The Wishing Lantern Jeff Wheeler,1999-10-01

Eden's Wish M. Tara Cowl,2015-09-01 All twelve years of Eden's life have been spent in an antique oil lamp. She lives like a princess inside her tiny, luxurious home, but to Eden, the lamp is nothing but a prison. She hates being a genie. All she wants, more than anything, is freedom. When Eden finds a gateway to Earth inside the lamp, she takes her chance. In a moment, she's entered the world she loves. And this time, she won't be sent back after three wishes. Posing as the new kid at a California middle school, Eden revels in all of Earth's pleasures—but quickly learns that this world isn't as perfect as she always thought it was. Eden soon finds herself in the middle of a centuries-old conflict between powerful immortals. A ruthless organization run by a former genie will stop at nothing to acquire the lamp and its power—including hurting Tyler and Sasha, the mortal friends who have given Eden a home. To save her friends—and protect the magic of the lamp—Eden will have to decide once and for all where she belongs.

Make a Wish Miranda Jones,2005-09-13 While shopping with her grandmother at a flea market, nine-year-old Ali buys an old lava lamp that turns out to have a wish-granting genie inside.

Eden's Escape M. Tara Cowl,2016-09-06 Eden's greatest wish has finally come true. No longer confined to her lamp, she begins a spectacular life in Manhattan with her new guardian, Pepper, a bubbly genie alum who's also a Broadway actress. Eden only gets a taste of the city's wonders before she's whisked away for a wish granting--she is still a genie with a job, after all. David Brightly isn't like other wishers Eden has met. The owner of the world's leading tech company seems more interested in tapping into the lamp's power than making his first wish. Trapped in Brightly's laboratory and unable to get to the lamp, Eden has no choice but to escape and go on the run. She finds herself on the streets of Paris, nowhere near out of danger. Brightly has half the city searching for Eden, claiming she is his kidnapped daughter. She manages to don a disguise and get word of her predicament out to the loyal genies on earth. But Paris is also headquarters of Electra, a group of former genies bent on revenge against Eden, and it seems the scheming Sylvana has teamed up with Brightly to seize the lamp's power once and for all. Eden embarks on a dangerous mission to retrieve the lamp and protect the centuries-old genie legacy. But Brightly has more tricks up his sleeve than any mortal Eden has met. Soon, every genie will have to pick a side in an epic showdown against the greatest threat the lamp has ever faced.

The Magic Lamp Keith Ellis,1996 -- Think in terms of wishes instead of goals and gain the inspirational edge to make wishes come true. -- Master the process that turns success into a habit that lasts a lifetime. -- Learn how to persuade others to help in making wishes come true. Wishes have impact-like being hit by a lightning bolt instead of a lightning bug. The Magic Lamp transforms the goal-setting process into an inspirational process of making wishes, then making them come true. It's the first book to provide a compelling alternative to traditional goal-setting, transforming the process of achievement from a dulling routine into an exciting adventure. Throw away your trendy psycho-pop 'self-help' books. Here, finally, is a practical guide to the process of existential self-affirmation that philosophers tend to lose in a labyrinth of words and systems. Keith Ellis delivers a profound message with wonderful simplicity. -- Dr. James W. Thomasson, Theology Department Georgetown University

Beautiful Magic Doctor Allures The King Xue Xue,2020-10-12 A car accident had caused her to become a wisp of a green soul, but it had actually attached itself to the body of a young lady of an official. Since I'm here, I might as well settle down. Fang Zijun consoled himself. She received a piece of news that caused her to be stunned with her eyes wide open. One month later, they would be entering the palace for the talent show? With her title of doctor returning to the country, it shouldn't be too arduous for her to stay in the palace for three years! It was a pity that his luck had made a fool of him and offended someone he shouldn't have. Woman, if you can't cure This King's illness, don't even think of leaving! The man's sinister gaze, taking advantage of his pale face, trembled with fear! Woman, you can only be This King's woman in your life! The man lightly smiled. With a crafty gaze, he was extremely proud. Woman, even if you have already gone to the underworld, This King will still find you and bring you back! It was a bit domineering, with a heart piercing regret that made him wish he was dead, but there was nothing more he could do. Last night, the westerly wind withered the jade-green trees. Alone on the tall building, looking at the road, several entanglement, things are different. Once the lead flower was washed away, one would be standing on top of the imperial court, scheming to rule the world! On the palace wall, the faint smile from yesterday could be heard. After a few peach blossoms had drifted down, it was as if he was in the afterlife.
