Pathos of a Wilting Rose Ejine Okoroafor-Ezediaro,2008-06-25 Pathos of a Wilting Rose is a heart rendering tale and lucid portrait of our contemporary society. Nkiru Ubaka thought she had it all, a very promising future, affluent parents and lovable fiancé until the rug was suddenly swung from beneath her feet and she tumbles into a free fall. This book traces her spellbindingly transition from a once confident damsel through a devastating interlude that threatens to shatter her strong spirit. This is the much awaited and riveting sequel to highly acclaimed 'A Rose in Bloom'. It also offers both permanence and an astounding insight into some of the characters portrayed in its prequel. In as much as these two books are intertwined, they are also separate entities. Pathos of a wilting Rose is an easy book to grasp even if you haven't read the first.

A Wilting Rose Jessica Jeffries,2010-01 My parents died when I was an infant. They were murdered. My aunt and uncle raised me. They loved me and I them. It'd been 20 years since the witch trials that scarred Salem and I could think less of it all. I was 16 and falling in love. My heart seemed to skip a beat every time John looked at me. And then his brother died and I, unknowingly brought him back. My happy existence wilts in the heat of supernatural flames as I realize what I am. When I'm cut, in an instant I heal. I bring people back from the dead by willing it so with my touch. I'm not human, but I am NOT a witch. The lives of everyone I hold dear are at risk because of what I am and what my parents were. What happens when their murderer comes back in search of me?

Wilting Rose Anoushka Jain,2017-04-21 July 2nd 2016 WASHINGTON DC: Senator Abraham Salvadors presidential campaign is brought to a halt by the disappearance of his daughter and grandchildren. FAIRFAX, VIRGINIA: Elite Team Captain Elizabeth Ronin finds herself stuck in a political conspiracy, trapped in a race against time. With time running short and bodies piling, Elizabeth now needs to choose between the safety of her loved ones and her duty

A Wilted Rose Nedac Dasadi,2019-08-10 Who is Florence Benet? She asks herself the same question. Some say, she is like a rose. Roses will bloom wherever they please, grow to different lengths, and be an assortment of different colors. All unique, all different in some way. They do not conform to standards, they do not do what they are told. But most people don't stop to look at the roses that all look the same, they look at the ones that stand out. The ones that were born different. People will turn and look, even if the flower doesn't want them to, because the flower has no say in what other people do, just like it has no say in what it will be.

War of the Wilted Amber Mitchell,2018-10-01 Like flowers denied water, people are wilting under the emperor's tyranny. Rose will not rest until the Gardener is dead. But there are bigger battles to fight, and Rayce—leader of the rebellion and the only man Rose has ever loved—believes their best chance at winning the war is to join forces with her sworn enemy. Saving innocent people is more important than her quest for revenge. But their new ally can't be trusted—and he knows her darkest secret. One betrayal could leave the war and Rayce's life hanging in the balance, and Rose will need to make the ultimate sacrifice to save them all. The Garden of Thorns series is best enjoyed in order. Book #1 Garden of Thorns Book #2 War of the Wilted

The Rat Eater Anand Ranganathan,Chitra Subramaniam,2019-11-18 'I was born on a bloody road. The blood was my mother's. My sisters couldn't find a midwife in time. There was no way my mother could get relief from the upper-caste well, and so they tell me, that my sisters ran to some puddles to fill their little mouths up and then ran back to where my mother was almost dying of pain and then spat out some water on her face and the rest down below on mine. That is how I came into this world.' Someone is disposing of politicians one by one. And the murderer has borrowed from the genius of Agatha Christie. When a local Mumbai politician is found wrapped in a plastic bag behind a park bench, the dashing and capable DIG Ajay Biswas is told to take over the case. Ajay arrives in Mumbai along with his wife Aparajita and soon discovers he is being misled by his Mumbai compatriots who are determined to save their own skin. Someone is deliberately providing false leads; his presence is not wanted. While in Mumbai, Ajay and Aparajita meet up with their old college friend Akhil Sukumar. Akhil and Aparajita have had a tortuous history, and it appears that the one-time lovers now want nothing more than to let bygones be bygones. Easier said. From the barren lands of rural India to the immaculate lawns of Cambridge, The Rat Eater is a book whose uninhibitedness may offend purists as it lays bare a few uncomfortable truths about India—a country entangled in a web of caste, corruption and cover-ups. The privileged flourish at the cost of the oppressed. The price has to be paid, and someone has decided that it needs to be paid in blood.

Rose Daughter Robin McKinley,2014-11-18 Award-winning author Robin McKinley tells an enthralling story of magic, love, and redemption, based on the classic tale of Beauty and the Beast. Once upon a time, a wealthy merchant had three daughters. When his business failed, he moved his daughters to the countryside. The youngest daughter, Beauty, is fascinated by the thorny stems of a mysterious plant that overwhelms their neglected cottage. She tends the plant until it blossoms with the most beautiful flowers the sisters have ever seen—roses. Admiring the roses, an old woman tells Beauty, “Roses are for love.” And she speaks of a sorcerers’ battle many years ago that left a beast in an enchanted palace, and a curse concerning a family of three sisters . . . The Newbery Medal–winning author’s charming retelling of the classic fairy tale weaves a tangled story of sorcery, loyalty, and love that is sure to cast a spell on readers.

The Wilted Rose Steve Chiovaro,2014-11-15 Set in Montana in 1908, The Wilted Rose tells the story of two young people whose lives intertwine in triumph and sadness. It begins with the selling of a young girl named Rose to a heartless madam and a boy named Cal violently rejected by his father. Anatomy Of A Rose Sharman Apt Russell,2009-04-24 In Anatomy of a Rose , Sharman Apt Russell eloquently unveils the inner life of flowers. From their diverse fragrances to their nasty deceptions, Russell proves that, where nature is concerned, wonder is not only our starting point, it can also be our destination. Throughout this botanical journey, she reveals that the science behind these intelligent plants-how they evolved, how they survive, how they heal-is even more awe-inspiring than their fleeting beauty. Russell helps us imagine what a field of snapdragons looks like to a honeybee, and she introduces us to flowers that regulate their own temperature, attract pollinating bats, even smell like a rotting corpse. She also delves into cutting-edge research on everything from flower senses to their healing power. Long used to ease everything from depression to childbirth, flowers are now our main line of defense against childhood leukemia and the deadly Ebola virus. In this poetic rumination, which combines graceful writing with a scientist's clarity, Russell brings together the work of botanists around the globe, and illuminates a world at once familiar and exotic.

A Time Ago Ashley Wells,2019-11-13 Sometimes people are just a few simple words. Some are as beautiful as a rose, others like a wilting flower. Some lead you out of the tunnel others leave you there. Some stab you in the back other watch you bleed. Some walk with you till the end of the road, others don't take the first step. Some say they are happy others hide it with a smile. Some apologize for their wrongs others keep it hidden. Some say they love you even if it's just a lie. Some people change your life others add more baggage to it. Some fall in love others don't.
