**Yasmine** Eli Amir,2012-03-08 I'm an Arab Jew. I listen to classical music in the morning and Arabic music in the evening. Surprisingly for someone so young, Nuri Imari (whose family we encountered in The Dove Flyer), is appointed advisor on Arab affairs to the Israeli government. With little guidance he is asked by his boss to set up an office in East Jerusalem, sniff around to see what's happening there, meet their effendis, and provide me with your evaluations. Everyone is reeling from the aftermath of the Six Day War. The Palestinians cannot comprehend their losses, whilst the Israelis are waking up to a new political reality - and new responsibilities. Nuri discovers complexities and loyalties he could never have imagined. He tries to steer a humane course but soon finds himself confronting bigotry and hatred on both sides. And then he meets Yasmine, a Palestinian woman recently returned from Paris...

**Summary of Yasmine Mohammed's Unveiled** Everest Media,2022-07-24T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 I was six years old, and I had to memorize three short surahs from the Quran. If I made one mistake, my father would show me how he could really hurt me. #2 I was terrified of Allah, the Day of Judgment, and burning in Hell. I was also terrified of being punished by my parents if I did not memorize. The Internet is full of YouTube videos of children being abused in madrasas. #3 Islam requires parents to beat their children if they are not devout Muslims. The parents are afraid that if they do not beat their children, they will not be able to beat their sins, and will have to answer to Allah on the Day of Judgment.

**The Battle for Egypt** Yasmine El Rashidi,2011-05-17 In a series of riveting dispatches, Cairo native Yasmine El Rashidi provides an eyewitness account of the entire 2011 Egyptian Revolution as it unfolded, from its origins in the days leading up to the first January 25 protest in Tahrir Square through the violent confrontations with the regime and the fall of Egyptian President Hosni Mubarak, to the subsequent military takeover and the March 2011 constitutional referendum. Drawing on her deep knowledge of the Egyptian capital and its underlying social divisions, El Rashidi brings together a vivid story of the uprising itself with subtle insights about the strengths—and limits—of the protest movement and the prospects for large-scale political change in the September 2011 parliamentary elections. With a preface by the Oxford scholar of revolutions Timothy Garton Ash. The Battle for Egypt is available as an e-book only. There is no print edition of this book.

**Chronicle of a Last Summer** Yasmine El Rashidi,2017-06-13 A young Egyptian woman recounts her personal and political coming of age in this brilliant debut novel. Cairo, 1984. A blisteringly hot summer. A young girl in a sprawling family house. Her days pass quietly: listening to a mother's phone conversations, looking at the Nile from a bedroom window, watching the three state-sanctioned TV stations with the volume off, daydreaming about other lives. Underlying this claustrophobic routine is mystery and loss. Relatives mutter darkly about the newly-appointed President Mubarak. Everyone talks with melancholy about the past. People disappear overnight. Her own father has left, too—why, or to where, no one will say. We meet her across three decades, from youth to adulthood: As a six-year old absorbing the world around her, filled with questions she can't ask; as a college student and aspiring filmmaker pre-occupied with love, language, and the repression that surrounds her; and then later, in the turbulent aftermath of Mubarak's overthrow, as a writer exploring her own past. Reunited with her father, she wonders about the silences that have marked and shaped her life. At once a mapping of a city in transformation and a story about the shifting realities and fates of a single Egyptian family, Yasmine El Rashidi's Chronicle of a Last Summer traces the fine line between survival and complicity, exploring the conscience of a generation raised in silence.
