Lettie Gavin

World War I Nicholas Saunders,2006 A history of World War I that includes time lines, maps, pictures, and primary source material.

The World War I Reader Michael S. Neiberg,2007 A collection of primary and secondary documents that offers students, scholars, and war buffs an extensive and easy-to-follow overview of World War I.

World War I Tammy M. Proctor,2017-11-13 A lively, engaging history of The Great War written for a new generation of readers In recent years, scholarship on World War I has turned from a fairly narrow focus on military tactics, weaponry, and diplomacy to incorporate considerations of empire, globalism, and social and cultural history. This concise history of the first modern, global war helps to further broaden the focus typically provided in World War I surveys by challenging popular myths and stereotypes to provide a new, engaging account of The Great War. The conventional World War I narrative that has evolved over the past century is that of an inevitable but useless war, where men were needlessly slaughtered due to poor decisions by hidebound officers. This characterization developed out of a narrow focus on the Western Front promulgated mainly by British historians. In this book, Professor Proctor provides a broader, more multifaceted historical narrative including perspectives from other fronts and spheres of interest and a wider range of participants. She also draws on recent scholarship to consider the gendered aspect of war and the ways in which social class, religion, and cultural factors shaped experiences and memories of the war. Structured chronologically to help convey a sense of how the conflict evolved Each chapter considers a key interpretive question, encouraging readers to examine the extent to which the war was total, modern, and global Challenges outdated stereotypes created through a focus on the Western Front Considers the war in light of recent scholarship on empire, global history, gender, and culture Explores ways in which the war and the terms of peace shaped the course of the 20th century World War I: A Short History is sure to become required reading in undergraduate survey courses on WWI, as well as courses in military history, the 20th century world, or the era of the World Wars.

A World War I Timeline Pamela Dell,2014 In timeline format, covers the chronology of major events of World War I--

American Women in World War I Lettie Gavin,2020-04-27 A comprehensive history of how women of the United States served their country during the First World War. Interweaving personal stories with historical photos and background, this lively account documents the history of the more than 40,000 women who served in relief and military duty during World War I. Through personal interviews and excerpts from diaries, letters, and memoirs, Lettie Gavin relates poignant stories of women's wartime experiences and provides a unique perspective on their progress in military service. American Women in World War I captures the spirit of these determined patriots and their times for every reader and will be of special interest to military, women's, and social historians. "Gavin draws from the full range of possible sources for this excellent volume. The number of American women who served in World War I ran into the tens of thousands. . . . [T]hey overcame sexism, racism, bureaucratic inertia, shells, gas, the Spanish influenza, long hours, short rations, and poor quarters to accomplish a prodigious amount of work. . . . Highly recommendable." —Booklist "Gavin has assembled a comprehensive, awe-inspiring record of the indomitable spirit of women. Amidst shells, fire, chemical warfare, raw winter cold, and all the gruesome realities of war, women served "over there" in ways which have been lost in representations of the Great War." —Register, Women in Military Service to America "Gavin does an outstanding job of sparking a new interest in the contributions of women during World War I. This book is highly recommended for anyone interested in the history of that conflict." —The Journal of America's Military Past

True Stories of World War I Nel Yomtov,2012-07 In graphic novel format, tells the stories of six men who fought for their countries during World War I-- Provided by publisher.

World War One Norman Stone,2009-04-28 After the unprecedented destruction of the Great War, the world longed for a lasting peace. The victors, however, valued vengeance even more than stability and demanded a massive indemnity from Germany in order to keep it from rearming. The results, as eminent historian Norman Stone describes in this authoritative history, were disastrous. In World War Two, Stone provides a remarkably concise account of the deadliest war of human history, showing how the conflict roared to life from the ashes of World War One. Adolf Hitler rode a tide of popular desperation and resentment to power in Germany, promptly making good on his promise to return the nation to its former economic and military strength. He bullied Europe into giving him his way, and in so doing backed the victors of the Great War into a corner. Following the invasion of Poland in 1939, Britain and France declared war on Germany -- a decision that, Stone argues, was utterly irrational. Yet Hitler had driven the world mad, and the rekindling of European hostilities soon grew to a conflagration that spread across the globe, fanned by political and racial ideologies more poisonous -- and weaponry more destructive -- than the world had ever seen. With commanding expertise, Stone leads readers through the escalation, climax, and mournful denouement of this sprawling conflict. World War Two is an invaluable contribution to our understanding of the twentieth century and its defining struggle.

The World War One Source Book Philip J. Haythornthwaite,2000-06-01 Provides a unique, single-vol. ref. source on the armies, battles, weapons and leaders of the first great war that shook Europe and the World during the 20th cent. Trench Fighting Of World War I John Hamilton,2004-01-01 An overview of trench warfare during World War I.

