**Lois on the Loose** Lois Pryce,2007-03-20 Pryce spent her weekdays working at the BBC stuck in a career rut, but she also led a parallel life as a biker with overwhelming wanderlust. Follow her hilarious adventures as she travels by motorcycle from Alaska to the southernmost tip of Argentina.

*Race Tech's Motorcycle Suspension Bible* Paul Thede, Lee Parks,2010-06-19 The suspension expert's illustrated, comprehensive troubleshooting guide for dirt, street, and supermoto—with a solution to virtually any problem. Suspension is probably the most misunderstood aspect of motorcycle performance. This book, by America's premier suspension specialist, makes the art and science of suspension tuning accessible to professional and backyard motorcycle mechanics alike. Based on Paul Thede's wildly popular Race Tech Suspension Seminars, this step-by-step guide shows anyone how to make their bike, or their kid's, handle like a pro's. Thede gives a clear account of the three forces of suspension that you must understand to make accurate assessments of your suspension's condition. He outlines testing procedures that will help you gauge how well you're improving your suspension, along with your riding. And, if you're inclined to perfect your bike's handling, he even explains the black art of chassis geometry. Finally, step-by-step photos of suspension disassembly and assembly help you rebuild your forks and shocks for optimum performance.

**Revolutionary Ride** Lois Pryce,2017-02-21 In 2011, at the height of tension between the British and Iranian governments, travel writer Lois Pryce found a note left on her motorcycle outside the Iranian Embassy in London: ... I wish that you will visit Iran so you will see for yourself about my country. WE ARE NOT TERRORISTS!!! Please come to my city, Shiraz. It is very famous as the friendliest city in Iran, it is the city of poetry and gardens and wine!!! Your Persian friend, Habib Intrigued, Lois decides to ignore the official warnings against travel (and the warnings of her friends and family) and sets off alone on a 3,000 mile ride from Tabriz to Shiraz, to try to uncover the heart of this most complex and incongruous country. Along the way, she meets carpet sellers and drug addicts, war veterans and housewives, doctors and teachers - people living ordinary lives under the rule of an extraordinarily strict Islamic government. *Revolutionary Ride* is the story of a people and a country. Religious and hedonistic, practical and poetic, modern and rooted in tradition - and with a wild sense of humour and appreciation of beauty despite the comparative lack of freedom - this is real contemporary Iran.

Lois on the Loose Lois Pryce,2012-10-01 Lois Pryce was working at the BBC in London, firmly set on the career track. But unbeknownst to her coworkers, Lois was leading a parallel life as well, that of

a biker babe with an overwhelming case of wanderlust, one that couldn't be satisfied by a weekend holiday. Her days in a cubicle were numbered, and it wasn't long before she was back on her bike and looking for adventure. Armed only with the Spanish words for caution and cheese, Lois set off to conquer America---both Americas, actually. Starting in Alaska and working her way down the Pacific Coast, she rode through snow, desert, and everything in between to reach the southernmost tip of Argentina. Lois tackled every type of fellow biker imaginable and endured everything the continents could throw at her with quick thinking and a vibrant sense of humor. Whether bribing her way through Central American borders, spending the night in a Mexican brothel, or crashing her bike in Patagonia, Lois's bright, funny travelogue will charm anyone who longs for adventure and a stretch of the open road.

**Touring After the Apocalypse, Vol. 1** Sakae Saito,2022-11-22 All alone after the end of days, two girls ride through the desolate ruins of Japan—but they're not about to let the collapse of civilization get in the way of sightseeing!From the hot springs of Hakone to the massive Tokyo Big Sight, they've got the run of the country's most popular tourist spots all to themselves, so why not make the most of it?

**Riding in the Zone** Ken Condon,2019-10-15 Riding motorcycles is fun, but author Ken Condon maintains that there is a state of consciousness to be achieved beyond the simple pleasure of riding down the road. Riding in the Zone helps riders find that state of being. It's the experience of being physically and mentally present in the moment, where every sense is sharply attuned to the ride. Your mind becomes silent to the chatter of daily life, and everyday problems seem to dissolve. You feel a deeper appreciation for life. Your body responds to this state of being with precise, fluid movements, you feel in balance, your muscles are relaxed, and it seems as though every input you make is an expression of mastery. This is the Zone. Condon identifies all of the factors that affect entering the Zone and addresses each one individually, from the development of awareness and mental skills to mastering physical control of the motorcycle. At the end of each chapter are drills designed to transform the book's ideas into solid, practical riding skills. Riding in the Zone takes riders to the next

Dreaming Of Jupiter Ted Simon,2012-12-20 Ted Simon is the author of the classic travel book JUPITER'S TRAVELS. It documents his four-year journey round the world by motorbike, travelling through Europe, Africa, South and North America, and Asia. A number one bestseller in the late 1970s, it is still regarded as one of the greatest motorcycle books - indeed, one of the greatest travel books - ever written. In 2001, at the age of 69, Ted Simon decided to retrace his journey, and DREAMING OF JUPITER is the result. It took him two and a half years - during which time he revisited all the countries he had travelled through in the 1970s. He found much had changed, and he reflects upon the increased poverty, political upheavals, environmental issues and indeed the changes in himself. But ultimately, DREAMING OF JUPITER is a hugely inspiring read with a positive message

at its heart - that even at the age of 70 you can still set off on an adventure, and be surprised and excited by what life throws at you along the way.

**Rugged Road** Theresa Wallach,2007-08-01 London to Cape Town overland by Panther and sidecar, pulling a trailer. No roads, no backup -- just straight across the Sahara through equatorial Africa, and South to the Cape -- in 1935, without even a compass! This is quite simply the most incredible Panther journey ever! Undeterred by nomads, sand drifts, heat, rain, rivers, breakdowns and politics, Theresa Wallach and Florence Blenkiron completed a journey that might well defeat a modern bike. From oasis to oasis arguing with the French Foreign Legion for permission to continue, and winning; fashioning a tow hitch for the trailer when it broke in the desert; rebuilding the entire engine from scratch in Agadez; meeting gorillas, lions and snakes on the road, staying in African villages and meeting an amazing variety of friendly and helpful people. Not to mention having an accident in Tanganyika (Tanzania) with the only car seen on the road for days!
