

White Ogre

Mark Horne

I Refuse to Die Koigi Wa Wamwere, 2011-01-04 An extraordinary account of how a laborer's son rose to challenge the power of despots, *I Refuse to Die* is both the autobiography of one gifted man who rose above the horrors of colonization, and an uncensored history of modern Kenya. The book is infused with the freedom songs of the Kenyan people, as well as dream prophecy and folk tales that are part of Kenya's rich storytelling tradition. Tracing the roots of the Mau Mau rebellion, wa Wamwere follows the evolution and degeneration of Jomo Kenyatta and the rise of Daniel arap Moi. In 1979, wa Wamwere won a seat in the parliament, where he represented the economically depressed Nakuru district for three years. An outspoken activist and journalist, wa Wamwere was framed and detained on three separate instances, spending thirteen years in prison, where he was tortured but not broken. His mother and others led a hunger strike to free him and fellow political prisoners. Their efforts brought about a show trial at which Koigi was sentenced to four more years in prison and six strokes of the cane, and escaped Kenya—and probably execution—only through the exertions of human rights groups and the government of Norway.

Black and White Ogre Country de Luxe Edition Angela Gardner, 2009

The Island Trapper; Or, The Young White-Buffalo Hunters T. C. Harbaugh, 2023-10-05 Reproduction of the original. The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision.

Tracking the Chupacabra Benjamin Radford, 2011-03-15 Among the monsters said to roam the world's jungles and desolate deserts, none is more feared than the chupacabra—the blood-sucking beast blamed for the mysterious deaths of thousands of animals since the 1990s. To some it is a joke; to many it is a very real threat and even a harbinger of the

apocalypse. Originating in Latin America yet known worldwide, the chupacabra is a contradictory and bizarre blend of vampire and shapeshifter, changing its appearance and characteristics depending on when and where it is seen. Rooted in conspiracy theory and anti-American sentiment, the beast is said to be the result of Frankenstein-like secret U.S. government experiments in the Puerto Rican jungles. Combining five years of careful investigation (including information from eyewitness accounts, field research, and forensic analysis) with a close study of the creature's cultural and folkloric significance, Radford's book is the first to fully explore and try to solve the decades-old mystery of the chupacabra.

Tolkien's Lost Chaucer John M. Bowers, 2019-09-26

Tolkien's Lost Chaucer uncovers the story of an unpublished and previously unknown book by the author of The Lord of the Rings. Tolkien worked between 1922 and 1928 on his Clarendon edition Selections from Chaucer's Poetry and Prose, and though never completed, its 160 pages of commentary reveals much of his thinking about language and storytelling when he was still at the threshold of his career as an epoch-making writer of fantasy literature. Drawing upon other new materials such as his edition of the Reeve's Tale and his Oxford lectures on the Pardoner's Tale, this book reveals Chaucer as a major influence upon Tolkien's literary imagination.

The Ogre's Wife Richard Parks, 2002-08 Collection of short stories appeared in various publications.

J. R. R. Tolkien Mark Horne, 2011-08-01 J. R. R. Tolkien: The Mind Behind the Rings, you'll get a never-before-seen look at the man, the artist, and the believer behind some of the world's most beloved stories. Join bestselling author Mark Horne as he explores lasting impact of the kind of creative freedom that can only come from faith and struggle. Raised in South Africa and Great Britain, young Tolkien led a life filled with uncertainty, instability, and loss. As he grew older, however, the faith that his

mother instilled in him continued as an intrinsic contribution to his creative imagination and his everyday life. J. R. R. Tolkien explores: The literary giant's childhood, coming-of-age stories, and the countless hurdles he faced What inspired and influenced The Lord of the Rings and The Hobbit Tolkien's service in the war The ways that Tolkien's faith influenced his work Previously published as a volume in the Christian Encounters series, this renewed edition of J. R. R. Tolkien now includes updated information about TV series and films inspired by Tolkien's literary creations as well as a discussion guide designed to keep the conversation going.

