Roger Blakely

Reaping the Whirlwind J. Vikse,2014-10-13 The medallions are lost; the Valang have risen again; the Breakers are coming. If they can't be stopped, Tranthaea will fall... French student Marc Thomas, Louisianan slave-owner Chloe Arcenau, and American teenager Hunter Wells couldn't be more different but they all have one thing in common; none of them asked to be ripped from their lives and flung into the middle of a war in another world. Yet as they scramble to survive, the three Humans discover that they may be the only ones able to protect Tranthaea from certain annihilation. An unsolved mystery that stretches back through millennia could hold the key to victory, but there are those who would prefer the answer remain hidden. Straddling both sides of the conflict, Hunter, Marc, and Chloe must withstand the battling factions as well as the secret desires of their own minds if they are to succeed. Will they be willing to pay the price of victory? Or will they fall into darkness?

Hyperion and the Great Balls of Fire Joan Holub,Suzanne Williams,2013-08-06 A searing heat wave induced by the rule of Hyperion compels Zeus, Poseidon and Hades to search for answers about why the titan is overheating the world, a mystery that is complicated by their continuing efforts to rescue Hera and outmaneuver the minions of their nemesis, Cronus. Simultaneous.

Whirlwind Roger Blakely,2019-07-03 The first Artemus Newton Short Story.WHIRLWIND takes place four years after ACCELERATOR and two years before EYE OF THE STORM.Artie has been retired for eight years and things finally look like they are going his way.

Force of Gravity J. J. Fox,2013-05 Having taken the first step toward the Truth with us, how far are you now willing to go? You have tasted the latent potential that exists in your core. To have only scratched the surface of that potential simply cannot be the end of our journey together. Hyperion's struggle endures. We stewards of the last free city know too well that we cannot hope to win a battle of attrition. Something must be done to alter our fate before we are utterly consumed by it. If we fall, humanity will require men and women like you to bear our standards onward. Force of Gravity is the second installment in the saga of Benjamin Meaks. We have seen the fires of hope and belief kindled within him. Now, we must see the steel of his resolve tempered by far greater trials than any youthful spirit ought to suffer. To continue his tale, you must also be prepared to confront the inconvenient truths of your present existence. If you have come this far with us, we are already victorious. It may not be possible to divine which seed will flourish and rise to the mightiest height, but it would be foolish not to recognize that more seeds are superior to few. Hyperion will never turn away an inquisitive mind. We can ill afford to be so wasteful.

Defying Gravity J.J. Fox,2011-11-11 What if I were to tell you that every day of your life you have lived a lie? If your every memory, experience, and interaction with the world around you was tainted by the fallacy, would you strive to learn the truth? Do you possess the inner fortitude to break the shackles that have imprisoned your mind? We can give you that power. We can show you the truth. Each day, we bask in the glory that was intended for all humanity. From Hyperion, the last free city, we endeavor to preserve the way of life of our common ancestors

so that one day, those of you who have been lost might reawaken. Defying Gravity is the first installment in the journey of a young man from among you who chose to learn of the truth. The account details the triumphs and defeats necessary to cast off the bonds that had held him for sixteen years of life on Earth. Though some were resistant and all were uncertain, none could have predicted how his coming would forever change the course of humanity's collective destiny. We invite you to share in his journey. If you lack the courage to challenge the assumptions of your reality, perhaps walking the footsteps of one who has come before you will inspire. As you will invariably come to learn in The Hyperion Chronicles, even the slightest shift in your perspective is a monumental victory for our cause.

Hyperion Dan Simmons; ,2010

Hyperion and the Great Balls of Fire Joan Holub, Suzanne Williams, 2013-08-06 A heat wave induced by the rule of Hyperion compels Zeus, Poseidon, and Hades to search for answers about why the titan is overheating the world, a mystery that is complicated by their efforts to rescue Hera and outmaneuver the minions of their nemesis, Cronus.

