The Last Stand David Harris,1997 Harris, the author of *Our War, Dreams Die Hard* and *The League* presents the struggle to save one of the largest privately held old-growth redwood forests in the world.

Showdown at St. Andrew's Phil Porter,2004-09 In a small, rural parish in the Midwest during the late 1950s, Father John Donohue is eager to make an impact at his first assignment. His work proves to be so challenging, however, that he begins to question his ability and purpose. In the midst of mounting confusion, there is a showdown with God one quiet afternoon in the school gymnasiumâa showdown that strengthens his commitment and his assurance of God's love. Father John then finds the resolve to follow his heart. At the same time, he has to deal with some painful consequences of his decision. He takes himself out of the running for more prestigious grooming within the diocese and instead accepts reassignment to a rugged mission outpost. Yet, for Father John, this is just the opportunity he seeks to truly live out his purpose to serve God.

Still Life in Harlem Eddy L. Harris,2014-11-18 A New York Times Notable Book A deeply affecting memoir, *Still Life in Harlem* is Eddy L. Harris's insightful look at a neighborhood - both real and metaphorical. He reveals the magic of Harlem, as it becomes home and spirit in his masterful hands. Through his keen perceptions we enter the images and passions Harlem has always conjured, coming to understand its significance to those who live there and to those who only yearn to come to it. Unforgettably moving, this book chronicles how the world we know as Harlem came to be - from its pastoral days as a New York suburb to its days as the mecca of the black universe to its decline into a symbol of urban despair. Harris is torn over what this community has become and remorseful for having abandoned it. Lured back by Harlem's enchanting whispers in the ear of his imaginings, he returns in reverie. With amazing emotional depth and candor, he explores issues of identity through Harlem's sturdy people - folks with eyes dimmed from too few chances and with life worries burdensome enough to bend backs. He also examines his taut relationship with his father, juxtaposing a generation that aspired to do everything in its power to ensure that their sons and daughters would enjoy a better life against a recent generation cornered by resignation and surrender. Through it all, in what can be seen as only a stretch toward grace, Harris discovers his need for Harlem and Harlem's need for him, locating the life in this rich community that still harbors the embers of hope.

Praise for the Author Publishers Weekly: 'Readers will be relishing the subtle beauty of the author's prose.' Royal Court Theatre: 'Flair and control, tension and energy, as well as poeticism.' Melanesians and Missionaries Darrell L. Whiteman, 2002-05-10 'In *Melanesians and Missionaries*', one of the best of the younger generation of missionary anthropologists demonstrates that a commitment to the missionary enterprise on the part of a solid scholar facilitates, rather than hinders, the anthropological study of a missionary topic. This is better anthropology because Dr. Whiteman is able to probe more deeply into his topic and demonstrates that he understands and appreciates both Melanesians and missionaries. Charles H. Poverty Politics Sarah Robertson, 2019-08-23 Representations of southern poor whites have long shifted between romanticization and demonization. At worst, poor southern whites are aligned with racism, bigotry, and right-wing extremism, and, at best, regarded as the passive victims of wider, socioeconomic policies. In *Poverty Politics: Poor Whites in Contemporary Southern Writing*, author Sarah Robertson pushes beyond these stereotypes and explores the impact of neoliberalism and welfare reform on depictions of poverty. Robertson examines representations of southern poor whites across various types of literature, including travel writing, photo-narratives, life-writing, and eco-literature, and reveals a common interest in communitarianism that crosses the boundaries of the US South and regionalism, moving past ideas about the culture of poverty to examine the economics of poverty. Included are critical examinations of the writings of southern writers such as Dorothy Allison, Rick Bragg, Barbara Kingsolver, Tim McLaurin, Toni Morrison, and Ann Pancake. *Poverty Politics* includes critical engagement with identity politics as well as reflections on issues including Hurricane Katrina, the 2008 financial crisis, and mountaintop removal. Robertson interrogates the presumed opposition between the Global North and the Global South and engages with microregions through case studies on Appalachian photo-narratives and eco-literature. Importantly, she focuses not merely on representations of southern poor whites, but also on writing that calls for alternative ways of reconceptualizing not just the poor, but societal measures of time, value, and worth.

Ascendance of a Bookworm: Part 3 Volume 1 Miya Kazuki, 2020-08-12 Following a disastrous encounter with a noble, Myne finally resolves to say goodbye to her family and friends in the lower city, changing her name to "Rozemyne" and beginning her new life as the adopted daughter of Ehrenfest's archduke. However, her days as an archnoble in noble society are brutal, as she is put through rigorous etiquette and magic training on top of her duties as High Bishop and forewoman. It all proves too much for a weak little seven-year-old girl... Or it would have, had the High Priest not offered her the keys to the temple's book room as a reward. If she could get her hands on those, she'd be able to read all sorts of precious books! Her name may have changed, but Rozemyne's passion for

books remains the same as she charges into a whole new world! The detailed setting expands as the printing industry grows in size. Here begins Part 3 of this bibliofantasy for book lovers everywhere!
