Three Wise Monkeys Divya Kadam, Anita Jain, 2020-10-20 Follow the trail of the three wise monkeys who charm and inspire children to choose love and peace with simple tricks. These modern-day superheroes weave their magic and transform fear and anger into joy, harmony and friendship in our lives. An invitation to laugh, swing, and play with Gandhi's favourite monkeys. A modern twist to ancient wisdom. Every page of this book is beautifully illustrated with hand-painted water colour sketches. This story is sure to delight and inspire children.

Three Wise Monkeys Charles van Onselen, 2023-03-23 Volume 2 of Three Wise Monkeys explores Catholic Mozambique's role in the leisure economy of Protestant South Africa, as a place where bachelor miners and Randlords alike could project their fantasies of subtropical exotica, whether in the raucous bars and brothels of the port or in the development of the upmarket Polana Hotel and the vision of segregated 'tourist zones' for race-conscious Rand holidaymakers. Mozambique's liminal place in the leisure and entertainment universe was nowhere better represented than in the rise and eventual fall of Lourenço Marques Radio. For decades, LM Radio beamed the hit songs of the day, and a certain vision of post-war modernity, to white South Africans increasingly in thrall to the stifling rule of Calvinist churches, the National Party and the Broederbond-dominated SABC. The eventual triumph of the SABC in muzzling LM Radio was a foretaste of the police state that came to imprison South African minds during the 1960s and 1970s.

THREE WISE MONKEYS. TERRY. ANTON,2020

The Three Wise Monkeys Jeet Gian,2016-09-14 The trio—Amar, Akbar, and Anthony—had no clue whatsoever about their goddammit indecisive-careers-and-indefinite-struggles. And that was because they were born with the Peter Pan Syndrome and were simple enough to be tricked by anyone, including their mystifying girlfriends—Meghna, Farah, and Sarah. And as is the fate of all morons, they were drawn into trouble—deep trouble—of hiding crores of rupees of black money in secret offshore companies. Will their mistake of turning a blind eye to the philosophy of ‘See no evil, hear no evil, speak no evil’ cost them their careers and put them in prison? Or Will Lady Luck change their fortunes forever?

3 Wise Monkeys and the Hidden Treasure Madhavi Gade Reddy,2012-09-20 Jasmine can't wait.Her brother Jay is coming home soon from college and it has been SO long since she's seen him. He plays with Jasmine, gives her rides on his shoulders, and is without a doubt the best big brother ever. The problem is the day he is coming seems like it is going to take forever to get here!FINALLY!Jay is coming today, and when they pick him up at the airport, he is so happy to see Jasmine that he gives her a BIG hug! And he tells her that he brought her a present. But Jay says they can't open the presents until they get home—and then Mom says they have to eat lunch first!Finally, lunch is over and Jasmine gets to open her present: a ceramic figure of three monkeys. The three monkeys are very significant, Jay says. Most people know them as “See no evil, hear no evil, speak no evil,” but they mean more than that: they have been around for more than a thousand years and they remind us how to live life. Pretty neat, right?Jasmine carries them everywhere she

goes—including to get the mail, which turns out to be a BIG mistake because it is too much to carry and Jasmine drops the monkeys, breaking them into pieces. What she doesn't know is that the monkeys have a deeper meaning—and a hidden secret that is more beautiful than she could have ever imagined. A storybook for children of the world that explores loving relationships, kindness, and curiosity with wonderfully bright images and a playful, inspiring message, Madhavi Reddy MD's first children's book is one for the whole family to enjoy together. The perfect lesson for young children to learn the value of family and the nature of life, Monkeys teaches them that while seemingly bad things happen in life, there may be something precious hidden within those moments.

Foolish Fish and Wise Monkey Tshabang Tlalanyane, 2015-01-28 The story Foolish Fish and Wise Monkey is folklore set in a wildlife environment depicting a community where people of different cultures live together. Within these cultures, a friendship develops between a young fish and a young monkey. The consequences of their friendship come at the expense of not following parental advice and guidance, which makes both Little Monkey and Little Fish suffer consequences. Little Monkey's love for adventure and his imagined heroism on Little Fish's back through the deep waters where his kin has never travelled, brings him to the brink of death. Similarly, Little Fish's tactics to get her friend Monkey to the bottom of the water leads to losing the friendship that developed between them. The story shows how the fish's foolishness was topped monkey's wisdom in being able to think quickly and calmly enough to save his life. The tale exposes problems faced within societies regarding child rearing and upbringing. Children often turn deaf ears to parental advice and guidance while giving in to peer pressure. To this end, social ills and problems such as lies, dishonesty, substance abuse, and ignorance can breed into juvenile delinquency.

