Yellow Jacket Football in Hard Times and Good Raymond J. Golarz, 2010-06-25 Ray Golarz paints a revealing pathway into the lives of a Depression era immigrant community. He takes the reader aboard a journey via the very early American game of football. Once aboard, the reader is introduced to a team of young semi-pro Polish football players, along with their friends, families, ethnic customs, and religious ways, then drawn into a community struggling to survive the Depression's challenges and maintain their unique identity in this newly-adopted country. This account has it all: football games filled with action, emotion, strategizing, and gritty determination. And like those who actually came to see the games, you will find it delightfully easy to walk along with family and friends, coming from all

over their neighborhood, to stand or take a seat on a make-shift bench. Join in the singing of the National Anthem, agonize over plays gone wrong, and walk with them over to Wusic's gas station to gather and celebrate after game victories. Ah, but stick around. There's more. Before, during and between games and seasons, you can come to team meetings, share a Christmas Eve ethnic meal, and attend a Christmas Eve Midnight Mass. If you can wake up at two o'clock in the morning, you will be taken on a night trip to collect coal along the railroad tracks. Then in early morning, go off to Wusic's for coffee and a log in the pot-bellied stove. And you can get a close look at the Depression on a national level as you join Lefty who goes "on the bum" hitting the rails, driven by curiosity and want for food at home. Meet World War I vets on their way to Washington for promised bonuses, walk to Niagara Falls, and take a cot in a New York City mission.

Yellow Jackets Emma Carlson-Berne, 2014-07-15

Fascinating insects, yellow jackets are aggressive wasps that like to eat rotting fruits and meat. Many people fear yellow jackets for their reputation as quick to sting. Yet they are just trying to protect themselves and their nests. Inside the nest are larvae that they care for and feed and which, in turn, provide adult yellow jackets with food for part of their lives. Once the larvae grow up, the food source disappears and so yellow jackets head out looking for sweet juices found in rotting fruit and soda cans. Readers will learn a lot more about yellow jackets and what else they eat when they are not scavenging.

Stephenville Yellow Jacket Football Ricky L.

Sherrod, 2011 In Texas, high school football is king. If pigskin passion is no less intense among college and professional fans, enthusiasm for the schoolboy sport is more democratically spread throughout towns and

communities, small and large. Almost any young man can play if he's willing to pay the price, work hard, and bring a bit of local, regional, or statewide glory to his hometown. Stephenville High School is one among an elite group of Texas football schools that has achieved at the highest level. The traditional rivalry games against Dublin and Breckenridge in the 1920s through the 1940s have evolved into heavily attended matchups with seven-time state champion Brownwood and, most recently, three-time state champion Aledo. From Joe Brown and Jim Mobley's powerhouse teams of the 1930s to Mike Murphy's 1952 regional qualifying squad, the Yellow Jackets have contended with the best in Texas. With four state championships, Art Briles made the 1990s a Decade of Dominance for Stephenville High School. Yellow Jacket football fever remains alive and well, promising to remain so long into the indefinite future.

Yellowjacket (Beta) Greg Enslen, 2017-12-16 Getting away with murder... Newly sober Frank Harper is solving cold cases left and right, finally impressing his boss. But Frank's unhappy--he misses the excitement of active police work. Meanwhile, in Cooper's Mill, the sleepy Ohio town where Frank's daughter and grandson live, things are heating up. Local man Joe Hathaway is about to stand trial for three counts of attempted murder, and Frank's been called in to testify. Joe's confident he'll win. But, just in case, he's got a plan--one that will finally bring Frank Harper to his knees.