The Emperor of Any Place Tim Wynne-Jones, 2015-10-13
The ghosts of war reverberate across the generations in a riveting, time-shifting story within a story from acclaimed thriller writer Tim Wynne-Jones. When Evan's father dies suddenly, Evan finds a hand-bound yellow book on his desk—a book his dad had been reading when he passed away. The book is the diary of a Japanese soldier stranded on a small Pacific island in WWII. Why was his father reading it? What is in this account that Evan's grandfather, whom Evan has never met before, fears so much that he will do anything to prevent its being seen? And what could this possibly mean for Evan? In a pulse-quickenning mystery evoking the elusiveness of truth and the endurance of wars passed from father to son, this engrossing novel is a suspenseful, at times terrifying read from award-winning author Tim Wynne-Jones.

Dancing Shadows Of Bali Angela Hobart, 2013-01-11 First published in 1987. This book began in Bali during 1970-72, during the author's Ph.D. research on the shadow theatre for the School of Oriental and African Studies in London. However, two subsequent trips to Bali in 1980 and 1984, when I studied other forms of dance-drama and ritual, greatly contributed to the work. The shadow theatre in Bali is described and its place in the society and culture explored. It is so called, as during the night

performance puppets cast vibrant shadows against a white cotton screen which is illuminated by a flickering coconut-oil lamp.

The Making of Middle-Earth Christopher A.

Snyder,2013-10-22 This study “adds an important voice to the growing body of Tolkien scholarship,” covering the author’s life, influences, and original mythology (The Boston Globe). J. R. R. Tolkien’s epic fantasy adventure, The Lord of the Rings, is universally regarded as one of history’s best-loved literary works. Now medieval scholar and Tolkien expert Christopher Snyder presents the most in-depth exploration yet of Tolkien’s source materials for Middle-earth—from the languages, poetry, and mythology of medieval Europe and ancient Greece to the halls of Oxford and the battlefields of World War I. Fueled by the author’s passion for all things Tolkien, this richly illustrated book also reveals the surprisingly pervasive influence of Tolkien’s timeless fantasies on modern culture.

The Ogre of Oglefort Eva Ibbotson,2011-08-18 Ivo the orphan, together with the Hag of Dribble, Ulf the Troll, and Brian the Wizard, sets out to save Princess Mirella from the dreaded Ogre of Oglefort. But when the rescuers arrive at the castle, they are shocked to find that the princess doesn't want to be saved; she wants the ogre to turn her into a bird so she can escape an arranged marriage. And the Ogre isn't nearly the fearsome creature he once was--in fact, he's rather depressed. Now the rescuers have a new goal: save Princess Mirella from her tyrannical royal family and help restore the Ogre and his castle to the fearsome (but fun) paradise it used to be.

Contours of African American Politics John F.

Knutson,2017-07-05 Contours of African American Politics chronicles the systematic study of African American politics and its subsequent recognition as an established field of scholarly inquiry. African American politics emanates from the demands of the prolonged struggle for black liberation and empowerment. Hence, the study of African American politics has sought to track,

codify, and analyze the struggle that has been mounted, and to understand the historic and changing political status of African Americans within American society. This two-volume set presents a selection of scholarship on African American politics as it appeared in *The National Political Science Review* from its initial launch in 1989 to the spring of 2009. Represented are contributions from some of the leading scholars of African American politics, who have helped to establish and sustain the field. The volumes are organized around themes that derive from the unfolding real-life drama of African American politics and its subsequent scholarly treatment. The result is a window into the political efforts that meld the historically disparate strands of black political expressions into a reconstructed and strategically nimble, electoral-based mass mobilization necessary for optimizing the impact of the African American vote. Sections in the volumes also chronicle the evolution of the National Conference of Black Political Scientists as a professional organization. The two volumes illuminate a pivotal epoch in black political empowerment and provide a context for the future of black politics.

