Teardrop Lauren Kate,2013-10-22 An epic saga of heart-stopping romance, devastating secrets, and dark magic . . . a world where everything you love can be washed away. The first book in the new series from the #1 New York Times bestselling author of the Fallen series Never, ever cry. . . . Eureka Boudreaux's mother drilled that rule into her daughter years ago. But now her mother is gone, and everywhere Eureka goes he is there: Ander, the tall, pale blond boy who seems to know things he shouldn't, who tells Eureka she is in grave danger, who comes closer to making her cry than anyone has before. But Ander doesn't know Eureka's darkest secret: ever since her mother drowned in a freak accident, Eureka wishes she were dead, too. She has little left that she cares about, just her oldest friend, Brooks, and a strange inheritance—a locket, a letter, a mysterious stone, and an ancient book no one understands. The book contains a haunting tale about a girl who got her heart broken and cried an entire continent into the sea. Eureka is about to discover that the ancient tale is more than a story, that Ander might be telling the truth . . . and that her life has far darker undercurrents than she ever imagined.

Waterfall Lauren Kate,2014-10-28 From the #1 New York Times bestselling author of the FALLEN series comes WATERFALL, a novel about love, betrayal, and epic consequences—a world-altering tale told by a girl whose tears have the power to raise the lost continent of Atlantis. This second novel in the Teardrop series is intensely romantic, with strong, hot main characters caught up in a thrilling fantastical love triangle. For readers who love Lauren Kate and the worlds of Alyson Noël, P. C. Cast, Maggie Stiefvater, and Veronica Rossi. Eureka's tears have flooded the earth, and now Atlantis is rising, bringing with it its evil king, Atlas. Eureka is the only one who can stop him, but first she must learn how to fight. She travels across the ocean with Cat, her family, and Ander, the gorgeous and mysterious Seedbearer who promises to help her find Solon, an enigmatic lost Seedbearer who knows how to defeat Atlas. Once on land, Eureka is taunted by gossipwitches, a group of displaced Atlantean sorceresses, and ambushed by locals struggling to survive amid the destruction her tears have wrought. And she feels no closer to facing Atlas or saving the world when Solon lets slip that love is Ander's weakness, and that any affection he feels toward her makes him age faster. Trying to make sense of the dark world her sorrow has created, Eureka receives startling insight from an enchanted pond. Her bewildering reflection reveals a soul-crushing secret: if she's strong enough, Eureka can draw on this knowledge to defeat Atlas—unless her broken heart is just what he needs to fuel his rising kingdom. . . . In Waterfall, Eureka has the chance to save the world. But she'll have to give up everything—even love.

Waterfall (The River of Time Series Book #1) Lisa T. Bergren,2011-02-01 Gabriella has never spent a summer in Italy like this one. Remaining means giving up all she's known and loved . . . and leaving means forfeiting what she's come to know--and love itself. Most American teenagers want a vacation in Italy, but the Bentarrini sisters have spent every summer of their lives with their parents, famed Etruscan scholars, among the romantic hills. In Book One of the River of Time series, Gabi and Lia are stuck among the rubble of medieval castles in rural Tuscany on yet another hot, boring, and dusty archeological site . . . until Gabi places her hand atop a handprint in an ancient tomb and finds herself in fourteenth-century Italy. And worse yet, in the middle of a fierce battle between knights of two opposing forces. And thus she comes to be rescued by the knight-prince Marcello Falassi, who takes her back to his father's castle--a castle Gabi has seen in ruins in another life. Suddenly Gabi's summer in Italy is much, much more interesting. But what do you do when your knight in shining armor lives, literally, in a different world?

