Will-o'-the-Wisps: A Poetry Collection Giada

Nizzoli,2020-01-07 will-o?-the-wisp, noun: 1. folkloristic phantom light hovering in the wilderness, often luring travellers away from the path 2. something that keeps disappearing or is impossible to reach and catch 3. glimpse of magic in real life. This illustrated poetry collection combines everyday imagery, fairy tales, literary homages, pop culture references, metaphors and synaesthesia to deal with a variety of themes such as love, heartbreak, mental illness, recovery, nature, life in a big city, society, and much more. It includes ballads, haikus, a sonnet, free form and everything in-between. Just like the will-o?-the-wisps found in folklore and travellers' tales, this poetry collection will transport you to a world that seems just like ours and yet feels slightly different, because the veil between thoughts and physical places is thinning. And so is the one between everyday life and magic.

The Lights of Prague Nicole Jarvis,2021-05-18 For readers of

VE Schwab and *The Witcher*, science and magic clash in atmospheric gaslight-era Prague. In the quiet streets of Prague all manner of otherworldly creatures lurk in the shadows. Unbeknownst to its citizens, their only hope against the tide of predators are the dauntless lamplighters - a secret elite of monster hunters whose light staves off the darkness each night. Domek Myska leads a life teeming with fraught encounters with the worst kind of evil: pijavica, bloodthirsty and soulless vampiric creatures. Despite this, Domek finds solace in his moments spent in the company of his friend, the clever and beautiful Lady Ora Fischer - a widow with secrets of her own. When Domek finds himself stalked by the spirit of the White Lady - a ghost who haunts the baroque halls of Prague castle - he stumbles across the sentient essence of a will-o'-the-wisp captured in a mysterious container. Now, as its bearer, Domek wields its power, but the wisp, known for leading travellers to their deaths, will not be so easily controlled. After discovering a conspiracy amongst the pijavice that could see them unleash terror on the daylight world, Domek finds himself in a race against those who aim to twist alchemical science for their own dangerous gain.

The Monsters Know What They're Doing Keith Ammann, 2019-10-29 From the creator of the popular blog *The Monsters Know What They're Doing* comes a compilation of villainous battle plans for *Dungeon Masters*. In the course of a *Dungeons & Dragons* game, a *Dungeon Master* has to make one decision after another in response to player behavior—and the better the players, the more unpredictable their behavior! It's easy for even an experienced DM to get bogged down in on-the-spot decision-making or to let combat devolve into a boring slugfest, with enemies running directly at the player characters and biting, bashing, and slashing away. In *The Monsters Know What They're Doing*, Keith Ammann lightens the DM's burden by helping you understand your monsters' abilities and develop battle plans before your fifth edition D&D game session begins. Just as soldiers don't whip out their field manuals for the first time when they're already under fire, a DM shouldn't wait until the PCs have just encountered a dozen bullywugs to figure out how they advance, fight, and retreat. Easy to read and apply, *The Monsters Know What They're Doing* is essential reading for every DM.

Ring of Bright Water Gavin Maxwell, 2016-04-15 This volume weaves together the Scottish otter stories from Gavin Maxwell's three non-fiction books, *Ring of Bright Water* (1960), *The Rocks Remain* (1963), and *Raven Meet Thy Brother* (1969). Maxwell was both an extraordinarily evocative writer and a highly unusual man.

While touring the Iraqi marshes, he was captivated by an otter and became a devoted advocate of and spokesman for the species. He moved to a remote house in the Scottish highlands, co-habiting there with three otters and living an idyllic and isolated life – at least for a while. Fate, fame, and fire conspired against this paradise, and it, too, came to an end, though the journey was filled with incident and wonder. Maxwell was also talented as an artist, and his sinuous line drawings of these amphibious and engaging creatures, and the homes they occupied, illustrate his story. This book stands as a lasting tribute to a man, his work, and his passion. It was received and has endured as a classic for its portrait not only of otters but also of a man who endured heartaches and disappointments, whose life embodied both greatness and tragedy. He writes with rare eloquence about his birth, his devotion to the beloved Scottish highlands, and the wildlife he loved, while refusing to ignore the darker aspects of his nature and of nature in its larger sense.

The Will-o'-the-Wisps Are in Town Hans Christian Andersen, 2020-11-18 Once upon a time there was a man who knew how to tell stories better than anyone – until the day he knew no more. Even though he spent the whole day looking for stories, he still had no story to tell when he came home in the evening. But another discovery allowed him to meet someone who could perhaps help him! Hans Christian Andersen (1805-1875) was a Danish author, poet and artist. Celebrated for children's literature, his most cherished fairy tales include *The Emperor's New Clothes*, *The Little Mermaid*, *The Nightingale*, *The Steadfast Tin Soldier*, *The Snow Queen*, *The Ugly Duckling* and *The Little Match Girl*. His books have been translated into every living language, and today there is no child or adult that has not met Andersen's whimsical characters. His fairy tales have been adapted to stage and screen countless times, most notably by Disney with the animated films *The Little Mermaid* in 1989 and *Frozen*, which is loosely based on *The Snow Queen*, in 2013.

Thanks to Andersen's contribution to children's literature, his birth date, April 2, is celebrated as International Children's Book Day.

