As The Wayward Wind Blows Curtis Parris,2021-12-02 This book marks the first time that the poetry of Curtis Wayne Parris appears in print. The poems were selected to showcase Parris’ mastery of verse and provide readers with a broad range of poetic styles from Parris’ diverse catalog. Readers should be advised—and forewarned—that they are about to enter into a world of hauntingly beautiful prose and verse that spans the spectrum of human emotion, from zeniths of bliss to nadirs of sorrow. In his cosmic meanderings, Parris wanders through psychedelic dreamscapes of sublime beauty but also descends into the deepest gorges of despair. Through linguistic alchemy, Parris skillfully blends subject, sound, syntax, and syncopation to create naturally rhythmic poems charged with pure emotion. Blessed with a gift for alliteration and cadence, Parris uses simple, everyday words to convey the most intimate and horrifying details of his life. Parris does not seek exposure nor notoriety, for he lives in a world of night, of moonscapes and shadows. Instead, Parris writes because he has a tempest inside. Parris injects metaphysical concepts into his poems, frequently traveling through time, space, and other dimensions as he explores the mysterious universe within his mind. In these respects, his poems can touch upon ancient nerves; for we are all, to some degree or another, just fellow travelers in time, journeying through life, seeking solace, and awaiting final destinations. Into this abstract poetic tapestry, Parris weaves his observations on life, death, religion, and politics. Come along and take a journey through the land of dreams.

The Wayward Wind J. H. Winter,2021-04-06 Wishweaver, is full of surprises, tender moments, and is peppered with humor. Whimsy's and Flit's interactions both with each other and with other animals they meet are especially thoughtful. In addition to being an adorably fun story, there are lessons in overcoming fear, being selfless, and caring for one another, should the grown-ups want to guide their littles down those roads. However, children and grown-ups alike will enjoy reading Whimsy's story together simply for the delight that it is.