America's Great War Robert Zieger,Robert H. Zieger,2001-11-13 Recent bestsellers by Niall Ferguson and John Keegan have created tremendous popular interest in World War I. In America's Great War prominent historian Robert H. Zieger examines the causes, prosecution, and legacy of this bloody conflict from a frequently overlooked perspective, that of American involvement. This is the first book to illuminate both America's dramatic influence on the war and the war's considerable impact upon our nation. Zieger's engaging narrative provides vivid descriptions of the famous battles and diplomatic maneuvering, while also chronicling America's rise to prominence within the postwar world. On the domestic front, Zieger details how the war forever altered American politics and society by creating the National Security State, generating powerful new instruments of social control, bringing about innovative labor and social welfare programs, and redefining civil liberties and race relations. America's Great War promises to become the definitive history of America and World War I.

The Myth of the Great War John Mosier,2011-03-29 "Students of military history love to argue, and John Mosier gives them much to argue about. From armaments and tactics to strategy and politics, he challenges conventional wisdom and forces a rethinking of the war that inaugurated the modern era." — H.W. Brands, author of The First American and TR: The Last Romantic "There is much in this book I really admire, not least its brilliant recasting of the traditional military narrative." — Niall Ferguson, author of The Pity of War "A compelling and novel reassessment of World War I military history." — Kirkus Reviews "Packed with evidence, much of it ingeniously obtained and argued." — Washington Post

Yanks John Eisenhower,2001-09-14 Fought far from home, World War I was nonetheless a stirring American adventure. The achievements of the United States during that war, often underrated by military historians, were in fact remarkable, and they turned the tide of the conflict. So says John S. D. Eisenhower, one of today's most acclaimed military historians, in his sweeping history of the Great War and the men who won it: the Yanks of the American

Expeditionary Force. Their men dying in droves on the stalemated Western Front, British and French generals complained that America was giving too little, too late. John Eisenhower shows why they were wrong. The European Allies wished to plug the much-needed U.S. troops into their armies in order to fill the gaps in the line. But General John J. Black Jack Pershing, the indomitable commander of the AEF, determined that its troops would fight together, as a whole, in a truly American army. Only this force, he argued -- not bolstered French or British units -- could convince Germany that it was hopeless to fight on. Pershing's often-criticized decision led to the beginning of the end of World War I -- and the beginning of the U.S. Army as it is known today. The United States started the war with 200,000 troops, including the National Guard as well as regulars. They were men principally trained to fight Indians and Mexicans. Just nineteen months later the Army had mobilized, trained, and equipped four million men and shipped two million of them to France. It was the greatest mobilization of military forces the New World had yet seen. For the men it was a baptism of fire. Throughout Yanks Eisenhower focuses on the small but expert cadre of officers who directed our effort: not only Pershing, but also the men who would win their lasting fame in a later war -- MacArthur, Patton, and Marshall. But the author has mined diaries, memoirs, and after-action reports to resurrect as well the doughboys in the trenches, the unknown soldiers who made every advance possible and suffered most for every defeat. He brings vividly to life those men who achieved prominence as the AEF and its allies drove the Germans back into their homeland -- the irreverent diarist Maury Maverick, Charles W. Whittlesey and his famous lost battalion, the colorful Colonel Ulysses Grant McAlexander, and Sergeant Alvin C. York, who became an instant celebrity by singlehandedly taking 132 Germans as prisoners. From outposts in dusty, inglorious American backwaters to the final bloody drive across Europe, Yanks illuminates America's Great War as though for the first time. In the AEF, General John J. Pershing created the Army that would make ours the American age; in Yanks that Army has at last found a storyteller worthy of its deeds.

World War One Rupert Colley,2013 Love history? Know your stuff with History in an Hour.

United States Army Depot Brigades in World War I Alexander F. Barnes,Peter L. Belmonte,2021-11-12 Much has been written about the exploits of the American Expeditionary Forces, the men and women sent overseas to fight during World War I, but much less is known about the two million who served in the Army without ever setting foot on foreign soil. This book examines the history of depot brigades, development battalions, U.S. Guards units, Students' Army Training Corps, and other forgotten troops charged with training soldiers, guarding installations, and performing myriad other duties. It also chronicles the service of men like actor Jimmy Cagney, author F. Scott Fitzgerald, movie director Frank Capra, children's author Ludwig Bemelmans, and the two million others who served in the United States during the war. At the time, many of these men considered themselves unfortunate cast-offs, doomed to spend the war safe at home while their friends served in combat overseas. But, in the end, it was largely because of them that America could field an effective fighting force.