The Bird in the Waterfall Jerry Dennis,2014-09-23 There is nothing in the universe like water. It is unique and beautiful and without it there could be no life on earth. Little wonder, then, that people have always expressed such awe, delight, and reverence for it. The Bird in the Waterfall is a celebration of the wonders of water and the creatures that live in it. While exploring waterfalls and artesian springs, ocean waves and tidal bores, whirligig beetles and torrent ducks, author Jerry Dennis and artist Glenn Wolff address age-old aquatic mysteries: Why do rivers meander? What are the sources of hot springs and geysers? What causes tsunamis and rogue waves? Why is water blue—and sometimes green, black, yellow, or red? Why do we gather to watch falling water and crashing surf? Why do we toss coins into fountains? At the heart of The Bird in the Waterfall is a profound appreciation for the magic, music, and poetry of water—and a passionate appeal for the protection of this most precious of the earth's resources. PRAISE: "A passionate appreciation for the magic, music, and poetry of water, and an appeal for the protection of this most precious of the earth's resources." —Natural Resources and Wildlife Magazine "Jerry Dennis is one of today's most readable and informative nature essayists, and his latest book, The Bird in the Waterfall, is a marvelous look at the natural history of oceans, rivers, and lakes. It ought to be required reading for anyone who loves the outdoors, angling, surfing, beachcombing, or birding." —Buffalo News "The Bird in the Waterfall is truly science for everyone. When you have finished reading it, you will not only know more, but you may become as charmed with water as Dennis is." —Earth Magazine "I can't think of anyone I know—angler, conservationist, scientific reader, curious kid—who wouldn't enjoy, and learn from, this unusual book. And from endpaper to endpaper, it's a visual delight, too." —Fly Rod and Reel Magazine "Nature writer Dennis conveys his deep feelings for all aspects of the aquatic realm...and parlays his fascination with the dynamics of bodies of water into a richly informative description of how lakes and rivers support myriad lifeforms." —Booklist

Waterfall Girls Kimberly White,2021-09-14 Legend has it that the first waterfall was created when an angry sea god threw his trident into a cliff with such force that the cliff split open, spewing water like a volcanic eruption. Through the eyes of Nereid, daughter of this angry sea god, we witness the evolution of this primal waterfall into a powerful symbol of beauty, danger, and sacrifice. Through Nereid, we witness the stories of women and girls who commit suicide by waterfall, beginning with Nereid herself, and the waterfall otherworld into which they awaken. Unfolding in spiral rather than linear fashion, this bible of shifting realities and portals between life and death shines light and dark into a world never before imagined. An afterlife which is neither heaven or hell, it is as uncertain as it is beautiful. Intertwined with the tales of Nereid and others in her world is the commonality of the Waterfall, whose elemental/diselemental voice adds its own layers to Nereid's bible. When the Waterfall speaks, we taste the purity of the first waterfall, we catch the scent of primal element, we are enchanted by the face of magnificent beauty, and we feel the very heartbeat of water as we drown in the roar of the falls. From Nereid's lifetime of water, through the hidden pools and passages of her watery world, Waterfall Girls is but a small sampling of legends inspired by waterfalls, woven into the heartbreak of suicide.

Above the Waterfall Ron Rash,2015-09-08 In this poetic and haunting tale set in contemporary Appalachia, New York Times bestselling author Ron Rash illuminates lives shaped by violence and a powerful connection to the land. Les, a long-time sheriff just three-weeks from retirement, contends with the ravages of crystal meth and his own duplicity in his small Appalachian town. Becky, a park ranger with a harrowing past, finds solace amid the lyrical beauty of this patch of North Carolina. Enduring the mistakes and tragedies that have indelibly marked them, they are drawn together by a reverence for the natural world. When an irascible elderly local is accused of poisoning a trout stream, Les and Becky are plunged into deep and dangerous waters, forced to navigate currents of disillusionment and betrayal that will force them to question themselves and test their tentative bond—and threaten to carry them over the edge. Echoing the heartbreaking beauty of William Faulkner and the spiritual isolation of Carson McCullers, Above the Waterfall demonstrates once again the prodigious talent of “a gorgeous, brutal writer” (Richard Price) hailed as “one of the great American authors at work today” (Janet Maslin, New York Times).
