**Warriors of Light** Danielle Canovi,2023-05-17 A great darkness. An evil trying to snuff out the light and take over a precious realm. That evil is not going to stop. But there are those who can make it stop. Warriors of Light can and they most certainly will. The uniqueness of our heroes in this tale is not so much their strength and courage, even though they have those in abundance. Oddly enough, it is how many times they fail. It is not so much about how they don't give up, it's more about how they are directed to move on.

**Light Warriors** Joyce Tenneson,2000-11-15 A series of dramatic, up-close portraits of women, all taken with Polaroid's remarkable 20 x 24-inch camera. These striking images are reminiscent of Tenneson's earlier work (Transformations and Illuminations) in their haunting, dreamlike qualities. However, these striking portraits of the female figure, often partially nude, draped in fabric, with unusual headdresses or objects in their arms, illuminated by eerie light, are unforgettable and a bold departure from her earlier work. A must for Tenneson's loyal fans -- the photographic, feminist, and spiritual market -- and also for a more general audience, capitalizing on her increasing visibility in the fashion field.

Loved it, Loved it, Loved it! - A Reader “A wonderful book that inspires and gives you faith in an honest and frank way. A breath of fresh air. This lovely book is a must read from such a talented soul.” - A Reader This is a special book that will give answers or peace to others in so many ways. - A Reader I read the *Warrior of Light* book in separate chunks to really get the full value of it and the author's experience. I enjoyed it! The writing style is directed towards the more masculine/male audience, and maybe one at the beginning of a spiritual path. - A Reader More clarity came as I went back and re-read *Warrior of Light* from the beginning. I’m drawn to the author's story and for our similarities. As I was reading it I felt like the author was reading my mind, and relaying excerpts from my life. Until, I read *Warrior of Light*, I felt very alone in this process of overcoming. There really are no words I can find to thank this author for being the beacon of light at the end of this transition from ‘victim’ to the person I am today. - A Reader I've been reading *Warrior of*

Light. I love how the author describes cord cutting and shielding. It is so helpful! I enjoyed the writing. - A Reader I read the Warrior of light book. I loved every page! It is not the type of book that you read one time. This book has definitely become #1 in my list of favorite books. - A Reader I love the way the author makes spirituality come across so realistic! Even the non-believers would be interested to follow such a practical approach. - A Reader After reading Warrior of Light, I see Kevin Hunter definitely gaining access to the hearts of the men who want to read his books. The people who need to hear about angels for one from a male point of view. - A Reader I read more of the Warrior Of Light book and about the Archangels. I really give Kevin Hunter a lot of credit for writing and being a messenger for others. It's working! I just finished ordering some of his other books. Every book of Kevin's has me so interested. So much of my own life changes are happening fast because of these great messages in them! His books are a God sent for sure! - A Reader
