**Wolfgang** F. D. Gross, 2016-09-06 A new hero emerges in the vampire hunting world... Sixteen years have passed since the death of Lord Egleaseon, the vampire lord who sought to be human again, defeated by the famous noble lord, Wolfgang. One day after cleansing the surrounding countryside of vampires, Wolfgang returns from his latest expedition only to be faced with the horrible reality that everything he held dear to his heart has been taken from him. His wife is dead, his home is burned, and his son is nowhere to be found. Only the smallest inclination leads him to believe his orphaned servant is somehow responsible. He is desperate and provoked, and will do anything to get his son back, even if it means journeying the path of darkness. Thus begins the story of Wolfgang.

*Herr Faustini Takes a Trip* Hermann, Wolfgang, 2016-04-19 Herr Faustini lives alone in a small Austrian village close to the Swiss border. He is content to spend his days as he always has: in the company of his cat, his old armchair and two beloved potted plants in his little garden. A series of events cause Faustini to question the boundaries of his life. He finds himself trying to tie the little tricks of destiny into tighter knots that would give deeper meaning to his own existence. When his sister, who long before married and settled in sunnier southern Switzerland, celebrates a milestone birthday and invites him to visit, Herr Faustini initially hesitates. However, once he decides to take the trip, he discovers the thrill of loving and being loved in return. Herr Faustini feels tempted. But he finds himself unable to cope with the prospect of happiness so late in life. He decides to return to his former, quiet solitude. While travelling through this delightful book, we may wonder why we feel so strangely drawn toward this incredibly sensitive, unique character. The answer should be obvious: because somewhere, deep in all of us, a Herr Faustini breathes.

**Phoenixville Rising** Robb Cadigan, 2013-09-24 PHOENIXVILLE RISING is a beautifully written love letter to the American industrial town. In a novel spanning centuries, and centering on three hard-luck kids, Sketch and Tara and the unforgettable Boo--clear-eyed and reckless and insanely-loyal Boo--Robb Cadigan gives us a timeless story of the enduring legacies of love and friendship. Noir and romantic and richly emotional, PHOENIXVILLE RISING is superb. - William Lashner, New York Times bestselling author of the Victor Carl series and THE BARKEEP In PHOENIXVILLE RISING, a man returns to his hometown for the first time in decades and revisits the tragic October when he was a teen delinquent hanging out at the abandoned steel mill. Part coming-of-age novel, part crime story, part historical romance, the story moves back and forth in time between the beginning and end of the Phoenixville steel industry, from the Civil War years to the late twentieth century. A tale of rebirth and redemption in small-town America. NOTHING EVER HAPPENS HERE This is what he used to tell himself. Back when he was just a punk kid, wasting time with petty crimes and the Furnace Boys down at the abandoned steel mill. A dead-end life, sure, but he had an escape plan. UNTIL ONE FATEFUL WEEK CHANGED EVERYTHING FOREVER Now, after thirty years, he's finally coming home ... to the phantoms of his own past and the hometown history he tried to leave behind. THE PAST IS ALWAYS PRESENT IN THE TOWN CALLED PHOENIXVILLE

**Wolfgang Tillmans** Jan Verwoert, Peter Halley, Wolfgang Tillmans, Midori Matsui, 2002-11-15 Wolfgang Tillmans' (b.1968) first book, published in

1995 when the artist was just 24 years old, sold 40,000 copies and is a cult manual of young style and photography. Tillmans is a rare example of a photographer who has expanded his audience into the art world. This is the first book to draw together all the different episodes from Tillmans' high-profile, exciting career. Tillmans became known in the early 1990s for his photographs of young people in their social environments: clubs, Gay Pride parades, house parties. His style is enigmatic, sexy and highly innovative, inventing new icons of beauty and style for millions of young readers internationally. Images such as Lutz and Alex Sitting in the Trees(1992) - a couple perched in a tree, naked save for their incongruous raincoats - are emblems of his generation. His subjects are self-stylized and do not conform to standard notions of attractiveness and chic, yet their personalities and youth make them irresistibly seductive. Tillmans' style is often imitated, yet he remains the master of the photographic style he created. Alongside portraits, Tillmans has expanded his subject matter to include architecture, landscape and still life, and has produced installations reminiscent of the collage techniques of the 1960s Conceptual artists. From lifestyle magazine spreads Tillmans has moved to room-sized installations: for example, his series of distant views of Concorde flying overhead (Concorde, 1997) as well as a series of found photographs of soldiers from newspapers (Soldiers - The Nineties, 1999). In such installations of unframed photos stuck to the wall with tape, he references his own non-art origins and his continuing goal of breaking down the old-fashioned divisions between art, fashion and photography. In his Survey critic Jan Verwoert examines Tillmans' key pursuit across his career: to find contemporary art icons by 'testing' photographic images. Artist and theorist Peter Halley discusses with the artist his rapidly changed role, from Wunderkinder superstar of the mid 1990s to internationally respected and emulated, Turner prize-winning master of the 'new photography'. Critic and curator Midori Matsui analyses a single project, Concorde (1997), an installation and artists' book which records the daily passing of this epoch-making aeroplane. The artist has selected an extract from a nineteenth-century Quaker text by Caroline Stephen on divine inspiration, which reflects the artist's own interest in simplicity and truth. The Artist's Writings include excerpts from a key interview with Neville Wakefield (1995) and spreads from his artist's books.