The Hyperion Omnibus Dan Simmons, 2004 The Hyperion books are credited with single-handedly reinventing and reinvigorating SF in the 1990s. A broad canvased, hugely imaginative and exciting SF epic, the books draw on the works of Keats and provide a uniquely intelligent and literary approach with cutting edge science, compelling characterisation and edge-of-your-seat excitement. The story is continued in ENDYMION and THE RISE OF ENDYMION, which Gollancz will also be publishing in an omnibus volume.

Shadows of Hyperion Ryk E. Spoor, 2021-05-24 The Bill is Coming Due... ... on Project Hyperion. Ariane Austin discovers she and her friends Marc, Simon, and Wu Kung are crippled after their battles in Challenges of the Deeps, unable to use their Arena-born powers. The newly-embodied Hyperion AI, Dr. Alexander Fairchild, is working with a Molothos officer to undermine the Faction of Humanity... while he also pulls deadly strings back home in the Solar System. The insane Hyperion Maria-Susanna is active at last, and someone has murdered one of the Champions of the Arena even as he was coming to meet with Marc DuQuesne. All of these events are related, and the collision of such forces will shake the entirety of the Arena, and beyond, as they find that everything, everything, is affected by the long, dark shadows of Hyperion.

Supreme Power , 2010-12-01 The saga of Surpeme Power continues! now that the world knows his dark secret, Hyperion suddenly finds himself both alone and hunted. Four new super-powered individuals--each based on a character from the original Squadron Supreme--are after his hide, and they've got the will and means to take him down! COLLECTING: Supreme Power: Hyperion #1-4

Hyperion Dan Simmons, 1991 It is the twenty-ninth century and the universe of the Human Hegemony is under threat. Invasion by the warlike rebel Ousters looms, and the mysterious schemes of the secessionist Al TechnoCore bring chaos even closer. On the eve of disaster, with the entire galaxy at war, seven pilgrims set forth on a final voyage to the legendary Time Tombs on Hyperion, home to the Shrike, a lethal creature, part god and part killing machine, whose powers transcend the limits of time and space. Like another fabled group of pilgrims, each

traveller shares his story with his fellows, seeking answers to the unsolved riddles of all their lives. And they have resolved to die before discovering anything less than the secrets of the universe itself. HYPERION is a brilliant tapestry, a superb vision of future technology and ancient religions, of scientific revelation and timeless mystery, of transcendent joy and mind-bending horror. It is a landmark in modern science fiction.

Hyperion Dan Simmons,1991

The Fall of Hyperion Dan Simmons,2005-01-01 The mysterious Time Tombs are opening and the Shrike that has risen from them may well control the fate of all mankind. The Ousters are laying seige to the Hegemony of Man and the AIs we created have turned against us to build the Ultimate Intelligence; God. The God of Machines. His genesis could mean annihilation for man. Something is drawing the hegemony, the Ousters, the AIs, the entire universe to the Shrike.

Hyperion's Shield Nathan Schivley,2019-05-15 It has been eighteen years since the end of the Eighth Great War, and the city of Reysa lies under the shadow of the Gartolian Empire. Trapped inside the occupied city, Loras dreams of being a Reytana - one of the protectors of Reysa. He imagines himself leading his people against the Gartolians and freeing his city from their oppressive rule. However, his dream has a fatal flaw. The Reytana are missing. Without their Reytana protectors to defend them, Loras knows that his people stand no chance against the Gartolians and their own vicious protectors, the Gartune. So, he resigns himself to daydreaming in his professor's class about a time when the balance of power will be restored. Then one day, a sudden revelation forces Loras, his twin sister Regan and best friend Tinko, to flee from their homes. As they are pursued by the Gartune through the wilderness, the Reysene teenagers realize that their only hope for survival is to solve the mystery of the Lost Reytana. A fast-paced fantasy adventure full of twists, turns and memorable characters, *Hyperion's Shield* is for anyone who ever dreamed of being a hero.
