Armor John Steakley,2020-12-08 The planet is called Banshee. The air is unbreathable, the water is poisonous. It is home to the most implacable enemies that humanity, in all its interstellar expansion, has ever encountered. Body armor has been devised for the commando forces that are to be dropped on Banshee--the culmination of ten thousand years of the armorers' craft. A trooper in this armor is a one-man, atomic powered battle fortress. But he will have to fight a nearly endless horde of berserk, hard-shelled monsters--the fighting arm of a species which uses biological technology to design perfect, mindless war minions. Felix is a scout in A-team Two. Highly competent, he is the sole survivor of mission after mission. Yet he is a man consumed by fear and hatred. And he is protected, not only by his custom-fitted body armor, but by an odd being which seems to live within him, a cold killing machine he calls The Engine.

*You Me Everything* Catherine Isaac,2018-05-01 "Equal parts wry comedy and touching family drama, it's ultimately a heartbreaker that'll stay with you long after you're done." —Marie Claire "Glass of chilled rosé, check. Comfy chair, check. Box of tissues, check. You Me Everything is everything you need for a moving, funny, heartbreaking, and ultimately joyous read." --Susan Wiggs, #1 New York Times bestselling author of Map of the Heart Set in the French countryside on an idyllic summer vacation, a delicious, tender novel about finding joy and love even in the most unexpected places. Jess and her ten-year-old son William set off to spend the summer at Château de Roussignol, deep in the rich, sunlit hills of the Dordogne. There, Jess's ex-boyfriend—and William's father—Adam, runs a beautiful hotel in a restored castle. Lush gardens, a gorgeous pool, delectable French food, and a seemingly never-ending wine list—what's not to like? Jess is bowled over by what Adam has accomplished, but she's in France for a much more urgent reason: to make Adam fall in love with his own son. But Adam has other ideas, and another girlfriend—and he doesn't seem inclined to change the habits of a lifetime just because Jess and William have appeared on the scene. Jess isn't surprised, but William—who has quickly come to idolize his father—wants nothing more than to spend time with him. But Jess can't allow Adam to let their son down—because she is tormented by a secret of her own, one that nobody—especially William—must discover. By turns heartwrenching and hopeful, You Me Everything is a novel about one woman's fierce determination to grab hold of the family she has and never let go, and a romantic story as heady as a crisp Sancerre on a summer day.
