Craft: Volume 01 Carla Sinclair,2006-11-28 CRAFT is the first project-based magazine dedicated to the renaissance that is occurring within the world of crafts. Celebrating the DIY spirit, CRAFT's goal is to unite, inspire, inform and entertain a growing community of highly imaginative people who are transforming traditional art and crafts with unconventional, unexpected and even renegade techniques, materials and tools; resourceful spirits who undertake amazing crafting projects in their homes and communities. Volume 01, the premier issue, features 23 projects with a twist! Make a programmable LED shirt, turn dud shoes into great knitted boots, felt an iPod cocoon, embroider a skateboard, and much more.

The Girl in the Plain Brown Wrapper John D. MacDonald,2013-06-18 From a beloved master of crime fiction, The Girl in the Plain Brown Wrapper is one of many classic novels featuring Travis McGee, the hard-boiled detective who lives on a houseboat. He had done a big favor for her husband, then for the lady herself. Now she's dead, and Travis McGee finds that Helena Pearson Trescott had one last request of him: to find out why her beautiful daughter Maureen keeps trying to kill herself. But what can a devil-may-care beach bum do for a young troubled mind? McGee makes his way to the prosperous town of Fort Courtney, Florida, where he realizes pretty quickly that something's just not right. Not only has Maureen's doctor killed herself, but a string of murders and suicides are piling up—and no one seems to have any answers. Just when it seems that things can't get any stranger, McGee becomes the lead suspect in the murder of a local nurse. As if Maureen didn't have enough problems, the man on a mission to save her will have to save himself first—before time runs out. "The Travis McGee novels are among the finest works of fiction ever penned by an American author."—Jonathan Kellerman Featuring a new Introduction by Lee Child

IT ALL STARTED WITH A GUM WRAPPER Joshua Lopez,2019-05-13 Many blessings pass by us every day. All we have to do is acknowledge this and believe that they are meant for us and take them as they are given. Whether big or small, significant or insignificant, expected or unexpected, every blessing is freely given to us from our Heavenly Father who loves us dearly. This author describes how a blessing, in the form of a gum wrapper, changed his life forever after being released from criminal charges for the fourth consecutive time. He accepted Christ as his Lord and Savior in a six-by-twelve-foot cell and was set freeboth spiritually and physically. With many tasks ahead of him, he describes that change starts where you are, and that Christ is the foundation of it all. Whoever can be trusted with very little can also be trusted with much, and whoever is dishonest with very little will also be dishonest with much Luke 16:10. Artist credit: Zachary Miles Martinez

Wrappers Delight Jonny Trunk,2020-01-21 A nostalgia trip through the sweet wrappers of our childhoods: a massive, magical blast from our pasts - all in one beautiful graphic book This is a very exciting book crammed full of the sweetest memories of all - a favourite gum, those addictive chews, that sparkling drink you can't remember the name of, those stickers you collected and of course your lolly of choice (until they stopped making it). Think Cider Barrel, Cresta, Tip Top, Pacemakers, Lollygobblechocbomb, Kung Fueys, Fizz Bang, UFO sweet cigarettes and loads of other TV tie-ins, Furry Friends and even Fingammies! And then there are the treats you'll only recall when you see the packaging for the first time in decades. Wrappers Delight catalogues the amazing, lifetime collection of John Townsend, a man who collected the most disposable of wrappers: sweet cigarette boxes, wax gum papers, empty bags of crisps, drink cans, rock labels, stamps, transfers, coupons, recipe cards, tickets, odd boxes, badges, cards, stickers ... and more. All these items have been carefully documented and reproduced here in the highest quality. Presented in alphabetical order by manufacturer, and with over 500 full colour examples, this book is the first and only overview of the drinks and confectionary industry during this period

The Alphabet & Basic Numbers Designed for Gum Wrapper Weaving: Plus How to Make Mats Denver Keels,2012-06-01 You can make all kinds of useful stuff from gum wrapper weaving. After you learn the skill, just let your imagination take over and you'd be surprised by the number of items you could make such as home decor, fashion accessories, clothes, or even try to beat the Guinness world record. With The Alphabet & Basic Numbers Designed For Gum Wrapper Weaving, you could add another new craft technique and take it to another fun level. Now the sky is the limit, you can add that special touch to your projects and say it with words or a significant date. Also remember gum wrapper weaving is a recycle art craft that turns everyday trash into sought after treasure.

Cool Crafts with Old Wrappers, Cans, and Bottles Carol Sirrine,2010 Step-by-step instructions for crafts made from everyday items and information about reusing and recycling.

The Core Test Wrapper Handbook Francisco da Silva,Teresa McLaurin,Tom Waayers,2006-09-15 The Core Test Wrapper Handbook: Rationale and Application of IEEE Std. 1500tm provides insight into the rules and recommendations of IEEE Std. 1500. This book focuses on practical design considerations inherent to the application of IEEE Std. 1500 by discussing design choices and other decisions relevant to this IEEE standard. The authors provide background information about some of the choices and decisions made throughout the design of IEEE Std. 1500.
