Exultant Stephen Baxter,2004-10-26 “Baxter has an uncanny gift for mixing a punchy, cyberpunk cynicism with his resolutely hard SF story base. . . . [Exultant] rivals Asimov in its boundless vision for

the future evolution of humanity.”—Kirkus Reviews (starred review) For more than twenty thousand years, humans have been at war with the alien race of Xeelee. Faced with certain death, a young pilot, Pirius, disobeys orders and travels into the future. Upon his return, Pirius is court-martialed and sentenced to penal servitude. But it is not only Pirius who pays the price. In flying into the future and back again, Pirius returned to a time before he’d left, a time inhabited by his younger self, who also receives punishment. Commissary Nilis believes that the elder Pirius, whom he dubs Pirius Blue, may know how to defeat the Xeelee. But Nilis can do nothing for Pirius Blue. Instead, he takes the younger Pirius—Pirius Red—back to Earth. There Pirius Red will discover truths that shatter his preconceived notions of all that he is fighting for, while Pirius Blue will learn even harsher truths. But the most shocking revelation of all is still to come. “Absurdly ambitious, technically brilliant, and downright exciting.”—SFX Magazine “Striking . . . chilling . . . [with] a triumphant conclusion.”—Starburst

Onward Towards Our Noble Deaths Shigeru Mizuki, 2021-03-17 A landmark publishing event of one of Japan's most famous cartoonists Shigeru Mizuki is the preeminent figure of gekiga/manga and one of the most famous working cartoonists in Japan today – a true living legend. **Onward Towards Our Noble Deaths** is his first book to be translated into English and is a semi-autobiographical account of the desperate final weeks of a Japanese infantry unit at the end of World War Two. The soldiers are instructed that they must go into battle and die for the honor of their country, with certain execution facing them if they return alive. Mizuki was a soldier himself (he was severely injured and lost an arm) and uses his experiences to convey the devastating consequences and moral depravity of the war. Mizuki's list of accolades and achievements is long and detailed. Currently in Japan, the life of Mizuki and his wife has been made into an extremely popular television drama that airs daily. Mizuki is the recipient of many awards including Best Album award for his book *NonNonBa* (published in 2012 by

Drawn & Quarterly) and Heritage Essential award for Onward Towards Our Noble Deaths, at the Angouleme International Comics Festival, the Tezuka Osamu Cultural Prize Special Award, Kyokujitsu Sho Decoration, Shiju Hosho Decoration and the Kodansha Manga Award. His hometown of Sakaiminato honored him with the Shigeru Mizuki Road, a street in his town decorated with bronze statues of his Ge Ge Ge no Kitaro characters and the Shigeru Mizuki International Cultural Center. Translated from the Japanese by Jocelyne Allen.

Event David L. Golemon,2010-04-01 In the summer of 1947, an unidentified object crashed in Roswell, New Mexico. There were no survivors. Now it's happened again. But this time, two creatures have emerged from the wreckage alive . . . One is a small being that is kind and benevolent, brimming with intense emotion and intelligence. The other, however, is an animal of remarkable strength and power. It has been brought clandestinely to our world with one sole purpose: the total extinction of all life on Earth. It is called the Destroyer of Worlds. Only the Event Group, the most secret agency in the history of the U.S. government, is prepared to wage battle against such a creature. The Event Group

is a dedicated collection of the nation's most brilliant men and women of science, philosophy and the military. Their difficult task: solving the mysteries of the past and uncovering the hidden truths behind the myths and legends propagated throughout world history. In doing so they protect America from past mistakes---and ensure that history's errors will never be repeated. An act of war that started in New Mexico decades ago, and was covered up by another far darker organization, has been discovered by the Group at the same time as the new and seemingly identical incident threatens to wipe out the Earth's population. In the desert wastelands of the American Southwest, a battle is about to commence as the two creatures set out to fulfill their own destinies among the human race. Led by the valiant Major Jack Collins, the Event Group wages total war in the heat-soaked sands of the desert landscape. Using the benevolent creature as an ally and resource, they combine forces with the powerful might of the U.S. military and prepare themselves for an epic battle against the most dangerous threat against human existence that history has ever seen. Event tells of an epic struggle between two worlds. Author David Lynn Golemon has written a classic supernatural thriller, each page

bringing human civilization closer to extinction, that proves a blistering roller-coaster ride of thrills and adventure.

Sentenced to walk the Changewinds as punishment for his crimes, Gonard leaves the safety of the settlement and submits himself to the irradiated blasts of air which can make even the most intelligent of beings go mad. Seeking shelter from the winds and his own haunted past, the dragon finds his way to a place where his tortured soul and crippled body might at last be healed. And the finality of death.
