Yamaha YZF R1 Limited Edition Extra, 2009-01-01 Yamaha introduced the YZF-R1 in 1988. The launch model was available in white, red or blue. In Europe the blue proved to be the most popular and was in very short supply. In 2000, Yamaha introduced a series of improvements, but in 2001 it was beaten in performance numbers by the Suzuki GSX-R. One major change for the '02-'03 period was a new fuel injection system, which worked like a carburetor slide and the engine was developed to rev higher, faster and for longer. In '04, with the competition advancing, Yamaha took to major developments including style updates and performance upgrades. In 2006, the 50th anniversary of Yamaha racing in the US, Yamaha released a Limited Edition yellow/white/black bike in original Yamaha racing colors. They also made a Special edition model featuring black paint, front and rear custom Ohlins suspension units developed by the people who work on the YZR-M1 MotoGP bike. Only 500 units were made for the United States.

Sixty Years of Airfix Models Jeremy Brook, 2015-06-30 The best-known and most important manufacturer of plastic model kits in the UK, Airfix has been at the forefront of the industry since 1955 when the first Airfix aircraft kit appeared in UK branches of Woolworth's. The kits were made to a constant scale and covered a wide variety of subjects, from aircraft to birds and from tanks to dinosaurs. In 1981 the famous London-based company closed down and only the kits survived intact. For the next twenty-five years Airfix was run by Palitoy and later Humbrol, but suffered from a lack of investment. In 2006, Hornby Hobbies Ltd, the train and Scalextric manufacturer, bought the ailing company and transformed it. Money and resources were ploughed into the range, and today Airfix releases around twenty new kits per year, designed to an incredibly high standard. The old kits of the 1950s and 1960s are gradually being replaced by new state-of-the-art tooling, all bearing that most prestigious name - Airfix. Published to coincide with the sixtieth anniversary of the first Airfix aircraft kit, *Sixty Years of Airfix Models*, tells the full story, year by year, of the company and its products. Illustrated throughout with colour photographs of kits, box art and completed models.
