Williams Pamela Cockerill,Virginia Williams,2018-01-31 Frank Williams' team was on the verge of winning the Formula One World Championship for the third time when his life was turned upside down. The racing car constructor was on his way to Nice Airport on a spring afternoon in 1986 when he lost control of his car, suffering horrific injuries in a crash that left him a quadriplegic. For his wife, Ginny, the accident meant taking on new and unwanted roles as head of the household and family decision-maker, while also struggling to overcome the anger and grief she felt after the accident. In *A Different Kind of Life*, Ginny tells her story with honesty and humor, set against the glamorous backdrop of Formula One racing. She documents life before and after the devastating accident – from falling in love with Frank at first sight to learning how to cope with his needs after he became severely disabled but remained fiercely independent. A testament to the power of compassion and perseverance, *A Different Kind of Life* is a moving and inspirational story.

Williams Sisters: A Biography of Venus and Serena Williams Grace Williams,2012-02-24 ABOUT THE BOOK Venus and Serena Williams took the world by storm when they burst onto the tennis scene in the 1990s. Their rise stardom marked the realization of their father's dream. Richard Williams had dreamt his daughters would be professional tennis players, even before they were born. We could probably could imagined what his wife thought when he ran into the room and said to her, "Let's have kids and make them tennis players," especially when she wasn't even pregnant with them yet, from what he told Newsweek. Even when the Williams sisters were just under 5 years old, Mr. Williams recognized his daughters' raw talent. It took sheer determination and dedication from his little princesses to will them into tennis. Even though he didn't quite know how he was going to teach them, he knew he had to start somewhere. MEET THE AUTHOR Grace C. Williams is the Vice-President on the Board of Directors of GuidingLight. Growing up, her family always strongly believed in working in the community and giving back which is why she is also on the Board of Directors of RMSC Foundation in South Carolina. Ms. Williams studied at Troy State University where she holds a Bachelors degree in Communication Studies and working on her a Masters Degree at University of Maryland University College with a concentration on Public Relations. Ms. Williams has worked with nonprofit organizations for over 15 years and started her own small consulting services, GAW Consulting in 2001. She is currently working on her own new nonprofit organization called "Servicing our Sisters(SOS)." EXCERPT FROM THE BOOK In 1997, Venus became the first unseeded U.S. Open women's finalist in the Open era. She lost to Martina Hingis. In 2000, Williams won both Wimbledon and the U.S. Open, paving the way for her to get a \$40 million contract with Reebok. Venus then went out and defended her titles. At the 2000 Olympic Games, in Sydney, Australia, Williams captured the gold medal in the singles competition, and then took a second one with Serena in the doubles event. In recent years, Venus has struggled with injuries - she competed in only a handful of tournaments in 2006 - but returned in 2007, winning the singles title at Wimbledon. She repeated the victory a year later when she defeated Serena for a fifth career Wimbledon championship, placing her fifth all-time in women's Wimbledon singles championships. A few months later, the Williams sisters teamed up to capture the doubles title at the 2008 Beijing Olympics. Buy a copy to keep reading!

Serena Williams Gerry Boehme,2017-07-15 Tennis is one of the few sports that have allowed women to display their athletic talents for a period of decades. Williams Maurice Hamilton,2012-04-24 A story of true drive – now the topic of a major documentary Founded in 1977 by Sir Frank Williams and Patrick Head, Williams F1 represents the last of the true independent teams; a company devoid of corporate dogma and run by enthusiasts driven by a love of racing and the satisfaction that comes with beating the rest of the world. Since its first Grand Prix victory at Silverstone on 14 July 1979, the team has won a further 116 GPs, delivered seven World Champions - among them Nigel Mansell and Damon Hill - and won nine Constructors Championships. This is the definitive history of the Williams team as told by those who have worked for Williams past and present. At the heart of the book are Sir Frank's personal recollections, along with memories and anecdotes from those at every level: from the shop floor to the upper strata of management; from the mechanics and machinists to the drivers - Mansell, Hill, Alain Prost and Alan Jones among them. It relates both the incredible highs of winning against the odds while never shying the terrible lows - the tragic deaths of Piers Courage in 1970 and Ayrton Senna in 1994 among them. Conveying the history and soul of a unique band of people, Williams F1 explains exactly why the Williams team is held in more affection than any other team in Britain, if not the world.