THE QUEST FOR WEALTH WITHOUT WORK - Volume 3/Three Wise Monkeys Charles Van Onselen,2023-03-28 Three Wise Monkeys presents a startling new way of viewing the entangled, often hidden, economic, political and social dynamics that informed the rise of 20th-century South Africa, often at the expense of neighbouring Mozambique. It is history that transcends state

boundaries to take the reader into previously uncharted domains of the recent past. This 3-volume work was published as a box set but is also available as individual volumes. Three Wise Monkeys culminates with volume 3, 'The Quest for Wealth Without Work', a forensic examination of South Africa's long struggle to suppress gambling, and especially lotteries. The opposition of the Calvinist churches - both Afrikaans- and English-speaking - had its counterpart in the eager embrace of games of chance by the white working class on the Witwatersrand. Focusing on the career of Rufe Naylor, an Australian bookmaker, horse dealer and entrepreneur who, with the help of a defrocked Portuguese Catholic priest, ran the Lourenço Marques Lottery, Volume 3 shows how the efforts of church and state to control the leisure time and morals of the working class, intersected with the need to ensure the flow of cheap mine labour from Mozambique. Ultimately, in the suppression of the Lourenço Marques Lottery - and in campaigns against pinball machines, dog racing and other 'social evils' - can be seen the emerging outlines of the apartheid police state.

THROUGH THE TURNSTILES OF THE MIND - Volume 2/Three Wise Monkeys Charles Van Onselen, 2023-03-28 Three Wise Monkeys presents a startling new way of viewing the entangled, often hidden, economic, political and social dynamics that informed the rise of 20th-century South Africa, often at the expense of neighbouring Mozambique. It is history that transcends state boundaries to take the reader into previously uncharted domains of the recent past. This 3-volume work was published as a box set but is also available as individual volumes. The Three Wise Monkeys Kate Lastname, (Please note: Probably nothing in this preface will make any sense to you unless you have previously read Cassie Havens and A Christmas Carol. Just so you know. Sorry about that.) This book does not, strictly speaking, exist. And only two people have ever read the original version: Cassie Hevans and Naomi 'Smith'. And, for very good reasons, it should stay that way. (Well. Or, alternatively, many people once knew of this book, but have now forgotten it. Kind of. It is a bit confusing.) Anyway. Several people have asked me what The Christmas Monkeys would have been like to read – if it actually still existed. So, after long conversations with Cassie, I have pieced together the following. I hope you enjoy it. As it's purely for fun, I have endeavored to make it free to read. K.L. P.S. WARNING: For obvious reasons, this book is NOT The Christmas Monkeys. It would be far too hazardous to ever recreate that book. Therefore, please do not alter this book in any way! In particular, do NOT change its title to The Christmas Monkeys. That would be very dangerous! Many thanks P.P.S. As the original was written in British (Dickensian) English, those spellings have been retained throughout. Expect to see a lot of ou words.

The Monkey Soldiers Jim Traylor,2012-11-01 War does strange things to people. People do strange things to war. Some of it is funny, some of it not so much; all of it is bizarre. The *Monkey Soldiers*, a concoction of men, monkeys, and wartime mayhem. Lieutenant Thurgood has a way with monkeys in Vietnam. His sexy wife has a way with GI's on R&R from Vietnam. Lieutenant Thurgood can make monkeys act like soldiers. His wife can make soldiers act like monkeys. Congo Connie and Bonobo Bob make soldiers spend all their money watching them perform their porno act at the FTA Club, the biggest poontang palace in Bangkok, Thailand. The FTA Club is owned by Murphy and Lu Lee O'Shannahan, the drug running couple who flies tons of Opium out of the Golden Triangle. Preston Bridges entertains soldiers at the Club by playing Delta Blues and selling LSD tabs. Then

there is Mr. Grady, the cute little Capuchin monkey who steals the neighbor's sex toys and does lewd things with kittens. Last, there is Cheyenne Livingston, the naïve school teacher, her adopted Thai daughter Amy, and Amy's mute twin brother who dresses in a Monk's robe and sleeps in a closet. There is monkey business a plenty when the three wise monkeys decide it's okay to see, hear and speak whatever they please.
