Journey into the Whirlwind Eugenia Semyonovna Ginzburg,2002-11-04 A woman's true account of eighteen years as a Soviet prisoner: "Not even Alexander Solzhenitsyn's One Day in the Life of Ivan Denisovich matches it."—The New York Times Book Review In the late 1930s, Eugenia Ginzburg was a wife and mother, a schoolteacher and writer, and a longtime loyal Communist Party member. But like millions of others during Stalin's reign of terror, she was arrested—on trumped-up charges of being a Trotskyist terrorist counter-revolutionary—and sentenced to prison. With sharp detail and an indefatigable spirit, Ginzburg recounts her arrest and the eighteen harrowing years she endured in Soviet prisons and labor camps, including two in solitary confinement. Her memoir is "a compelling personal narrative of survival" (The New York Times Book Review)—and one of the most important documents of Stalin's brutal regime. "Deeply significant...intensely personal and passionately felt."—Time "Probably the best account that has ever been published of...the prison and camp empire of the Stalin era."—Book World Translated by Paul Stevenson and Max Hayward

Whirlwind David Klass,2008-03-18 Jack finds himself embroiled in another dangerous adventure when, after a six-month absence, he returns to the Hudson River town where he grew up to find his girlfriend PJ only to discover that she is missing and everyone believes him to be responsible for her disappearance and the death of his family. 25,000 first printing.

Whirlwind Sharon Dolin,2012-10-21 Whirlwind is one woman's frank, witty, mordant, sexy look at the breakup of a marriage and its emotional aftermath. With her characteristic linguistic play and mixture of poetic registers and styles, Sharon Dolin takes her readers on an off-the-tracks emotional ride through the whirlwind that goes by the name of divorce. Hang on tight. Here poems are never merely confessional, but use formal aplomb to ride the white-heat rage, hurt, denial, reflection, regret, wistfulness, desire, and sexual passion as they go hurtling through the many stages of grief after the death of a relationship and the rebirth of a more vital self. Dolin tackles difficult subjects unflinchingly in her poems: such as betrayal and the shame of the one being betrayed, being a parent within a volatile breakup, as well as some startling poems on the reawakening of sexuality and an attention

to the natural world and politics. In her poem that won a Pushcart Prize, she dons the mask of the Furies to confront her ex-husband and his lover. A journalist of her own heart, Sharon Dolin has written a brazen collection that seethes with the pressure of a story to tell: cathartic and thrilling in equal measure.

God in the Whirlwind David F. Wells, 2014-01-31 Building on years of research and teaching, experienced author and theologian David Wells offers a remedy for evangelicalism's superficial theology and weightless conception of God: a journey to discover the paradoxical nature of his holiness and love. We all struggle, at times, to hold that paradox together, commonly resulting in problems such as liberalism or legalism. Yet understanding how God's holiness is inextricably bound to his love is what enables us to live between the two extremes and defines our life of service in this world. In the vein of classics such as Packer's *Knowing God*, Wells's biblical theology is written at an accessible level so that all readers can cultivate a balanced vision of the God who belongs in the center of it all.

The Whirlwind, 1974

In the Whirlwind Robert A. Burt, 2012-05-16 In recounting the rich narratives of key biblical figures - from Adam and Eve to Noah, Cain, Abraham, Moses, Job, and Jesus - *In the Whirlwind* paints a surprising picture of the ambivalent, mutually dependent relationship between God and his peoples. Taking the Hebrew and Christian Bibles as a unified whole, Burt traces God's relationship with humanity as it evolves from complete harmony at the outset to continual struggle. In almost every case, God insists on unconditional obedience, while humanity withholds submission and holds God accountable for his promises.

Whirlwind Alison Hart, 2010-05-25 Here is the much-begged-for sequel to *Shadow Horse*. With a feisty female protagonist, a little romance, a lot of mystery, and a barnful of animals just waiting to be loved, this young adult horse mystery novel will have young girls galloping to the bookstore to grab their copy. When thirteen-year-old Jas Schuler found her beloved mare Whirlwind dead in her padlock, she thought her heart would break. But now Jas knows the truth: Whirlwind is alive! Wealthy horse breeder Hugh Robicheaux faked the mare's death, collected insurance money, then sold her to an unsuspecting buyer. And he's going to get away with his crime, too—unless someone can find Whirlwind. And that's exactly what Jas plans to do. But hunting for Whirlwind is dangerous. Hugh has threatened to destroy everything Jas holds dear unless she stops her search. As she struggles with her desire to find Whirlwind without endangering the people she loves, Jas must ask herself: Should she risk so much for a horse she may never find? This heartfelt YA novel by a highly regarded equestrian author will have young readers chomping at the bit for more.

