Winky's Colours Funbook Anita Kovacevic,2018-09-02 Winky is a little penguin who lives his life with a black&white family in nature filled with black, white and gray. All he dreams of are colours! So one day he decides to leave his home and go on an expedition to find colours. He will meet friends, face life-risking adventure and find more than he expected. This is a special funbook edition of the story *Winky's Colours*, prepared by the author who is also a teacher and a parent. Apart from the original story about Winky, this funbook is also filled with worksheets, riddles, colouring pages and wordgames, and all the illustrations are black&white. Have fun!

WINKY'S COLOURS Anita Kovacevic,2014-12-11 Winky is a little penguin who likes colours. Unfortunately, his polar home is all white and black, and none of his family or friends are interested in colours. So he sets off on an adventure to find colours. Like any adventure, Winky's quest is filled with perils, but also new friendships and perhaps a little bit more.

**Winkie** Clifford Chase,2012-02-16 After suffering decades of brutal neglect, Winkie, a mangy old teddy bear, realises that he can actually move. He jumps out the window, and takes to the forest. But just as he is discovering the joys and wonders of mobility, self-determination, even love, Winkie's luck ends. Discovered by the military, who instantly conclude that he is the evil mastermind behind dozens of terrorist attacks, Winkie is brought to trial. In this War against Terror the prosecution will stop at nothing to get a conviction. Scathingly funny, and not a little weird, Winkie brilliantly exposes the cruel absurdities of our age and explores what it means to be human in an increasingly barbaric world.

*Winky's Wonderful World of Shoes* Marjorie Edmondson Welker,2001 Take a joyous ride with Winky and his wonderful world of shoes and their history. Put on a pair of magic shoes and learn about shoes around the World. This children's book is educational, exciting, and fun to read!

**Winky, Blinky, and Snoozy** V.M. Payne,2022-03-09 Winky, Blinky, and Snoozy is a story about three baby squirrels rescued by two little boys, Scott Crouch, eight years old and his brother JB, six years old. They cared for them all summer before they let them go. Twenty years later, Scott's son, Scott 2, was born and Scott's sister had a son, Jacob. The author got the idea to write this story while reliving this summer to the sons of Scott and Ginger. Jacob took the story to school for share time. His teacher loved it and suggested to have it published. Now twenty years later, you have it.

Pops! A Tall Tale by Winky Rutherford Winky Rutherford,2019-04-26 My dad, Pops to his grandchildren, was sixty-two years old when he passed. He didn't die. Pops conquered life and went to the next level. My wife gave birth that same year. Our daughter was the first grandkid Pops would not get to meet. I felt weak. I couldn't find the right words to speak, until I stumbled on the forgotten tall tales from my youth. These were exaggerated stories written about folk-heroes like Davey Crocket and John Henry. When I wrote about Pops, using the humor I found in these tall tales, the weight was lifted. I was finally able to talk to my daughter about the loss of a loved one and she discovered her grandfather. Tall tales are written to provoke imagination. This is essential, especially today, with constant stimulation hampering the creative growth in children. A creative imagination is your boarding pass to worlds beyond reach. Do you have tall tales from your own family? Share them and discover that those we lost, may not be so far away after all!

Stinky Winky Bear Audrey Schlembach,2011-04 A tragic incident, the kidnapping of my son, Blaise, by his father in 2006 when he was only 2 years old led me to write this book. I had full custody of my son, in New Jersey at the time, while his father had supervised visitation due to a long history of domestic violence. It only took one time, with someone I thought I had trusted, and my whole world

was gone. Stinky Winky Bear came from the name of a song in which I had made up. I used to sing it to Blaise every night at bedtime. He loved that song which is why I decided to turn it into a children's book. I anticipate the day we may reunite and I can read it to him and that he may find comfort in knowing that this book was written just for him. With proceeds from this book I would like to open a Domestic Violence Awareness Center, here in Northeast Philadelphia, to make women aware of the dangers when planning to leave their domestic Violence perpetrator. With much awareness and preparedness, what happened to me may happen to fewer women.
