How Not to Read Dan Wilbur,2012-09-04 The Last Stupid Book You'll Ever Need to Read Don't want to slog through lengthy old books like A Tale of Two Cities or The Giving Tree? Sick of being judged by your avid-reader "friends" who talk about books you've never heard of? Want to sound smarter without the strain of actually bettering yourself? Never fear. In How Not to Read, you'll find techniques to fake your way through literature so you never have to read another book—ever! Inside, you'll find: •Tips for getting through anything you have to read by reading faster: Just read every third word. (One Hundred Years of Solitude becomes "Many as the Colonel was, that when him ice." Wow! It's like a Gertrude Stein poem only more comprehensible!) •Entire genres summed up in a single page: Historical fiction becomes "Guess who else had sex: Hitler!" •Literary insults to make yourself seem smarter: "The only thing sadder than you is a Joycean epiphany!" "You're as weak as a passive sentence written in negative form. And probably not considered by anyone to be worth more than an adverb." It's time to stop fearing those people who keep bringing up Ayn Rand. How Not to Read is here to liberate the world from ever needing to read a book again.

*Wilbur's Adventure* E. B. White,2007-12-26 Relates the experiences of Wilbur the pig when a goose hears that he is bored and encourages him to experience freedom outside his fence.

*A Day with Wilbur Robinson* William Joyce,2017-04-25 While spending the day in the Robinson household, Wilbur's best friend Lewis helps search for Grandfather Robinson's missing false teeth in this classic picture book from William Joyce that inspired the Disney animated sci-fi comedy, Meet the Robinsons! No need to knock, just step right in. You're just in time to two-step with Grandfather Robinson and his dancing frog band. Cousin Laszlo is demonstrating his new antigravity device. And Uncle Art's flying saucer is parked out back. It seems like all the Robinson relatives are here, so be prepared. And keep your head down...Uncle Gaston is testing out the family cannon. Oh, and watch where you sit, Grandpa's lost his teeth again. Welcome to the Robinson's.

*Hello, Wilbur!* Lute Olson,2007-08 The Arizona Wildcats mascot Wilbur the Wildcat has plenty of fun on the day of a Wildcat home game.

*Wilbur's Song* Robert A. Tinney Sr.,2014-02-20 Wilbur's Song is the story of Wilbur, a young, yellow canary who cannot sing at all. By a series of unfortunate events, he is trapped by a great falcon named Franco and is prevented from migrating south for the winter with his family. He is all alone to spend the freezing winter in the Town of Courage. He is befriended by a 13 year old girl and her four siblings, who take him into their home for the winter. Wilbur soon meets the family's Rottweiler Achoo who is old and weak. Wilbur brings the dog back to life as they go through adventures together. Achoo teaches Wilbur how to connect his heart to his song. Wilbur's Song was originally called Wilbur the Yellow Bird. A story the author had made up to tell his oldest daughter Amanda. Soon they were joined by Samantha, Bobby, Sadi and Cody. The author added all the kids into the story and their Family Rottweiler. As the children grew up together, Wilbur was their most requested story. Wilbur's Song is dedicated to the children, the great black and tan dog and the little yellow imaginary bird that tied it all together and touched their hearts.

*Poems Of Richard Wilbur* Richard Wilbur,2012-12-11 This collection includes Advice to a Prophet and Other Poems, Things of This World, Ceremony and Other Poems, and The Beautiful Changes and Other Poems. Wilbur's Story Lany Williams,2008-08-30 Wilbur is just ten weeks old when his new owner brings him home from the local animal shelter. Life is different in the suburbs for this little orange tiger-striped kitten. With his narrow chin, flat head, and pointy ears, he looks and feels a bit devilish. And he doesn't appreciate being named after a pig. Told from the perspective of this mischievous feline, Wilbur's Story follows the tales and

adventures of Wilbur as he settles into life with author Lany Williams. From getting hit by a truck and fighting with other cats, Wilbur suffers through many medical emergencies. Life with this cat is never dull as he leaves gifts of dead and not-so-dead mice and meets up with other local wildlife in his own backyard. Follow Wilbur's amusing anecdotes as he meets his first coyote, experiences his first flood, and moves into a new home. Although a bit naughty at times, Wilbur earns the love and affection and becomes a cherished pet and friend for life.

*Conversations with Richard Wilbur* Richard Wilbur,1990 With wit, charm, and grace the interviews in this collection demonstrate what readers of Wilbur's poems long have suspected: that this former U.S. poet laureate is no less persuasive and forceful in extemporaneous speech than he is in verse and prose. Wilbur proves as enlightening and thought-provoking with student reporters from Amherst College, his alma mater, as with journalists for THE PARIS REVIEW, displaying the same dazzling talents that garnered him the Pulitzer Prize in 1957 and again thirty years later. Opinionated yet ever-charitable, he presents the case for rhyme and meter in a dozen different ways in just as many interviews. He expresses a degree of admiration for poetic opposites such as Allen Ginsberg and addresses the objections of his critics. Wilbur's comments and keen insights on his coevals and his craft read as articulately as fine prose. His observations never fail to stimulate or to challenge.

*Willis Wilbur Wows the World* Lindsey Leavitt,2022-03-29 Willis Wilbur has the entire summer in front of him. So it's time to fulfill his destiny: becoming the neighborhood life coach. Nine-year-old Willis Wilbur had his summer figured out. He and his best friend, Shelley, were going to Band Camp, and he was going to learn how to play the sousaphone. Easy. Simple. A done deal. But when Shelley is whisked off to Hawaii for a summer with her family, Willis is left staring down the long, boring road of an empty summer. Or even worse--eight long weeks of Day Camp. So Willis decides to try something new. He's going to MAKE A DATE WITH DESTINY. And after spotting a flyer for a local business competition, he finds exactly what his true calling really is: becoming the Neighborhood Life Coach. A kid helping other kids with kids' problems. His niche, he discovers. And he was going to be great at it. The best at it. So good, that he was going to become wildly, ridiculously famous. All he needed were some clients... With gumption, tenacity, and many other buzzwords he finds in self-help business magazines, Willis dives bowtie-first into the entrepreneurial waters. But starting a business alone, especially without his best friend by his side, is tough work. And with neighborhood bullies getting in his way, a guinea pig client who's actually a guinea pig, and an annoyingly competent little sister asking for a raise, Willis has his work cut out for him. Funny, heartfelt, and overwhelmingly endearing, Willis Wilbur is here to make all of your (well, his) dreams come true. (For a small fee.)
