

Wise Men

Brent Landau

The Wise Men Walter Isaacson, Evan

Thomas, 1997-06-04 A captivating blend of personal biography and public drama, *The Wise Men* introduces the original best and brightest, leaders whose outsized personalities and actions brought order to postwar chaos: Averell Harriman, the freewheeling diplomat and Roosevelt's special envoy to Churchill and Stalin; Dean Acheson, the secretary of state who was more responsible for the Truman Doctrine than Truman and for the Marshall Plan than General Marshall; George Kennan, self-cast outsider and intellectual darling of the Washington elite; Robert Lovett, assistant secretary of war, undersecretary of state, and secretary of defense throughout the formative years of the Cold War; John McCloy, one of the nation's most influential private citizens; and Charles Bohlen, adroit diplomat and ambassador to the Soviet Union.

Were They Wise Men Or Kings? Joseph J.

Walsh, 2001-01-01 Christmas is a time of celebration, rich with ritual and detail. But more than just a season for angels and wrapping paper, Christmas has its own heritage which intersects in fascinating ways with human history and human beliefs, behaviors, and experiences. In this book of fifty Christmas questions, Joseph Walsh gives us the details behind Christmas traditions, such as Santa's origin and appearance, the story of Rudolph, holiday decorations and greenery, the nativity, Christmas tales, celebrations and rituals, gift-giving, and card-sending. He links contemporary practices and historical tradition,

explaining why, for instance, we kiss under the mistletoe, and describing the time when Christmas was responsible for a truce in World War I. In this illustrated book, readers will find answers to questions they've often asked and some they've never thought about.

Three Wise Men Beau Wise, Tom Sileo, 2021-01-12
From Beau Wise and Tom Sileo comes *Three Wise Men*, an incredible memoir of family, service and sacrifice by a Marine who lost both his brothers in combat—becoming the only Sole Survivor during the war in Afghanistan. Shortly after the 9/11 attacks, three brothers by blood became brothers in arms when each volunteered to defend their country. No military family has sacrificed more during the ensuing war, which has become the longest ever fought by America's armed forces. While serving in Afghanistan, US Navy SEAL veteran and CIA contractor Jeremy Wise was killed in an al Qaeda suicide bombing that devastated the US intelligence community. Less than three years later, US Army Green Beret sniper Ben Wise was fatally wounded after volunteering for a dangerous assignment during a firefight with the Taliban. Ben was posthumously awarded the Silver Star, while Jeremy received the Intelligence Star—one of the rarest awards bestowed by the U.S. government—and also a star on the CIA's Memorial Wall. United States Marine Corps combat veteran Beau Wise is the only known American service member to be pulled from the battlefield after losing two brothers in Afghanistan. Told in Beau's voice, *Three Wise Men* is an American family's historic true story of service and sacrifice.

Wise Men and Their Tales Elie Wiesel, 2009-01-16

In *Wise Men and Their Tales*, a master teacher gives us his fascinating insights into the lives of a wide range of biblical figures, Talmudic scholars, and Hasidic rabbis. The matriarch Sarah, fiercely guarding her son, Isaac, against the negative influence of his half-brother Ishmael; Samson, the solitary hero and protector of his people, whose singular weakness brought about his tragic end; Isaiah, caught in the middle of the struggle between God and man, his messages of anger and sorrow counterbalanced by his timeless, eloquent vision of a world at peace; the saintly Rabbi Yehoshua ben Levi, who by virtue of a lifetime of good deeds was permitted to enter heaven while still alive and who tried to ensure a similar fate for all humanity by stealing the sword of the Angel of Death. Elie Wiesel tells the stories of these and other men and women who have been sent by God to help us find the godliness within our own lives. And what interests him most about these people is their humanity, in all its glorious complexity. They get angry—at God for demanding so much, and at people, for doing so little. They make mistakes. They get frustrated. But through it all one constant remains—their love for the people they have been charged to teach and their devotion to the Supreme Being who has sent them. In these tales of battles won and lost, of exile and redemption, of despair and renewal, we learn not only by listening to what they have come to tell us, but by watching as they live lives that are both grounded in earthly reality and that soar upward to the heavens.

The Visit of the Wise Men Martha Jander, 2007
Through gentle verse and rich illustrations, children hear an accurate portrayal of the Magi, dispelling misunderstandings that put three Wise Men at Jesus's birthplace.