*Erich Wolfgang Korngold's The Adventures of Robin Hood* Ben Winters,2007 Among the many fine examples of film scores by Erich Wolfgang Korngold (1897-1957), the score for *The Adventures of Robin Hood* (1938) stands out the most. Winner of the Academy Award(TM) for best dramatic score in 1938, it is seen by many as the archetypal accompaniment to a Warner Brothers swashbuckler, and it established Korngold as one of the leading exponents of film score composition at a formative point in its history. In *Erich Wolfgang Korngold's The Adventures of Robin Hood: A Film Score Guide*, author Ben Winters uses manuscript and archival research to challenge preconceived notions about the score's composer and its authorship. In the first two chapters, Winters examines Korngold's career on its own and in relation to the film, including his background in composing concert music and opera, his film scoring techniques, and his engagement with the Hollywood studio system. Chapter three focuses on the *Robin Hood* film while placing Korngold's music in a larger framework. It examines the film's treatment of the *Robin Hood* legend, its historical and critical contexts, and its place within the swashbuckler genre and the studio's anti-fascist agenda. While looking closely at the composer's work on this score, chapter four shows sources Korngold used, the music's production process, and the changes the score had undergone. The book concludes with a thematic analysis and reading of the score, identifying the various musical 'voices' that the listener weaves together as he or she experiences the film. This detailed consideration of Korngold's masterpiece will be continually turned to by film and music scholars alike.

**Jus et Societas** G.M. Wilner, 1979-06-30 When Wolfgang Friedmann died there was a great outpouring of grief, affection and admiration from his friends all over the world. These deeply felt sentiments were soon channelled into a number of projects to honor him. The initiative towards the preparation of this volume in tribute to Wolfgang Friedmann was taken by his colleague, Hans Smit, of Columbia University, who also arranged for its publication. Judge Philip C. Jessup was the chairman, and Professors John N. Hazard, Louis Henkin, Oliver Lissitzyn, Willis L. M. Reese and Hans Smit of Columbia University Law School, A. A. Fatouros of Indiana University Law School (Bloomington), and Gabriel M. Wilner of the University of Georgia Law School were members of the editorial committee. The authors of the essays are a group of distinguished legal scholars from many countries and who hold widely diverse views. All of them had many ties with Professor Friedmann, including those of friendship and shared interest in problems that were of the greatest concern to him. The number of eminent jurists from countries around the world, and particularly from the United States, who would have wished to participate in this tribute to Wolfgang Friedmann is large; however, several important considerations made it necessary to limit the number of contributions. Thus, for example, the work of several members of the editorial committee is not represented in the volume.

*The Letters of Wolfgang Amadeus Mozart (1769-1791)* Wolfgang Amadeus Mozart, 2022-01-18 Reprint of the original, first published in 1866.

**Wolfgang Tillmans** Wolfgang Tillmans, Julie Ault, Daniel Birnbaum, Russell Ferguson, Dominic Molon, Lane Relyea, Mark Wigley, 2006-01-01 Few artists have changed the manner in which photographic images are made, read, and received over the past two decades as dramatically as German photographer Wolfgang Tillmans (b. 1968). One of the most important and distinctive artists to emerge in the 1990s, Tillmans's work is internationally recognized for its powerful reflections on the often overlooked objects and moments in everyday life. With images culled from the entirety of Tillmans's career, this generously illustrated book accompanies the artist's first retrospective exhibition in the United States and features the potent effects of his portraits, abstractions, and structural and sculptural motifs. Essays by leading scholars examine the context of the German art and pop cultural scene in which Tillmans first began working in the late 1980s; his use of magazines as both venue and source materials; his unique approach to portraiture; his ability to create a sense of intimacy between the viewer and subjects ranging from his friends to cultural figures and heads of state; and his distinctive approach to presenting his images in displays and installations. A fascinating look at the breadth of Tillmans's career to date, including his most recent new work, this book demonstrates the renowned abilities of one of the art world's most revolutionary photographers.