Weapons Of World War I John Hamilton,2004-01-01 An introduction to the artillery, poison gas, guns, tanks, and U-boats and torpedoes used in World War I.

Carnage Alistair Smith,2012-06-19 “Smith has done a fantastic job of explaining the minutiae of German uniforms and equipment and the places the soldiers found themselves in.” —War History Online These amazingly well preserved photographs originate from German collection. They cover the full gamut of the dreadful conditions that all troops involved in that ghastly war experienced between 1914 and 1918. The collection portrays life and conditions in the German trenches, the carnage of the wrecked villages and buildings in which they lived and fought and views of the destruction wrought by the Allied offensives. Many of the photos show downed British and French aircraft and often with their crew, dead or alive. Captured British and French troops are seen being held before shipment to PoW camps well behind the lines. The utter destruction of the country surrounding the Front is difficult to comprehend. This is not a book for the faint hearted since it clearly portrays the true horror of World War One as experienced by the German Army. “This work features images from an album belonging to an unnamed German infantry soldier portraying life and conditions in the German trenches in all its varied aspects. Well worth a look 9/10.” —The Great War Magazine “A pictorial history of German Experiences on the Western Front. It contains over 1000 good quality black and white photographs with notes and annotations by the author. Overall this is an interesting book for the World War One enthusiast.” —Wargames, Soldiers & Strategy

November 1918 Gordon Brook-Shepherd,2018-10-09 The account of the Great War portrayed in this book spans the last hundred days of the conflict; from the surprise blow struck by the British at Amiens on 8 August, down to the signing of the Armistice which ended the war three months later. For the first time all of the sub-plots in the story are given their proper weight, as we see Germany's allies being knocked out one by one. The triumphs and tragedies are told in the words of the actors themselves, humble and mighty. Mr Brook-Shepherd's original eye-witness sources range from the eighty-nine-year-old former Empress Zita of Austria-Hungary (the last surviving member of Europe's old ruling order), to private soldiers who fought on both sides of the barbed wire. In describing the death of Old Europe and the suicide of the Empires, the author provides a far-reaching overview of the new world order that dawned in November 1918. The result is a panorama rich in colour and human interest which provides a background to the events of that year; an essential lesson for readers even today.

World War One: A Concise History - The Great War Scott S. F. Meaker , World War One: A Concise History - The Great War The First World War was supposed to be the war that ended all wars, hence the name, the Great War. The Great War was off to a bad start from the German perspective. The plan was to fend off France and Russia while focusing on the main purpose, helping Austria-Hungary deal with Serbia. The loss of life in the Great War was immense. Scott's Other Books: ***Unforgettable World War II: Aftermath of the Extraordinary Second World War. ***Unforgettable Vietnam War: The American War in Vietnam - War in the Jungle. ***Hitler's War and the Horrific Account of the Holocaust ***On the Brink of Nuclear War: Cuban Missile Crisis - Soviet Union, Cuba and the United States ***The Forgotten Heroes: Untold Stories of the Extraordinary World War II - Courage, Survival, Resistance and Rescue. ***The Forgotten Women Heroes: Second World War Untold Stories - The Women Heroes in the Extraordinary World War Two. *** This is a (First World War) history book***

History of the WW1 (Complete 6 Volume Edition) Arthur Conan Doyle,2018-03-21 This eBook edition of History of the WW1 has been formatted to the highest digital standards and adjusted for readability on all devices. This book is a complete six-volume history of the First World War, written during the war by Sir Arthur Conan Doyle. Doyle interviewed army generals, read their papers and diaries, and he also talked to numerous soldiers in order to get a full picture. He describes all the main battles of the British Army, offering very detailed accounts of battles, where great feats of bravery and courage are given. Arthur Conan Doyle (1859-1930) was a British writer best known for his detective fiction featuring the character Sherlock Holmes. The Sherlock Holmes stories are generally considered milestones in the field of crime fiction. Doyle is also known for writing the fictional adventures of Professor Challenger and for propagating the mystery of the Mary Celeste. He was a prolific writer whose other works include fantasy and science fiction stories, plays, romances, poetry, non-fiction and historical novels.

The United States Enters World War I Sue Vander Hook,2010 Provides a history of World War I, discussing its origins, battles, key figures, and impact.

Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Ww1 PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Ww1 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Ww1 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Ww1 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Ww1 is one of the best book in our library for free trial. We provide copy of Ww1 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Ww1. Where to download Ww1 online for free? Are you looking for Ww1 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Ww1. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Ww1 are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Ww1. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Ww1 To get started finding Ww1, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Ww1 So depending on what exactly you are searching, you will be able tochoose ebook to suit your own need. Thank you for reading Ww1. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Ww1, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Ww1 is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Ww1 is universally compatible with any devices to read.