Whirlwind David Alexander, 1988

The Comforting Whirlwind Bill McKibben, 2005-08-25 In *The Comforting Whirlwind*, acclaimed environmentalist and writer Bill McKibben turns to the biblical book of Job and its awesome depiction of creation to demonstrate our need to embrace a bold new paradigm for living if we hope to reverse the current trend of ecological destruction. With reference to the consequences of our poorly considered and self-centered environmental practices—global

warming, ozone degradation, deforestation—McKibben combines modern science and timeless biblical wisdom to make the case that growth and economic progress are not only undesirable but deadly. If we continue to accelerate the pace of development, we will inevitably complete the “decreation” of our planet and everything on it, including ourselves. In his signature lyrical prose, and using Stephen Mitchell's powerful translation of Job, McKibben calls readers to truly appreciate both the majesty of creation and humanity's rightful—and responsible—place in it.

Escape James Clavell, 2018-09-18 Tehran, Iran 1979: Simmering religious tensions explode and the Shah is forced to flee Iran. A British helicopter company—secretly owned by the Noble House of Hong Kong—with a fleet of helicopters registered in Iran faces bankruptcy if their copters are claimed or destroyed by the uprising. The pilots need to escape, but they've built lives in Iran, some even have families. Finnish pilot Erikki Yokkonen has married Azadeh, an Iranian woman of noble birth, whose family is caught up in the political situation exploding around them. Tasked with saving as many of the helicopters as he can and desperate to save his love, Erikki and Azadeh become caught up in the events around them. Threaded throughout master storyteller James Clavell's novel *Whirlwind* much like a shimmering strand of silk woven through an elaborate Persian carpet, is the love story of two people from different backgrounds. They have been brought together by a love stronger than either one, a love stronger than the revolutionary fires that burn all around them. A moving story, expertly told, unthreaded from the original masterwork, and allowed to stand on its own, brilliantly.

Reaping the Whirlwind Robert Jefferson Norrell, 2013-02-13 Bringing us close to the complex history of the civil rights movement in the American South—the currents that involved thousands of communities and millions of individual lives—this book looks deeply into the experiences of a single Alabama town, Tuskegee, and its surrounding Macon County. It is based on interviews with the people—white and black, liberal and traditional—whose lives were caught up in the movement and altered forever. We see Tuskegee in the early 1940s, seat of America's most venerable institute of high education for blacks, an important symbol of black progress—yet almost entirely controlled by a white power structure—and we see the emergence of a charismatic leader, Charles G. Gomillion, who defied Tuskegee Institutes' apolitical traditions and inspired blacks to organize for their right to vote. Thus begins decades of struggle, which Robert J. Norrell re-creates for us through the testimony of the people who lived and shaped this history: the dramatic appearance before a U.S. congressional committee of local civil rights leaders and ordinary farmers bearing witness to the seemingly endless obstructions to block voter registration; the months-long boycott of white Tuskegee merchants that was sparked by the city council's attempt to exclude black voters by gerrymandering; the fiercely controversial move to integrate the public schools that culminated in Governor George Wallace's order to state troopers to prevent the opening of Tuskegee High; the anguish that accompanied efforts by blacks to penetrate all-white church congregations. Norrell describes how blacks enters—and won—local elections, including those for mayor and sheriff, and how, with the onset of heightened activism in the late 1960s, Gomillion and other established leaders of the civil rights movement heard angry youthful voices

raised against their cautious approach. Reaping the Whirlwind carries us through the early 1970s to a community profoundly changed, proud to have shed its false air of harmony, gradually coming to terms with the disorder and dissension of the preceding years. It is a moving and significant chronicle that documents a critical era in the nation's history.
