12 Rules for Life Jordan B. Peterson,2018-01-23 #1 NATIONAL BESTSELLER #1 INTERNATIONAL BESTSELLER What does everyone in the modern world need to know? Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Humorous, surprising and informative, Dr. Peterson tells us why skateboarding boys and girls must be left alone, what terrible fate awaits those who criticize too easily, and why you should always pet a cat when you meet one on the street. What does the nervous system of the lowly lobster have to tell us about standing up straight (with our shoulders back) and about success in life? Why did ancient Egyptians worship the capacity to pay careful attention as the highest of gods? What dreadful paths do people tread when they become resentful, arrogant and vengeful? Dr. Peterson journeys broadly, discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life. 12 Rules for Life shatters the modern commonplaces of science, faith and human nature, while transforming and ennobling the mind and spirit of its readers.

A Girl, a Raccoon, and the Midnight Moon Karen Romano Young,2020-01-07 In this "enchanted" tale of a girl trying to solve a mystery and save a local library, "the magic of reading is given a refreshingly real twist" (Kirkus Reviews). A New York City library branch has been designated for possible closure. But the bookish, socially awkward Pearl, the daughter of the librarian, can't imagine a world without the library. When the head of their Edna St. Vincent Millay statue goes missing, closure is closer than ever. But Pearl is determined to save the library. And with a ragtag neighborhood library crew—including a constantly tap-dancing girl, an older boy she has a crush on, and a pack of literate raccoons—she just might be able to do it . . . Featuring an eclectic cast of richly drawn characters, quirky sidebars and footnotes, and illustrations by award winner Jessixa Bagley, this is a warm-hearted, visually intriguing tale of reading and believing, and a world of possibility. "Solidly entertaining." —School Library Journal "Bursting with charm, lovable characters, and excitement that builds and builds." —Gail Carson Levine, Newbery Award-winning author of *Ella Enchanted* A love letter to libraries . . . Big-hearted and dazzling, this classic-in-the-making is not to be missed." —Katherine Applegate, Newbery Award-winning author of *The One and Only Ivan*

A History of the Mishnaic Law of Purities, Part 12 Jacob Neusner,2007-04-01 The history of Jews from the period of the Second Temple to the rise of Islam. From 'A History of the Mishnaic Law of Appointed Times, Part 1' This volume introduces the sources of Judaism in late antiquity to scholars in adjacent fields, such as the study of the Old and New Testaments, Ancient History, the ancient Near East, and the history of religion. In two volumes, leading American, Israeli, and European specialists in the history, literature, theology, and archaeology of Judaism offer factual answers to the two questions that the study of any religion in ancient times must raise. The first is, what are the sources -- written and in material culture -- that inform us about that religion? The second is, how have we to understand those sources in reconstructing the history of various Judaic systems in antiquity. The chapters set forth in simple statements, intelligible to non-specialists, the facts which the sources provide. Because of the nature of the subject and acute interest in it, the specialists also raise some questions particular to the study of Judaism, dealing with its historical relationship with nascent Christianity in New Testament times. The work forms the starting point for the study of all the principal questions concerning Judaism in late antiquity and sets forth the most current, critical results of scholarship.

NC 12 Dawson Carr,2016-02-10 Connecting communities from Corolla in the north to Ocracoke Island in the south, scenic North Carolina Highway 12 binds together the fragile barrier islands that make up the Outer Banks. Throughout its lifetime, however, NC 12 has faced many challenges—from recurring storms and shifting sands to legal and political disputes—that have threatened this remarkable highway's very existence. Through the unique lens of the road's rich history, Dawson Carr tells the story of the Outer Banks as it has unfolded since a time when locals used oxcarts to pull provisions from harbors to their homes and the Wright Brothers struggled over mountainous dunes. Throughout, Carr captures the personal stories of those who have loved and lived on the Outer Banks. As Carr relates the importance of NC 12 and its transformation from a string of beach roads to a scenic byway joining miles of islands, he also chronicles the history of a region over the last eighty-five years, showing how the highway and the residents of the Outer Banks came to rely on each other.
