The Spaghetti Western Bert Fridlund,2014-12-24 The 1960s and 1970s were the heyday of spaghetti westerns--low-budget films about the early American West mostly filmed in Italy. Though sometimes derided as excessively violent imitations of American-made westerns, they attracted a substantial following that has endured. With its classic elements of gunfights, gambling, heroes, sidekicks, love, and death, the genre is now perceived by critics as an intriguing object of study. This book analyzes the construction of the stories presented in spaghetti westerns. It examines the content of the Italian western using concepts and constructs borrowed from scholars studying pre-industrial narratives. Plot, the constellation of characters, their relationship to each other, and their motives are studied. Films examined in detail include the seminal *A Fistful of Dollars* as well as *Django*, *For a Few Dollars More* and *The Good, the Bad and the Ugly*. There is also a discussion of the early spaghetti westerns. The study then probes the elements of bounty hunters, the deprived hero, partnerships, betrayal, and comedy. An appendix details the top grossing Italian westerns between 1964 and 1975, including title, director, lead actor and intake. A second appendix provides a list of films quoted by Italian title and then by English title.

Stargazer Girl Stargazer Press,T R Woodman,2019-05-28 Book 4 finale of the completed 4 book series. A determined girl will cross the galaxy, risking everything she holds dear to find the one thing that's missing ... Pursuing answers to mysteries has led Evelyn to being kidnapped, imprisoned, tortured, poisoned, battling bionic super-soldiers and sea monsters, and maybe worst of all ... other teenage girls. So, when she is confronted with another mystery involving the same colonists who have ridiculed, hunted and exiled her, she's certain it will bring nothing but heartache. But her head can't convince her heart of this truth. Even though she finally has everything she wants-freedom to trek the galaxy; the respect, if not the admiration of the colonists; the boy, her first friend and first love-the aching void in her chest tells her that something is still missing. So, with thoughts and feelings she cannot explain to herself, let alone to those she loves, Evelyn will throw herself into another mystery-one that will span the galaxy and may cost her everything she holds most dear, all with the hope she'll find that 'something' that's missing ... a place to call home. *Stargazer Girl* is the book 4 finale in T.R. Woodman's young-adult sci-fi series.

Blameless Gail Carriger,2010-09-01 Quitting her husband's house and moving back in with her horrible family, Lady Maccon becomes the scandal of the London season in the third book of the NYT bestselling Parasol Protectorate series. Queen Victoria dismisses her from the Shadow Council, and the only person who can explain anything, Lord Akeldama, unexpectedly leaves town. To top it all off, Alexia is attacked by homicidal mechanical ladybugs, indicating, as only ladybugs can, the fact that all of London's vampires are now very much interested in seeing Alexia quite thoroughly dead. While Lord Maccon elects to get progressively more inebriated and Professor Lyall desperately tries to hold the Woolsey werewolf pack together, Alexia flees England for Italy in search of the mysterious Templars. Only they know enough about the preternatural to explain her increasingly inconvenient condition, but they may be worse than the vampires -- and they're armed with pesto!--EndFragment-- **BLAMELESS** is the third book of the Parasol Protectorate series: a comedy of manners set in Victorian London, full of werewolves, vampires, dirigibles, and tea-drinking. American Dior ,2010 American Dior contains detailed drawings of the elaborate foundations, images of the New Look collection and more. With the introduction of the New look, Dior became American fashion's ultimate agent provocateur playing on the country's appetite for newness and for French savoir-faire. His collection revolutionized women's dress. His designs were more voluptuous with the use of fabrics lined with percale, bustier-style bodices, hip padding, wasp-waisted corsets and petticoats, giving his models a very curvaceous form. Dior used to say that his client would be the most elegant woman in the world, which proved to be true, dressing an A-list of American icons such as Lauren Bacall, Grace Kelly, Marilyn Monroe and Elisabeth Taylor among them-- Publisher's web site.

Spaghetti Westerns Christopher Frayling,2006-01-27 “Christopher Frayling's Spaghetti Westerns is a particularly entertaining and enjoyably readable book. Frayling is obviously both a film buff and film critic, so he is able to appreciate Spaghetti Westerns as popular entertainments, to celebrate their cinematic stylishness, while simultaneously knowledgeably exploring their many social and political dimensions.” – Gary Crowdus, Cineaste “Unquestionably the single best book written about the Western.” – Journal of Popular Film and Television