The Wise Men and the Star Dean G. Miller, 2019-04-08 The story of the Wise Men in Matthew's Gospel has always been an enigma. The only three important terms in that tale—"wise men," "star," and "east"—are all lost in obscurity, rendering it useless as a record. For this reason, many scholars consider it just another miracle story of the kind that surrounded other ancient heroes. But what if a piece of information was missing whose recovery would make it as clear today as it was to the original readers? In *The Wise Men and the Star*, Dr. Miller explains how he uncovered that missing piece, which then revealed who the Wise Men were, the location of the East when they arrived in Bethlehem, and what was the star they saw.

Wise Men Stuart Nadler, 2013-02-05 Almost overnight, Arthur Wise has become one of the wealthiest and most powerful attorneys in America. His first big purchase is a simple beach house in a place called Bluepoint, a town on the far edge of the flexed arm of Cape Cod. It's in Bluepoint, during the summer of 1952, that Arthur's teenage son, Hilly, makes friends with Lem Dawson, a black man whose job it is to take care of the house but whose responsibilities quickly grow. When Hilly finds himself falling for Lem's niece, Savannah, his affection for her collides with his father's dark secrets. The results shatter his family, and

hers. Years later, haunted by his memories of that summer, Hilly sets out to find Savannah, in an attempt to right the wrongs he helped set in motion. But can his guilt, and his good intentions, overcome the forces of history, family, and identity? A beautifully told multigenerational story about love and regret, *Wise Men* confirms that Stuart Nadler is one of the most exciting young writers at work today

The Wise Men Journey Searching for the King

Lynette Meintjes, Emily vandenHeever, 2018-06-25 The *Wise Men Journey* is an invitation to guide your family, for twenty-five days, in discovering the hidden treasures in the Word of God. John 1:9 says: The One who is the true light, who gives light to everyone, was coming into the world. How incredibly amazing, to know that the King of Heaven came into the world so that you can know Him because you are valuable in His eyes. Love came down from Heaven at Christmas, to find His resting place in the hearts of all mankind. This is a Christmas love story you don't want to miss. Through creative story telling of the Christmas Bible story, short devotions for interaction and prayer, you can guide your family on a joyful journey filled with new excitement. Join the wise men every evening as a family on this twenty-five-day journey, searching for The King.

The Four Wise Men Michel Tournier, 1997-09-24

This may be more than a novel of high achievement, in fact; it may be the best work so far of a truly daring writer.—America Displaying his characteristic penchant for the macabre, the tender and the comic, Michael Tournier presents

the traditional Magi describing their personal odysseys to Bethlehem—and audaciously imagines a fourth, the eternal latecomer' whose story of hardship and redemption is the most moving and instructive of all. Prince of Mangalore and son of an Indian maharajah, Taor has tasted an exquisite confection, rachat loukoum, and is so taken by the flavor that he sets out to recover the recipe. His quest takes him across Western Asia and finally lands him in Sodom, where he is imprisoned in a salt mine. There, this fourth wise man learns the recipe from a fellow prisoner, and learns of the existence and meaning of Jesus.

Mystery of the Magi Dwight

Longenecker, 2017-11-06 The perfect Christmas gift for anyone interested in the historical background behind the birth of Jesus of Nazareth. – Robert J. Hutchinson, author of *The Politically Incorrect Guide to the Bible*, *The Dawn of Christianity*, and *Searching for Jesus*. Utterly refreshing and encouraging. – Eric Metaxas, New York Times bestselling author of *Bonhoeffer: Pastor, Martyr, Prophet, Spy* and *Martin Luther* The best book I know about the Magi. – Sir Colin John Humphreys, Ph.D., author of *The Mystery of the Last Supper* Modern biblical scholars tend to dismiss the Christmas story of the “wise men from the East” as pious legend. Matthew’s gospel offers few details, but imaginative Christians filled out the story early on, giving us the three kings guided by a magical star who join the adoring shepherds in every Christmas crèche. For many scholars, then, there is no reason to take the gospel story seriously. But are they right? Are the wise men no

