Donald A. D'Amato

Warwick Donald A. D'Amato,2001-11-20 Although known as the retail capital of Rhode Island, Warwick is much more than a conglomeration of shopping centers, malls, and industrial parks; it is a city marked by an extraordinary history and in many ways, serves as a mirror of the American experience. Like many communities across the United States, Warwick developed from a rural hamlet into a town distinguished by a variety of industries in the nineteenth century, attracting immigrants from across the globe desiring a new beginning within its mill villages. These industries brought wealth and opportunity, and paved the way for Warwick's transformation from small town to cosmopolitan center. *Warwick: A City at the Crossroads* is not a stale chronology, but is a work that breathes new life into the memorable characters and events that shaped the community's history over the past four centuries. Taking readers on an exciting journey through Warwick's past, this unique illustrated history begins with the first Narragansett Indian tribes that hunted amidst the virgin wilderness and details an evolving landscape touched by colonial settlement, wars, storms, depressions, resort development, and industrialization up through the present day. However, the true measure of a community is in its people, and Warwick possesses a remarkable cast of colorful characters, such as controversial city father, Samuel Gorton, Revolutionary War heroes Nathanael Greene and James Varnum, textile magnate Robert Knight, and scores of other distinct personalities, ranging from privateers and bootleggers to feared political bosses and industrial giants.

The North Wind Alexandria Warwick,2024-05-21 Inspired by Beauty and the Beast and the myth of Hades and Persephone, this lush and enchanting enemies-to-lovers fantasy romance is perfect for fans of Sarah J. Maas, Jennifer L. Armentrout, and Scarlett St. Clair. Wren of Edgewood is no stranger to suffering. With her parents gone, it's Wren's responsibility to ensure she and her sister survive the harsh and endless winter, but if the legends are to be believed, their home may not be safe for much longer. For three hundred years, the land surrounding Edgewood has been encased in ice as the Shade, a magical barrier that protects the townsfolk from the Deadlands beyond, weakens. Only one thing can stop the Shade's fall: the blood of a mortal woman bound in wedlock to the North Wind, a dangerous immortal whose heart is said to be as frigid as the land he rules. And the time has come to choose his bride. When the North Wind sets his eyes on Wren's sister, Wren will do anything to save her—even if it means sacrificing herself in the process. But mortal or not, Wren won't go down without a fight... *The North Wind* is a stand-alone, enemies-to-lovers slow-burn fantasy romance, the first in a series sprinkled with Greek mythology.

Hedgehog Hugh Warwick,2014-06-15 From the Romans who viewed the hedgehog as a weather prophet to modern gardeners who depend on the creature to keep

gardens pest-free, the small, spiny animal has had a close connection with humans since the dawn of civilization. A creature of fascination, endearment, and cultural significance, it is one of the few wild animals that people can approach without the fear of attack or it running away. Exploring how this and other characteristics of the hedgehog have propelled it to become one of people's favorite animals, this book examines the natural and cultural history of these symbolic creatures. Following the hedgehog as it spreads through Europe and Asia to the foot of Africa, Hugh Warwick describes its evolution, behavior, habitat, and diet, as well as its current endangered status. He also looks at the animal's appeal, accessibility, and status as a pet in many countries, considering its appearance in advertising, films, children's books, and games. Casting new light on the ancestors of Sonic and Mrs. Tiggy-Winkle, *Hedgehog* is a fascinating look at these prickly, admirable animals.

My Life, as I See It Dionne Warwick,David Freeman Wooley,2011-11-22 For the first time, music legend and humanitarian activist Dionne Warwick reflects on 50 years in showbusiness and the lessons she has learned from being an artist, a mother and a global icon. From her rise to superstardom to raising millions of dollars for AIDS research, she gives readers a glimpse into her dazzling, inspiring life. 'If you think you can do it, you can do it' was the advice she got from her grandfather as a young girl - words she has never forgotten. Like her music and humanitarian work, her story is guaranteed to give hope and inspiration to people across the world.

But Beth has a secret—one that threatens to tear her and William apart.
