Boss Bitch Nicole Lapin, 2017-03-21 New York Times bestselling author Nicole Lapin is back with a sassy and actionable guide empowering women to be the boss of their own lives and careers. You don't need dozens or hundreds of employees to be a boss, says financial expert and serial entrepreneur Nicole Lapin. Hell, you don't even need one. You just need to be confident, savvy, and ready to get out there and make your success happen. You need to find your inner Boss Bitch – your most confident, savvy, ambitious self—and own it. A Boss Bitch is the she-ro of her own story. She is someone who takes charge of herself and her future and embraces being a “boss” in all senses of the word: whether as the boss of her own life, a boss at work, or the literal boss of her own company (or all three). Whichever she chooses, being a Boss Bitch isn't something to apologize for—it's something to be proud of! We all have what it takes to be a boss bitch, says Lapin. The problem is: we don't learn how to do it in school. Even if we study business, we're not getting enough real-deal business education. Until now. Here, Lapin draws on raw and often hilariously real stories from her own career and experiences starting businesses—the good, the bad, and the ugly—to show what it means to be a boss in twelve easy steps. In her refreshingly honest and relatable style, she first shows how to embrace the boss-of-you mentality by seizing the power that comes from believing in yourself and expanding your personal skillset. Then she offers candid no-nonsense advice on how to kill it as the boss at work whether you have a high-up role or not. And finally, for those who want to take the plunge as an entrepreneur, she lays out the nuts and bolts of how

to be the boss of your own business—from raising money and getting it off the ground to hiring a kickass staff and dealing office drama to turning a profit. Being a rock star in your career is something that should be worn as a badge of honor. Here Lapin shows how to crush it in our careers like like a Boss Bitch!

Interrupting My Train of Thought Phil Dello,2014-09-06 Interrupting My Train of Thought collects thirty years of writing about pop music, movies, baseball, teaching, and a couple of presidential elections. It exists somewhere close to the intersection between criticism, autobiography, and rambling.

Inciting Poetics Jeanne Heuving,Tyrone Williams,2019 The essays in *Inciting Poetics* provide provocative answers to the book's opening question, What are poetics now? Authored by some of the most important contemporary poets and critics, the essays present new theoretical and practical approaches to poetry and poetics that address current topics and approaches in the field as well as provide fresh readings of a number of canonical poets. The four sections--What is Poetics?, Critical Interventions, Cross-Cultural Imperatives, and Digital, Capital, and Institutional Frames--create a basis on which both experienced readers and newcomers can build an understanding of how to think and write about poetry. The diverse voices throughout the collection are both informative and accessible and offer a rich exploration of multiple approaches to thinking and writing about poetry today.

Working with Bitches Meredith Fuller,2013-03-26 What do you do when the queen bee demands to know why you haven't written the report she never asked for? Or when the colleague who you thought was your friend takes sole credit for the project you worked on together? It's hard to speak out about catty behavior, especially when it's insidious or goes on behind your back. But you can usually sense when something's "off"--particularly if you're completely stressed out and hate the job you used to love. Let's face it, ladies: there are plenty of nasty, manipulative, and destructive women in the workplace who fly under the radar while ruthless alpha males get all the bad press. In *Working with Bitches*, psychologist Meredith Fuller offers practical advice on how to recognize and manage difficult women at work. Dr. Fuller combines actual cases with tips that women can use right away to defuse even the worst situations. Readers will learn how to deal with the eight types of "mean girls" they might face in the office and find powerful reassurance that they are not alone.

ScreenAge Fenton Bailey,2022-11-17 'Like a superheated kernel of corn, the world has gone Pop... Drag has become mainstream. Being gay became cool. From being the criminal outsider, being queer has even become representative of the way the outsider voice is common to us all.' When he moved to New York in 1982, Fenton Bailey saw the world go Pop. Together with filmmaking partner Randy Barbato, their production company World of Wonder would pioneer the genre of Reality TV and chronicle the emerging Screen Age through their extraordinary programs and outrageous subjects - from Bible Belt televangelists and conspiracy theories to pioneering drag queens. Working with icons such as Britney Spears, Tammy Faye Bakker and RuPaul, the production company's shows tell a wider story of how television has

fundamentally shifted our reality. Packed with glorious insider gossip and amazing celebrity stories, these are the riotous tales behind the shows that would make ScreenAgers of us all.

FOTUS Kevin Kunundrum, 2019-11-12 In the very near future, an American fetus named Alexander Jackson Rett becomes self-aware. He sees that the world out there is where everything bad happens, but inside, in the womb, it's safe. It's the safest place to be. So he decides to never come out. And because he's self-aware, and because he's smart and reasonably witty, his Mom and Ernie the next door neighbor make a video. They ask Little Alex questions and he answers from within the womb. And he gets most of them right (although he's not that good at math). And the next day, Ernie posts the video on YouTube and it goes viral. And before ya know it, Little Alex, the world's first and only Amazing Talking Fetus, is interviewed on Dr. Phyllis: What's it like in there? she asks. It's dark, he replies. Who's your favorite President? Richard Nixon. Get a load of this kid! Dr. Phyllis says. So what's the thing you'd most like to do, Alex? I want to run for President! And the world is amazed. Including an ultra-secret group of billionaire king makers known as The Florists. To keep their party in office, they need someone who's bullet-proof to run against Mallory Blitzen. And who better than Little Alex? He's already world-famous. He's scandal-proof. He's the ultimate single-issue candidate! And according to the latest poll, Americans will vote for a white male fetus over a woman for President seven out of ten times, and those odds are pretty good. So Alexander Jackson Rett becomes the President of the United States. But he discovers that life on the inside may not be all it's cracked up to be.
