Martha J. Cutter,Cathy J. Schlund-Vials

*Grey Riders* Frederic F. Van de Water,1922

*Arkansas State Troopers* Lieutenant Dempsie Coffman,2005-09-28 Ride with the Troopers of the Arkansas State Police as they raid illegal gambling operations and take down drug dealers. Experience the helplessness as officers watch a fellow Trooper being ambushed. Mourn with the families when they receive word that a loved one has been killed in the line of duty. Feel the pain when you hear the sound of a twenty one-gun salute and cry as taps are blown at the funeral of a fallen comrade. You may wonder why anyone would choose to enter a profession that poses the danger associated with wearing a badge. Its pretty simple. Just ask any police officer who has rescued someone from a burning vehicle, or found a lost child and safely returned him or her to their parents. Then youll understand! Lieutenant Coffman has also written an autobiography entitled *Life* (its all about the Family) and a book of poetry entitled *Southern Charm* I believe that you will enjoy reading all of his books.

*My Uncle is a State Trooper* Donna Miele,2020-01-26 A perfect book for the nieces and nephews of State Troopers! A children's story about a boy's hero, his State Trooper Uncle, what his job entails and how he keeps the community safe, all while being sure to remind his nephew how loved he is.

*Trooper Tales* Will Levington Comfort,1970

Tales of the Alaska State Troopers Peter B. Mathiesen,2015-02-10 With the elements against them, the state troopers of Alaska face every day with a fight for their lives. In the state of Alaska, anything goes. For the state troopers, an average day can include blizzard conditions, midnight sunsets, and subzero temperatures. *Tales of the Alaska State Troopers* gives insight to just how the brave men of the law combat these conditions while still upholding their duties to the fine people of Alaska. Follow Trooper Dan Valentine as he finds himself in the midst of a crisis when an abandoned truck holds more than just an old blanket on the passenger seat. Dan's responsibility for the town of Trapper Creek becomes a fight for survival when he realizes the truck has enough explosives in it to make a small dent in the Alaska Range. Troopers such as John Adams and Terrance Shanigan also have more to worry about than frostbite. Their stories include rescuing an Eskimo who has fall through the ice on his snow mobile, locating missing teenagers after a terrifying bear attack, and occasionally scraping dead, frozen, thousand-pound moose off major highway roads. *Tales of the Alaska State Troopers* is rich in content and action. Anyone familiar with the life of a lawman or the state of Alaska will be fascinated with the way Mathiesen delivers his narrative. It's all in a day's work for troopers like Dan Valentine, who never know what a new day can bring.

*The Tale of a Trooper* MacKenzie Clutha N. (Clutha Nantes),2016-06-23 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

With the camp's surgeon on his side to get him a doctor's note whenever he needs one Decle has made a book that will be entertaining for generations to come.

The Sword in the Stone T H White,2021-03-25 Growing up in a colorful world peopled by knights in armor and fair damsels, foul monsters and evil witches, young Arthur slowly learns the code of the gentleman. Under the wise guidance of Merlin, the all-powerful magician for whom life progresses backward, the king-to-be becomes expert in falconry, jousting, hunting, and swordplay. He is transformed by his remarkable old tutor into various animals so that he may experience life from all points of view. In every conceivable way, he is readied for the day when he, alone among Englishmen, is destined to draw the marvelous sword from the magic stone and become the King of England.The first book from the collection *The Once and Future King*.

**Joan of Arc: A Military Leader** Kelly DeVries,2011-09-30 In 1428 a young girl from a small French village approached the royal castle of Vaucouleurs with a now famous tales. Heavenly voices, she said, had told her to seek out the Dauphin, Charles, so that he might give her an army with which to deliver France from its English occupiers. The ensuing tale of Joan's military success is told here in a gripping and authoritative narrative. Previous works have concentrated on the religious and feminist aspects of Joan's career; this is the first to address the vital issue of what it was that made her the heroine she became. Why did the soldiers of France follow a woman into battle when no trooper of the Hundred Years War had done so before, and how was she able to win? This book is essential reading for anyone interested in the Middle Ages and teh phenomenon of the girl warrior.

**Pacifism and English Literature** R. White,2008-02-21 This timely book traces ideas of pacifism in English literature, particularly poetry. Early chapters, drawing on religious and secular traditions, provide intellectual contexts. There follows a chronological analysis of literature which rejects war and celebrates peace, from the Middle Ages to the present day.

Candle in the Wind T.h. White,2018-04-22 The fourth book from the collection *The Once and Future King* by T. H. White. It deals with the last weeks of Arthur's reign, his dealings with his son Mordred's revolts, Guenever and Lancelot's demise, and his perception of right and wrong.

Twenty Decisive Battles of the World Joseph Brady Mitchell,Edward Shepherd Creasy,2004-04 Includes material on the battles of Marathon, Syracuse, Arbela, the Metaurus, Teutoburger Wold, Ch^alons, Tours, Hastings, Orleans, the Armada, Blenheim, Poltava, Saratoga, Valmy, Waterloo, Vicksburg, Sadowa, First Marne, Midway, and Stalingrad.

Redrawing the Historical Past Martha J. Cutter,Cathy J. Schlund-Vials,2018 *Redrawing the Historical Past* examines how multiethnic graphic novels portray and revise U.S. history. This is the first collection to focus exclusively on the interplay of history and memory in multiethnic graphic novels. Such interplay enables a new understanding of the past. The twelve essays explore Mat Johnson and Warren Pleece's *Incognegro*, Gene

Luen Yang's *Boxers and Saints*, GB Tran's *Vietnamerica*, Scott McCloud's *The New Adventures of Abraham Lincoln*, Art Spiegelman's post-Maus work, and G. Neri and Randy DuBurke's *Yummy: The Last Days of a Southside Shorty*, among many others. The collection represents an original body of criticism about recently published works that have received scant scholarly attention. The chapters confront issues of history and memory in contemporary multiethnic graphic novels, employing diverse methodologies and approaches while adhering to three main guidelines. First, using a global lens, contributors reconsider the concept of history and how it is manifest in their chosen texts. Second, contributors consider the ways in which graphic novels, as a distinct genre, can formally renovate or intervene in notions of the historical past. Third, contributors take seriously the possibilities and limitations of these historical revisions with regard to envisioning new, different, or even more positive versions of both the present and future. As a whole, the volume demonstrates that graphic novelists use the open and flexible space of the graphic narrative page--in which readers can move not only forward but also backward, upward, downward, and in several other directions--to present history as an open realm of struggle that is continually being revised. Contributors: Frederick Luis Aldama, Julie Buckner Armstrong, Katharine Capshaw, Monica Chiu, Jennifer Glaser, Taylor Hagood, Caroline Kyungah Hong, Angela Lafien, Catherine H. Nguyen, Jeffrey Santa Ana, and Jorge Santos.