more than a poetic fancy? In an astonishing feat of detective work, Dwight Longenecker makes a powerful case that the visit of the Magi to Bethlehem really happened. Piecing together the evidence from biblical studies, history, archeology, and astronomy, he goes further, uncovering where they came from, why they came, and what might have happened to them after eluding the murderous King Herod. In the process, he provides a new and fascinating view of the time and place in which Jesus Christ chose to enter the world. The evidence is clear and compelling. The mysterious Magi from the East were in all likelihood astrologers and counselors from the court of the Nabatean king at Petra, where the Hebrew messianic prophecies were well known. The “star” that inspired their journey was a particular planetary alignment—confirmed by computer models—that in the astrological lore of the time portended the birth of a Jewish king. The visitors whose arrival troubled Herod “and all Jerusalem with him” may not have been the turbaned oriental kings of the Christmas carol, but they were real, and by demonstrating that the wise men were no fairy tale, *Mystery of the Magi* demands a new level of respect for the historical claims of the gospel.

Revelation of the Magi Brent Landau, 2010-11-02
Each Christmas, adults and children alike delight at the story of the kings from the East who followed the star to Bethlehem to offer gifts to the newborn Christ. While this familiar tale is recorded in the Gospel of Matthew, another little-known version later emerged that claimed to be the

eyewitness account of the wise men. This ancient manuscript has lain hidden for centuries in the vaults of the Vatican Library, but through the determined persistence of a young scholar, Brent Landau, this astonishing discovery has been translated into English for the very first time as the Revelation of the Magi. Everything we know about the wise men is based on only a few verses from the Bible. With the Revelation of the Magi, we can now read the story from the Magi's perspective. Readers will learn of the Magi's prophecies of God's incarnation from the beginning of time, their startling visitation in the form of a star, the teachings they receive from the baby Jesus, and the wise men's joyous return to their homeland to spread the good news. This ancient version of the Christmas story is guaranteed to astonish and delight. It will also raise larger questions of the significance and meaning of Christ's birth, and the mission to spread the good news to every corner of the globe. All the drama and intrigue of the brief description of Jesus's birth in the Bible is filled out in greater, more colorful detail, offering for the first time the complete story of these beloved characters.

The Wise Men: who They Were; and how They Came to Jerusalem Francis W. Upham, 1873

The Gospel According to Matthew, 1999 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers

introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Four Wise Men Mark W. Muesse, 2018-01-01

Confucius, the Buddha, Jesus, and Muhammad are among the most thoughtful and influential people in history. By their words and examples, they have inspired countless individuals to live better and more meaningful lives and have shaped the institutions and worldviews we know today. *Four Wise Men* is an accessible introduction to each of these sages, viewed in their historical context, and a provocative comparison of their lives and teachings. Through careful study, *Four Wise Men* examines the ways these fascinating figures speak as one, as well as the ways in which they differ. Although their voices come from the distant past, these men still have wise words to say to us today.

The Star of the Wise Men Richard Chenevix Trench, 1850

Wise Men from the East and from the West Abraham Mitrie Rihbany, 1922 The author, Rihbany, attended the Paris Peace Conference, 1919, where he became attached to the entourage of Emir Faisal, the leader of the Arab delegation, as a translator. A Greater Syrian state (the Kingdom of Syria) did briefly come into existence under Faisal before the French Mandate of Syria was imposed in 1920. This book is Rihbany's account of the peace

conference.

The Wise Men of Helm and Their Merry Tales

Solomon Simon, 1973 The collection of Jewish folk tales that the New York Times called a delightful little book . . . a classic of its kind . . . full of merriment and wisdom. Illustrated with whimsical drawings, these humorous stories are just right for children.

The Wise Men of Chelm Sandy Asher, 1992

My Pilgrimage to the Wise Men of the East

Moncure Daniel Conway, 1906

The Merry Tales of the Three Wise Men of Gotham

James Kirke Paulding, 1826

Unveiling the Energy of Verbal Artistry: An Psychological Sojourn through **Wise Men**

In a global inundated with displays and the cacophony of quick communication, the profound energy and mental resonance of verbal artistry frequently fade in to obscurity, eclipsed by the continuous onslaught of noise and distractions. However, situated within the lyrical pages of **Wise Men**, a charming function of literary beauty that impulses with natural feelings, lies an memorable trip waiting to be embarked upon. Penned with a virtuoso wordsmith, that interesting opus manuals viewers on a psychological odyssey, delicately exposing the latent potential and profound impact embedded within the delicate internet of language. Within the heart-wrenching expanse of the evocative analysis, we will embark upon an introspective exploration of the book is central

styles, dissect their fascinating publishing type, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
