The White Tiger And Other Stories Ruskin

Bond,2016-10-17 'He was described as being the size of a bull-buffalo, with a belly that reached the ground and a white moon between his ears, true tokens of the man-eater, as every native of India knows. He was said to have the power of assuming different shapes and to lure his prey by the imitation of a human voice...' From 'The White Tiger' by Alice Perrin. Selected and edited by Ruskin Bond, this collection of eerie stories is sure to set your nerves racing. Read about an unconquerable, seemingly supernatural man-eater in 'The White Tiger'; The narrator's perilous journey in a dilapidated coach in 'The Phantom Coach'; Sherlock Holmes' investigation of how a speckled band and a whistle is connected to a mysterious death in 'The Adventure of the Speckled Band' and

Taoist Meditation Isabelle Robinet,1993-01-01
Isabelle Robinet's Taoist Meditation is the first and only scholarly study to discuss the ancient Mao-shan Taoist tradition of visionary meditation while, at the same time, helping to clarify the

little understood relationship among the early Taoist classics, the Buddhist tradition, and the later Taoist religion. Most importantly, Taoist Meditation is a pioneering study that fully and accurately describes the unique visionary cosmology, bodily symbolism, astral journeys, internal alchemy, meditational techniques, and ritual practices of the Mao-shan or Shang-chi'ing (Great Purity) movement--one of the most important foundational traditions making up the overall Taoist religion. This English version of Robinet's work is more than a simple translation. Taoist Meditation presents a significantly expanded edition of the original French text which includes up-to-date bibliographies of Robinet's work and other Western scholarship on Taoism, additional illustrations, and a newly compiled list of textual citations.

The Unlikely Detective H. A. Bryant, 2019-11-25 A recently discharged U.S. Marine (Matt Kelly) in the city of Tokyo starts a new life for himself. While enrolled at Sophia University (or Jochi Daigaku) Matt focuses on his passion for the study of kickboxing. One evening while Kelly is out bar-hopping in the Ginza area of Tokyo, he meets another American who is looking for his girlfriend named Mariko. One thing led to another and Kelly decides to help the American look for his girlfriend. Well, this unlikely situation pushes Kelly into a role he never anticipated, as a private detective. As he starts looking for this girlfriend, he falls into several more interesting or should I say dangerous situations that involve counterfeiting, smuggling, North Korean spies,

yakuza, a few killings, and an unusual love cult. Along the way, unbeknownst to Kelly, he gets involved with some of the women that work and play in the Japanese hostess bars and strip clubs that make up the unusual world of mizu shobai or the night time entertainment business of Japan.

Statecraft and Classical Learning Benjamin Elman, Martin Kern, 2009-10-12 Devoted to the ancient Chinese Classic Rituals of Zhou, this book presents a multi-faceted picture of the life of the text from its inception some two millennia ago to its modern political and scholarly discourse across East Asia.

Spirit Gwyneth Jones, 2021-04-13 As the sole survivor of a massacre, Bibi was only saved from a life as a concubine when Lady Nef, the General's wife, intervened, earning Bibi's undying loyalty. When a diplomatic mission turns sour, Bibi is

imprisoned with her saviour, and through her learns of the greatest treasure imaginable: an uninhabited, unspoiled, perfect planet. When Lady Nef dies and bequeaths Bibi her rank and power, Bibi steals Spirit, an instantaneous-transit space pod, and runs with nothing other than a set of coordinates. Twenty years after Lady Nef's capture, the Princess of Bois Dormant debuts in capital Speranza and dazzles high society. No-one could imagine this diamond of the Diaspora had an ulterior motive, forged in the darkness of a prison cell. But revenge isn't simple when more than one person pulled a trigger. Bibi must decide what's more important - personal vendettas, or uncovering a conspiracy that reaches far beyond just her. A twisty tale of murder, betrayal, and revenge served ice cold, the sequel to Gwyneth Jones' critically acclaimed Aleutians Trilogy, set in the same universe, is an epic story of intergalactic high society and the complex webs it weaves. Ride the White Tiger Roger William Clark, 1959 A fictional account of the experiences of the illustrator, Christopher Kim Clark, during the early part of the Korean War.

Graphic Borders Frederick Luis Aldama, Christopher González, 2016-04-12 From the influential work of Los Bros Hernandez in Love & Rockets, to comic strips and political cartoons, to traditional superheroes made nontraditional by means of racial and sexual identity (e.g., Miles Morales/Spider-Man), comics have become a vibrant medium to express Latino identity and culture.

Indeed, Latino fiction and nonfiction narratives are rapidly proliferating in graphic media as diverse and varied in form and content as is the whole of Latino culture today. *Graphic Borders* presents the most thorough exploration of comics by and about Latinos currently available. Thirteen essays and one interview by eminent and rising scholars of comics bring to life this exciting graphic genre that conveys the distinctive and wide-ranging experiences of Latinos in the United States. The contributors' exhilarating excavations delve into the following areas: comics created by Latinos that push the boundaries of generic conventions; Latino comic book author-artists who complicate issues of race and gender through their careful reconfigurations of the body; comic strips; Latino superheroes in mainstream comics; and the complex ways that Latino superheroes are created and consumed within larger popular cultural trends. Taken as a whole, the book unveils the resplendent riches of comics by and about Latinos and proves that there are no limits to the ways in which Latinos can be represented and imagined in the world of comics.

Crimson Death Laurell K. Hamilton, 2017-06-20 In her twenty-fifth adventure, vampire hunter and necromancer Anita Blake learns that evil is in the eye of the beholder... Anita has never seen Damian, her vampire servant, in such a state. The rising sun doesn't usher in the peaceful death that he desperately needs. Instead, he's being bombarded with violent nightmares and blood sweats. And now, with Damian at his most vulnerable, Anita needs him the most. The vampire

who created him, who subjected him to centuries of torture, might be losing control, allowing rogue vampires to run wild and break one of their kind's few strict taboos. Some say love is a great motivator, but hatred gets the job done, too. And when Anita joins forces with her friend Edward to stop the carnage, Damian will be at their side, even if it means traveling back to the land where all his nightmares spring from...a place that couldn't be less welcoming to a vampire, an assassin, and a necromancer: Ireland.

Ways to Paradise Michael Loewe, 2022-04-30 First published in 1979, in Ways to Paradise Michael Loewe, an internationally recognised authority on Han China, assesses a wealth of an archaeological evidence in an attempt to uncover the attitudes of the pre-Buddhist Chinese to matters relating to death and hereafter. Dr Loewe examines in particular three major subjects of Han art and iconography: a recently found silk painting from Central China dating from around 168 BC; the numerous bronze mirrors of the so-called TLV pattern that came into fashion at the beginning of the Christian era, and which are especially rich in cosmological symbolism; and the representations of the Queen Mother of the West which appear as a leading motif of Chinese art from perhaps a century later. These Dr Loewe sets within a framework of contemporary literature and historical incident to create a wonderfully vivid picture of religious life and thought in this early and fascinating period of Chinese history which was to contribute so much to later developments in Far Eastern Philosophy, religion

and art.
