Herbert Reaske

Lord of the White Hell Ginn Hale,2010 Kiram fought his family and Cadeleonian bigots to remain in the Sagrada Academy to prove himself as a mechanist and to dispel the deadly shadow curse that threatens to destroy his upperclassman, Javier Tornesal. But when his efforts provoke retaliation, Kiram's family and home are endangered. Both Kiram and Javier risk everything in a desperate gambit to combat the curse. But they never imagined their battle would come so soon, or that it would be lead by the one person they trust most of all.

Looking White People in the Eye Sherene Razack,1998-01-01 Examining the classroom discussion of equity issues and legal cases involving immigration and sexual violence, Razack addresses how non-white women are viewed, and how they must respond, in classrooms and courtrooms.

White Eye Blanche D'Alpuget,1993 At a remote biotechnological research center in the Australian outback, chief scientist John Parker is developing a virulent and contagious chimera, a fatal bacterium for which there is no cure. When a young female scientist is found murdered at the research facility, John encounters Diana Pembridge, an animal rights activist who suspects there is more to John's work than meets the eye. Diana has dedicated her life to caring for majestic birds of prey. When she discovers the body of her childhood friend near the research station, she immediately suspects murder. Her questioning leads her into a web of scientific corruption. But when people will go to deadly lengths to protect their secrets, getting too close to the truth threatens to lead to her own demise. Blanche d'Alpuget examines complex ethical questions about biotechnology, animal experimentation and wildlife trafficking, but also explores broader issues of freedom, love and gender equality. She skilfully unfolds the dramatic conflicts that define both the human and animal worlds.

The Eye of the Storm Patrick White,2012-05-08 In White's 1973 classic, terrifying matriarch Elizabeth Hunter is facing death while her impatient children—Sir Basil, the celebrated actor, and Princess de Lascabane, an adoptive French aristocrat—wait. It is the dying mother who will command attention, and who in the midst of disaster will look into the eye of the storm. An antipodean King Lear writ gentle and tragicomic, almost Chekhovian . . . The Eye of the Storm [is] an intensely dramatic masterpiece (The Australian).

Minor White, the Eye that Shapes Minor White,Peter C. Bunnell,Joseph B. Rauch,1989-01-01 Accompanying a major retrospective exhibition opening at The Museum of Modern Art and travelling until 1991, this is a publication of White's work using the artist's extensive personal archive bequeathed to Princeton University on his death.

Patrick White's The Eye of the Storm, Voss, and Other Novels Herbert Reaske,1977

The Eye of the Storm Patrick White,1995 A savage exploration of family relationships from the Nobel Prize-winning Patrick White Elizabeth Hunter, an ex-socialite in her eighties, has a mystical experience during a summer storm in Sydney which transforms all her relationships: her existence becomes charged with a meaning which communicates itself to those around her. From this simple scenario Patrick White unfurls a monumental exploration of the tides of love and hate, comedy and tragedy, impotence and and longing that fester within family relationships. In the Sydney suburb of Centennial Park, three nurses, a housekeeper and a solicitor attend to Elizabeth as her son and daughter convene at her deathbed. But, in death as in life, Elizabeth remains a destructive force on those who surround her. The Eye of The Storm is a savage exploration of family relationships - and the sharp undercurrents of love and hate, comedy and tragedy, which define them.

Blue Eyes, Brown Eyes Stephen G. Bloom,2021-10-05 The never-before-told true story of Jane Elliott and the “Blue-Eyes, Brown-Eyes Experiment” she made world-famous, using eye color to simulate racism. The day after Martin Luther King, Jr.’s assassination in 1968, Jane Elliott, a schoolteacher in rural Iowa, introduced to her all-white third-grade class a shocking experiment to demonstrate the scorching impact of racism. Elliott separated students into two groups. She instructed the brown-eyed children to heckle and berate the blue-eyed students, even to start fights with them. Without telling the children the experiment’s purpose, Elliott demonstrated how easy it was to create abhorrent racist behavior based on students’ eye color, not skin color. As a result, Elliott would go on to appear on Johnny Carson’s Tonight Show, followed by a stormy White House conference, The Oprah Winfrey Show, and thousands of media events and diversity-training sessions worldwide, during which she employed the provocative experiment to induce racism. Was the experiment benign? Or was it a cruel, self-serving exercise in sadism? Did it work? Blue Eyes, Brown Eyes is a meticulously researched book that details for the first time Jane Elliott’s jagged rise to stardom. It is an unflinching assessment of the incendiary experiment forever associated with Elliott, even though she was not the first to try it out. Blue Eyes, Brown Eyes offers an intimate portrait of the insular community where Elliott grew up and conducted the experiment on the town’s children for more than a decade. The searing story is a cautionary tale that examines power and privilege in and out of the classroom. It also documents small-town White America’s reflex reaction to the Civil Rights Movement of the 1970s and 1980s, as well as the subsequent meteoric rise of diversity training that flourishes today. All the while, Blue Eyes, Brown Eyes reveals the struggles that tormented a determined and righteous woman, today referred to as the “Mother of Diversity Training,” who was driven against all odds to succeed.

Songs with Our Eyes Closed Tyler Kent White,2018-01-30 Many of the poems included here are short and uplifting, with messages such as “be yourself,” “you are beautiful,” and “this too shall pass.” They combine the appeal of short, shareable poems with inspiration and encouragement. Also included are some of White’s lengthier prose pieces, which address his childhood, his relationship with his father, and past romantic relationships, among other things. Whatever the form, White takes inspiration from the everyday, writing about abstract topics like love, loss, depression, and resilience using concrete, relatable details and scenes.

Dog Songs Mary Oliver,2013-10-08 “The popularity of [Dog Songs] feels as inevitable and welcome as a wagging

tail upon homecoming.” –The Boston Globe Mary Oliver’s Dog Songs is a celebration of the special bond between human and dog, as understood through the poet’s relationships to the canines that have accompanied her daily walks, warmed her home, and inspired her work. Oliver’s poems begin in the small everyday moments familiar to all dog lovers, but through her extraordinary vision, these observations become higher meditations on the world and our place in it. Dog Songs includes visits with old friends, like Oliver’s beloved Percy, and introduces still others in poems of love and laughter, heartbreak and grief. Throughout, the many dogs of Oliver’s life merge as fellow travelers and as guides, uniquely able to open our eyes to the lessons of the moment and the joys of nature and connection.

White Hot-True Blue Richard J. Alapack,2010-10-25 WHITEHOT TRUEBLUE The hyphenated title and a book cover displaying a volcano and birds flying together till the end of time to the ends of the earth signify that passionatetender heartlines stuff White Hot-True Blue. Its parables, narratives, and eyewitness stories mesh reflective thought and the living heart. This book eschews mainstream behavioral-technological psychology, a natural scientific discipline so theory-driven and obsessed with method that it merely generates abstract, cold objectivities and detached statistical generalities. White Hot-True Blue offers instead a psychological psychology, one that includes the soul and the spirit, one radically individualized and deeply personal--a psychology wielding a caring human touch. The human heart is not reducible to a physiological pump. Our heart is the mind warmed.
