One Last Chance Jeffrey Siger, 2022-04-05 Welcome to the island where people never die When Chief Inspector Andreas Kaldis's longtime assistant, Maggie, returns to her ancestral home on Ikaria for her 104-year-old grandmother's funeral, she quickly realizes not only was Yiayia likely murdered, but that a series of other long-lived Ikariots had recently died under the same suspicious circumstances. Back in Athens, Andreas and his chief detective Yianni pursue a smuggling and protection ring embedded in the Greek DEA, and its possible involvement in the assassination of an undercover cop. But then Maggie and Yianni uncover a connection between their respective leads in the elder-killings on Ikaria and the DEA corruption case, and they realize that there are

**Travels With Foufy** Yianni Foufas,2013-05-28 This fun little book houses some unique cultural, political, social and geographical perspectives of travels through select areas of Europe, Asia and North America. Original correspondence to family and friends was a diary motif; the creation of a book was an afterthought. As such the original emails have been largely unaltered in the book, save some basic grammatical corrections and the addition of pictures. The book is a great little travel companion for the free spirited and inquisitive traveler. It makes for a good coffee table reader as well. The tales within speak to the challenges and tribulations a lone tourist can face when blindly landing in new places. It also demonstrates the importance of historical reference and political inference when analyzing new places, people and things as a naïve tourist. In the effort to dissect the new surroundings and capture the fresh and exotic experiences in the moment, the author duly chronicles his adventures and provides colourful observations for his interested audience. Yianni Foufas is a mixed media author, painter and photographer that explores varied subjects in his work. He has traveled extensively, and he is passionate about expressing himself through artistic mediums and professionally growing as an artist. Many of his photographs represent moments of reflection he had during his travels, and he is eager to continue the journey towards discovering the world in this way. Yianni lives in Alberta, Canada with his family.

**Eleftheria, Forever in Black** Alkiviadis Pappas, 2016-03-15 Several years ago, I was diagnosed and consequently had surgery for spinal stenosis. This condition forced me to spend more time at home. I became tired of watching the same reality shows over and

over and began thinking of my own life. Over the course of three years I began to write down my memories and those of my sister Eleftheria. I soon realized it was quite the story. All the names, places and dates of this book are real and truthful. Every incident described in this book was witnessed by me or confirmed by members of my immediate or extended family. The horrible truth is that we lived in hellish indignation. After WWII and during the Greek Civil War, in many instances the hatred intensified and the fear took over. I witnessed fathers and sons turning on each other and even go as far as shooting one another. Everyone was dressed alike. One couldn't discern friend from foe. If you were asked a question and gave the wrong answer; you had better start praying. For 10 whole years we lived in a chaotic, dangerous and corrupted environment. I witnessed arson and death. I even saw people tortured with hot oil and slashings. All these experiences culminated into excruciating nightmares that have haunted and continue to haunt me all my life. This book is about the war and two families, the Papaioannou and the Kalogeras families, which battled hunger, sickness, resentment, immigration and death.

**An Aegean April** Jeffrey Siger, 2018-01-02 Best Books of 2018 in Crime Fiction by Library Journal Fans of Adrian McKinty's Sean Duffy books and other police procedurals that handle violence and political issues with black humor will welcome this outstanding crime novel. —Library Journal STARRED review The beautiful Greek island of Lesbos, birthplace of the poet Sappho, and for centuries an agrarian paradise famed for anise-flavored ouzo and tasty sardines, sees its serenity turn into chaos as the world watches boatloads of refugees daily flee onto its shores from Turkey across the narrow Mytilini Strait. Mihalios Volandes is one of Lesbos' elite, the patriarch of a storied shipping clan. He's weathered many changes in his long life, and when a government policy accelerates the surge of refugees onto his island, he rises to prominence in relief efforts he sees as growing increasingly ineffectual. One evening, after working to stir up support for his breakthrough plan to strike at the heart of the lucrative refugee trafficking trade, he returns to his mansion in darkness—only to fall victim in his own garden to a swishing sword. A refugee-turned-local-aid-worker is found at the scene, splattered with Volandes' blood, and swiftly arrested by island police. Case closed—or would be, if young Ali Sera were not working with SafePassage, an NGO (non-government organization), headed on Lesbos by American Dana McLaughlin. McLaughlin is having none of Ali's arrest. Within hours the phone rings in the Athens office of Chief Inspector Andreas Kaldis, and she's requesting that Kaldis take over the investigation. Volandes was a prominent citizen and the crime particularly gruesome. Could it be terrorism or something else? But whether Ali is guilty or framed, Andreas can't ignore a powerful motive for the murder. Volandes' daring plan, if implemented, would soon shut down the cash-generating refugee-trafficking pipeline between Turkey and Lesbos. And so, we're off on a nail-biting ride with Kaldis and his team through Byzantine island politics, deteriorating diplomatic relations, and a world on fire with intrigues and more brutal deaths. This ninth Andreas Kaldis thriller once again links modern Greece to its ancient past, the powerful grip of myths upon its people, and cutting edge issues of societal change affecting our world at large.

*Simple Treasures in Bulgaria* Martin Miller-Yianni, 2008-11 Bulgaria is one of the least known countries in Europe. Tucked away in the southeast corner of Europe it has been hiding many treasures away unbeknown to many outsiders. Most, if not all travel books about Bulgaria cover well-trodden tourist resorts and understandingly ignoring lesser-known parts of Bulgaria. These 'fortunate' neglected areas, where tourism hasn't affected, remain in my and many others' opinion the most treasured parts of Bulgaria. The writing contains a variety of titles ranging from an epitaph of a simple Bulgarian village farmer to a traditional Bulgarian recipe with a local twist; articles giving humorous moments to more serious issues that Bulgarians have to contend with. It is seen with a clear view of how Bulgarians live and work both in towns and villages remaining firmly family and community bound.

**The Puppet Theatre** Claire Gruzelier, 2014-06-28 Eighteen-year-old Matthew Curtis is bored by his life of competitive over-achievement. During the May half-term before A-

Levels, he is wandering around the medieval fair in Rhodes with his young half-brother, Toby, when they come across a puppet show and meet the lively Turner family who run it. Learning that the Puppet Theatre is based not far from his home town of Oxford, Matthew returns to England determined to make contact with them again. But when he arrives at the theatre in Stratford, he finds an addition to the family group: a surly-looking youth called Yianni, whom the generous Turners have rescued from utter despair and brought back with them from Rhodes. While Matthew helps out at the Puppet Theatre, first by updating the website, then as a musician and practising puppeteer, tensions simmer between the two very different young men, particularly during the summer canal boat tour when Matthew realises that seventeen-year-old Penny Turner is falling in love with Yianni. Matthew, Penny and Yianni all face life-changing choices which impact on each other and on their respective families. Will Matthew reject his offer to read Mathematics at Cambridge in favour of joining the Puppet Theatre as an apprentice? Can anything draw Penny back from London, where she is waitressing at a friend's restaurant and rapidly developing a taste for clothes shopping and late-night partying? And when the inevitable punch-up occurs between Matthew and Yianni, how can they resolve their differences and work towards more productive relations in the future?