*The Life and Times of Wolfgang Amadeus Mozart* John Bankston, 2004-03 As a little boy, Wolfgang Amadeus Mozart began writing musical compositions when most kids his age were still learning to read. By the time he was seven, Mozart was an accomplished musician who could play several instruments and also sing. Accompanied by his older sister, Nannerl, and his father, Leopold, young Wolfgang toured Europe. He performed before royalty and some of the richest members of society. By the time he was twelve, Wolfgang was famous. He first tasted failure as a teenager, as audiences ignored his operas, and he had trouble making money. He began to be known for his bad jokes and relentless pursuit of women. He eventually married the sister of the woman who broke his heart. In adulthood, Mozart's problems grew. He couldn't keep a job. He was usually broke.

One of the greatest composers the world had ever known was forced to make a living giving piano lessons. Yet today, he is one of the most celebrated and respected composers of all time.

**U-Boat Ace** Jordan Vause,2001-11-02 An exceptional figure in the history of the German Navy, Wolfgang Luth was one of only seven men in the Wehrmacht to win Germany's highest combat decoration, the Knight's Cross with Oak Leaves, Swords, and Diamonds. At one time or another he operated in almost every theater of the undersea war, from Norway to the Indian Ocean, and became the second most successful German U-boat ace in World War II, sinking more than 220,000 tons of merchant shipping. A master in the art of military leadership, Luth was the youngest man to be appointed to the rank of captain and the youngest to become commandant of the German Naval Academy. Nevertheless, his accomplishments were overshadowed by those of other great aces, such as Prien, Kretschmer, and Topp. The publication of this book in hardcover in 1990 marked the first comprehensive study of Luth's life. Jordan Vause corrects the long neglect by providing an entertaining and authoritative biography that places the ace in the context of the war at sea. This new paperback edition includes corrections and additional information collected by the author over the past decade.

*Musical Genius* Barbara Allman,2004-01-01 Describes the life of the eighteenth-century Austrian composer, a musical prodigy who learned to write music before he could write letters and grew up to become Imperial Court Composer to Emperor Joseph.

*Christo and Jeanne-Claude* Burt Chernow,Wolfgang Volz,2005 For their sheer scale and breathtaking audacity, their works have made them among the most celebrated and controversial artists in the world. Valley Curtain stretched 1,250 feet across a valley in Rifle, Colorado; Wrapped Coast covered a mile and a half of Australian coastline with a million square feet of fabric; The Umbrellas deployed 3,100 umbrellas set in Japan and California, each nearly twenty feet tall; Surrounded Islands encircled eleven islands in Biscayne Bay, Florida with six and a half million square feet of bright pink fabric; and Wrapped Reichstag enveloped the entire German parliament in shimmering silver fabric. For more than forty years, these and many other works by Christo and Jeanne-Claude have reconceived the art of the possible, turned natural and human monuments-streets, bridges, hills, trees, buildings, parks, and islands-into sculptures and paintings, and created dazzling new landscapes and startling new vistas. Often requiring years, even decades, of preparation and planning, these works-not merely feats of aesthetic daring but engineering and organizational marvels-exist for only a few weeks or less. Yet what makes these transient creations linger forever in the mind is their overwhelming and magisterial beauty. They are, in every sense, transformative, and, for the millions who have experienced them in person, unforgettable. Christo and Jeanne-Claude have been the frequent subjects of films, videos, catalogues, cartoons, monographs, exhibitions, and editorials. Until this biography by Burt Chernow, however, written with the full cooperation of the artists, nothing has connected the intimate details of their lives and the spectacular dimensions of their projects. Christo, the penniless Bulgarian refugee who made his way to Paris during the 1950s, and Jeanne-Claude, the socialite daughter of a prominent French general, seemed an unlikely couple, yet together they forged one of the most enduring partnerships in contemporary art. When they arrived in New York in 1964, Christo was already becoming well known in avant-garde circles for his wrappings of everyday objects; Jeanne-Claude acted as manager, dealer, and accountant. Over time, as Chernow reveals, the fusion of their prodigious gifts-his drawings and her ability to draw things together-produced the works for which today they are known the world over. Chernow recounts their rise from relative obscurity to international renown, revealing both the sources of their art and the heights to which it has quite literally aspired. An epilogue by Wolfgang Volz, a longtime and close collaborator of the artists, as well as their exclusive photographer, provides a fascinating insider's view of what it is like to work, and dream, with them. Christo and Jeanne-Claude

is an indelible portrait of the artists and their work, and a moving account of an extraordinary couple.