Meditations with the Hopi Robert Boissiere, 1986-06-01 This is a story of creation and change, of prophecy and fulfillment in the world we all journey through--a world the Hopi call *koyaanisqatsi*, or world out of balance. A heartfelt and reverential view of the Hopi Way as seen by one of the few white men to have lived within this ancient culture, *Meditations with the Hopi* imparts to us the essence of the Hopi experience--from child's first cry to soul's departure, each transition celebrated in song and ritual.

The Ogre Book Steve Jackson, 2018-11-20 The best Ogre articles from *Space Gamer* and *Pyramid* (and some completely new stuff!) are collected in this edition of *The Ogre Book*. It includes 128 pages of fiction, variant rules, new units and scenarios, cartoons, and predictions about real future warfare . . . plus introductory material and an Ogre vignette by Steve

Jackson. This is a must for all Ogre fans.

A Motif-Index of Traditional Polynesian Narratives Bacil F. Kirtley, 2019-09-30 This reference work analyzes and classifies the story themes of Polynesian myths, tales, and legends according to an internationally employed system developed by Stith Thompson in his Motif Index of Folk-Literature (1955-1958). Thousands of tales, including those from almost all of the major original collections from the Polynesian area, have been examined and their thematic contents cataloged in this work. In his introduction, the author explains the concept of the motif as a basis for cataloging. He quotes from Professor Thompson's definition of a motif: "the smallest element in a tale having the power to persist in tradition," for example, gods, marvelous creatures, magic objects, and certain kinds of incidents. The author believes "the function of an index of motifs is to cite bibliographical sources of narratives containing these viable (often irreducible) story elements, and thus to provide the investigator of specific story ideas with comparative Information." The present work is an attempt to survey thoroughly the totality of Polynesian oral tradition and to indicate the distribution and relationships of narrative materials. Not since the publication of Roland B. Dixon's work on Oceanic mythology in 1916 has this been attempted. This index will be an invaluable reference tool for anyone doing research in Oceanic ethnology and folklore.

Mythmaker Anne E. Neimark, 2012-09-18 "Long before Harry Potter and J. K. Rowling, there were Gandalf, Bilbo Baggins, and J. R. R. Tolkien . . . This will bring the creator to vivid life" (Booklist). A philologist of world renown, a professor at Oxford, and the author of academic treatises, J.R.R. Tolkien was far more than a fantasy book writer. His lifelong fascination with medieval texts and languages gave him a unique vision and endless inspiration for his tales. His broad interests made possible his creation of faery worlds and entire races of beings, as well as the languages, cultures, and characters that make his

books as engaging today as they were fifty years ago. This clear and thoroughly researched biography of the creator of The Hobbit is accompanied by magical illustrations that recall the mystery of Tolkien's imaginary worlds. "Give[s] some interesting insight into the power Tolkien's work has had on people over the years."

—School Library Journal

Justice on Trial Koigi wa Wamwere,1997

J.R.R. Tolkien Encyclopedia Michael D.C. Drout,2006-11-06 A detailed work of reference and scholarship, this one volume Encyclopedia includes discussions of all the fundamental issues in Tolkien scholarship written by the leading scholars in the field. Coverage not only presents the most recent scholarship on J. R. R. Tolkien, but also introduces and explores the author and scholar's life and work within their historical and cultural contexts. Tolkien's fiction and his sources of influence are examined along with his artistic and academic achievements- including his translations of medieval texts- teaching posts, linguistic works, and the languages he created. The 550 alphabetically arranged entries fall within the following categories of topics: adaptations; art and illustrations; characters in Tolkien's work; critical history and scholarship; influence of Tolkien; languages; biography; literary sources; literature; creatures and peoples of Middle-earth; objects in Tolkien's work; places in Tolkien's work; reception of Tolkien; medieval scholars; scholarship by Tolkien; medieval literature; stylistic elements; themes in Tolkien's works; Theological/ philosophical concepts and philosophers; Tolkien's contemporary history and culture; works of literature.
