -- with explosive results.

*Dwarf Warfare* Chris Pramas, 2017-12-15 Despite their short stature, dwarves are among the fiercest and most feared fighters of all the races. From an initial examination of the fighting methods of the individual dwarf soldier, this volume expands its focus to look at how they do battle in small companies and vast armies. It covers all of their troop types from the axemen that form the front lines of battle to their deadly accurate crossbowmen. Also examined are their tactics in specific situations such as underground fighting and combat in mountainous terrain. Finally, the book examines a few specific battles in great detail in order to fully demonstrate the dwarven way of war.

*The Great Blue Army Wagon* Tom Lindmier, 2009 Tracing the development of the Ordinance Wagon from its earliest days - its inception during the Mexican wars and its further development during the Civil War - this is an excellent source of information regarding the two major types of wagons used by the U. S. Army. Wagons used and developed by the Quartermaster Department of the U.S. Army were perfected over many years and long miles on the western trail. The Six and Four-Horse or Mule Wagons, as well as the Army Escort Wagon, proved to be such an effective means of transporting supplies, that they saw extensive service well into the Twentieth Century. This exhaustive volume follows the wagon's development from the Revolutionary War through their use in the First World War. The dimensions, drawings, correct paint colors, and harness details that are included make this a valuable addition to the bookshelves of restorers and re-enactors alike. Author Thomas Lindmier, noted Military and Western Historian, has spent 20 years researching his subject and has restored a number of these wagons for the National Park Service.

*Westerns in a Changing America, 1955-2000* R. Philip Loy, 2014-07-15 For many, the Westerns of 1930 to 1955 were a defining part of American culture. Those Westerns were one of the vehicles by which viewers learned the values and norms of a wide range of social relationships and behavior. By 1955, however, Westerns began to include more controversial themes: cowardly citizens, emotionally deranged characters, graphic violence, marital infidelity, racial prejudice, and rape, among other issues. This work examines the manner in which Westerns reflected the substantial social, economic and political changes that shaped American culture in the latter half of the twentieth century. Part One of this work considers shifting themes as the genre reacted to changes unfolding in the broader social landscape of American culture. Part Two examines the manner in which images of cowboys, outlaws, lawmen, American Indians and women changed in Westerns as the viewers were offered new understanding of the frontier experience.

*Shimmerfrost* Paul Joseph Santoro Emerick,2024-02-07 Ten years after the final events of the original novel *Swordbane*, a new adventure and plot unfolds. The heroes of the elite Order of the Comradery find themselves separated while pursuing and confronting a cultist caravan of the departed

but glorified dark lord Dux Decius. Upon their ensuing confrontation, Marin and Linitus of the Comradery escape the ensuing turmoil of a collapsing cave mine by taking a portal to a faraway land in the north known as Shimmerfrost. Upon arriving, these two heroes must rely on each other for survival in a very hostile, cold, and unfamiliar land while uncovering a plot by a new villainous regional overlord known as Helskadi, the Winter Death Witch, who is poised to solidify her dominance over all the various beings of the region while relying heavily on her horde army of beastly creatures and the necromantic powers of a mysterious vassal of hers known as Wendigo. Eventually while seeking to return home, Marin and Linitus cross paths with various local inhabitants, including human Nordlings and an exotic group of anthropomorphic sentient beings known as dyr folk. Marin and Linitus set out to build a new alliance between these two groups after previously feuding with each other for countless years. Only through uniting these two groups can Marin and Linitus hope to have a chance of prevailing against Helskadi's dark forces that threaten to usher in a new era of darkness in the region. Meanwhile, Duchess Lucia Diem, upon sacrificing her life for her son Lucianus to escape in the earlier confrontation against the Comradery, now finds herself in the presence of the deity spirit of death, Calu. Surprising the deity spirit by rejecting her intended destination of being united with many of her ancestors in the paradise of Caelum, Lucia instead chooses to be sent to the fiery realm of condemnation known as Hadao Infernum out of utter devotion to unite with her late lover, Decius. Upon uniting in the fiery realm of hell, the two soulmates rekindle their bond. They come to a new understanding together of their present abode while forging a new dark path of domination. Decius, with Lucia at his side, seeks to make a last bid to claim the title of the supreme dark lord of hell while waging a new war against the realm's current reigning occupant, Orcus, the Lord of Punishment.

*Duke Ronald L. Davis*,2001-05-01 Traces the life story of the famous actor from his beginnings in Winterset, Iowa, to his death in 1979, becoming a legendary character in his own right

*The Hussite Wars 1419–36* Stephen Turnbull,2024-01-18 An illustrated study of the fighting men of the Hussite Wars in 15th-century Bohemia, a significant transition point in medieval history. In 1415, the judicial murder of the religious reformer Jan Hus sparked a major uprising in Bohemia. His death led within a few years to the 'Hussite' revolution against the monarchy, the German aristocracy and the Church establishment. In this book, Stephen Turnbull examines how the largely peasant Hussite armies successfully defied a series of international 'crusades' for two decades. He details how the Hussites owed many of their victories to the charismatic general Jan Zizka, and his novel tactical methods based on the use of 'war wagons'. Fully illustrated with archive photography and specially

commissioned colour artwork, this book investigates a remarkable episode in medieval warfare, which is remembered not only as the Czech national epic, but as an important forerunner to the wars of the Reformation the following century.

**The Hidden Peace** Joel Muddamalle, 2024-03-05 The peace we long for begins with coming to the end of ourselves. There are inescapable aspects of life we are all marked by. We have less control than we want, more anxiety than we're comfortable with and just enough insecurity to continually remind us of our shortcomings. To experience these things is to be human. We aren't superheroes and invincibility isn't an option. But humility is. Whether we've incorrectly defined it or underestimated its relevance to our daily life, humility is the missing piece for the security, strength and confidence we all want. It's time to stop trying so hard to avoid our limitations or overcompensate for them. God has better for us and it begins with bowing low in humility. With relatable stories, practical wisdom and biblical theology broken down into digestible takeaways, *The Hidden Peace* by Dr. Joel Muddamalle will help you: Overcome the fear of being found out or looking like a fraud by realizing God's intent for shortcomings and weaknesses. Walk through hurtful situations in the most God-honoring way by gaining a true understanding of biblical humility. Answer the question why do bad things happen to good people? by learning a perspective shift that will change how you process suffering. Know confidently that you're living with purpose and being used by God through seven ways to practically live like Him today. Be led by the biblical definition of self-awareness so you can experience the unexpected ways it brings safety and security to your life. Stop believing the lie that theology is out of touch or too difficult to comprehend as Joel shows you how to dig into scripture and study it yourself. Weakness is not your enemy. Planted in the soil of humility, weakness becomes a means to gaining more strength and more peace.