A Sprinkle of Sorcery Michelle Harrison, 2021-08-17 This sequel to *A Pinch of Magic* is another spellbinding sisterly adventure, this time with a haunted shipwreck, a fierce pirate, and, of course, a little magic! The family curse has been lifted, and the Widdershins sisters—Betty, Fliss, and Charlie—are free to leave the misty prison isle of Crowstone. But when a mysterious girl arrives at their inn accompanied by a will-o'-the-wisp, or ghost, it seems another adventure has landed on their doorstep. The stranger, named Willow, is an escaped prisoner from nearby Lament, desperate to clear her father's name before he's executed for a crime he didn't commit. Then Charlie is kidnapped by poachers, swept away on a dangerous mission in search of pirate treasure that's protected by a vengeful ghost. Betty, Fliss, and Willow pile into their trusty boat and embark on another incredible adventure, one that involves ghosts, fierce pirates, and a journey to a mythic island that exists only in legends. Can they save their sister—and themselves—once more?

The Fire Within Pierre Drieu La Rochelle, 2023-12-05 Adapted to film by both Louis Malle and Joachim Trier, this heart-rending and tenderly wrought novel narrates the decline of an artist and heroin addict in 1920s Paris. Pierre Drieu la Rochelle might be said to be both the Hemingway and the Fitzgerald of twentieth-century French literature, a battle-scarred veteran of the First World War whose work chronicles the trials and tribulations of a lost generation, a man about town, a heartbreaker with a broken heart, a literary stylist whose work is as tough as it is lyrical and polished. Politically compromised as Drieu came to be by his affiliation with the fascist right and collaboration under Nazi occupation—Drieu committed suicide at the end of the war—his novels remain vivid reflections of a broken spiritual and political world of the interwar years and as works of art, and to this day they are widely read and greatly admired in France. *The Fire Within*, which has been

successfully adapted to the screen by Louis Malle and more recently Joachim Trier, is the lacerating tale of Alain Leroy, a war veteran and beautiful young man of whom the world is expected but who has taken refuge from the world in drugs. After being institutionalized, Alain emerges to try to put his life together again, but in spite of the attentions of friends and lovers, he struggles to find his way.

Preparing for the Obon ceremony is boring. Then the local kids take interest in Saki and she sees an opportunity for some fun, even if it means disrespecting her family's ancestral shrine on a malicious dare. But as Saki rings the sacred bell, the darkness shifts. A death curse has been invoked...and Saki has three nights to undo it. With the help of three spirit guides and some unexpected friends, Saki must prove her worth—or say goodbye to the world of the living forever... *The Night Parade* is perfect for: Fantasy fans and kids 11 to 14 who love *Spirited Away* Kids and teens looking for creepy, suspenseful stories Adults looking for diverse books for kids Mythology fans and kids 12 to 14 A 2017 Bank Street Best Children's Book of the Year A Kids' Indie Next Pick A Junior Library Guild Selection A 2017 Freeman Book Award Winner

The Fifolet Johnette Downing, 2022-09-30 Louisiana Writer Award recipient Johnette Downing takes readers deep into the swamp under the pale moonlight for this Cajun Will-O'-The-Wisp tale that will give you a fright. The Fifolet, also known as the Feufollet, is a dancing blue flame that you never want to cross. It will tease you and coax you and draw you near, but all the Cajuns know that you better beware. No matter what the warnings, it is hard to resist because wherever you see it, treasures exist.

Jennifer Lindsley's fluid watercolor illustrations evoke the atmosphere of the bayou-cypress trees, swamp, creatures, and bubbling water touched by moonlight. Find out what happens to fisherman Jean-Paul Pierre when he ignores the warnings to NEVER follow a dancing blue spark in this delightfully eerie folktale for children. Johnette Downing is a musician and the author of thirty books and twelve recordings for children. Called the Pied Piper of Louisiana Music Traditions and the Cajun Raffi by the media, Johnette has received dozens of awards and has performed on five continents. Jennifer Lindsley is a Louisiana-based artist and illustrator who received her Associate of Arts in Acting degree from the American Academy of Dramatic Arts in Los Angeles, California, and her Bachelor of Arts in Design Technology degree from the University of Northern Colorado. She is an art instructor in New Orleans, Louisiana, where she resides. The Fifolet is a great, spooky story steeped in Cajun folklore but told in typical Johnette Downing fashion-just silly enough to not give you nightmares. - Bree Sargent, Education Director, Acadiana Arts Center.

Jack Draws Anything Jack Henderson, 2011-10-04 After a family friend bought one of his drawings for 20p, six-year-old Jack came up with the idea to draw anything in return for donations to the hospital that treats his two-year-old brother. His parents set up a website and thought they might make £100. After two weeks, Jack had over 500 picture requests and had raised over £22,000 for the Sick Kids Friends Foundation. Parents Ed and Rose with Jack, Toby and Noah appeared on the Fern Britton Show and Jack's project was featured on Russell Howard's Good News four times. Coverage by STV news, BBC news, and CBBC Newsround have all helped spread the word about this creative and generous little boy. Jack is slowly but steadily drawing the requested pictures which range from a dinosaur diving into a pool of jelly (#1) to my (extremely bald) friend Brian dancing like a crazy man (#80). He doesn't draw every day, only when he wants to, and his parents estimate that he'll finish at the end of August. For the latest

drawings, or to make a donation yourself, visit jackdrawsanything.com.
