The Hermaphrodite Julia Ward Howe,2004-12-01 Written in the 1840s and published here for the first time, Julia Ward Howe's novel about a hermaphrodite is unlike anything of its time--or, in truth, of our own. Narrated by Laurence, who is raised and lives as a man, is loved by men and women alike, and can respond to neither, this unconventional story explores the understanding that fervent hearts must borrow the disguise of art, if they would win the right to express, in any outward form, the internal fire that consumes them. Laurence describes his repudiation by his family, his involvement with an attractive widow, his subsequent wanderings and eventual attachment to a sixteen-year-old boy, his own tutelage by a Roman nobleman and his sisters, and his ultimate reunion with his early love. His is a story unique in nineteenth-century American letters, at once a remarkable reflection of a largely hidden inner life and a richly imagined tale of coming of age at odds with one's culture. Howe wrote *The Hermaphrodite* when her own marriage was challenged by her husband's affection for another man--and when prevailing notions regarding a woman's appropriate role in patriarchal structures threatened Howe's intellectual and emotional survival. The novel allowed Howe, and will now allow her readers, to occupy a speculative realm otherwise inaccessible in her historical moment.

international bestseller of a quest across centuries by two intrepid women to reunite the pieces of a powerful, ancient chess set (Los Angeles Times Book Review). A fabulous, bejeweled chess set that belonged to Charlemagne has been buried in a Pyrenees abbey for a thousand years. As the bloody French Revolution rages in Paris, the nuns dig it up and scatter its pieces across the globe because, when united, the set contains a secret power that could topple civilizations. To keep the set from falling into the wrong hands, two novices, Valentine and Mireille, embark on an adventure that begins in the streets of Paris and leads to Russia, Egypt, Corsica, and into the heart of the Algerian Sahara. Two hundred years later, while on assignment in Algeria, computer expert Catherine Velis finds herself drawn unwillingly into the deadly “Game” still swirling around the legendary chess set—a game that will require her to risk her life and match wits with diabolical forces. This ebook features an illustrated biography of Katherine Neville including rare images from her life and travels.

Happiness 6 Shuzo Oshimi,2017-12-19 A supernatural story of sexual awakening, growing up, and suburban vampirism, Happiness follows a dorky boy who is attacked by a girl in an alley. She sucks his blood and gives him a choice: life or death. He chooses life, but finds himself nearly overwhelmed by a new thirst and a fascination with the necks of his classmates... Praise for Flowers of Evil: A shockingly readable story that vividly--one might even say queasily--evokes the fear and confusion of discovering one's own sexuality. Recommended. -The Manga Critic A page-turning tale of sordid middle school blackmail. -Otaku USA Magazine By loving this manga I recognize what a sick and twisted individual I have become. While I can still say that I am not truly deviant, Flowers of Evil is a great reminder of my own thirst for power and my own personal corruption. -Otaku Champloo

The Touch Aurore Leigh Barrett,2013-10 “Fear Not my dear, Fear not of me Fear Not for fear shall not help thee The time is short, my plans are made Your casket shall be trimmed with jade.” Thus begins Aurore Leigh Barrett’s poem, “Fear Not” – an homage to one of her favorite poets, Edgar Allan Poe. It masterfully combines the macabre with the humorous. This stellar work, which Poe, no doubt, would wish he had written, is just one of a few poems in this current collection written in his honor – and one of many poems you will find that ably represent Barrett’s enormous talent. This collection of poems and stories by Aurore Leigh Barrett invites you to step into the world of this creative artist, and sample the breadth and depth of her literary world. Rather than being an exhaustive representation of a solitary style or mood, this book is a buffet of delights as it takes you from the lows of her loneliness to the heights of her happiness - from the dark and scary side of her imagination to the forthright and intelligent adventures of her alter-ego, Holly Hedges Whistler. Through it all, we share in her view of the world, and the way she makes the most of every day this life has to offer. In “Stardust”, Barrett tells how she begins each day - throwing a spoonful of stardust into the wind. “The

Stardust flies, the light sparkles, the grass begins to twinkle as the blades catch each falling ‘star’, and the flowers bow their heads as if to receive this glistening gift.” As Barrett lays bare her feelings, she tells us that writing is “a beautiful sweet torture of the soul”. She tells us that “writing is the pain of pulling away precious bits of memory or time. It is the quickening of birth within the loins of creation. It is the delicious ecstasy of desire that only I can satisfy.” Welcome to her world. This all-too-brief collection of Aurore Leigh Barrett’s writing will leave you hungry for more.
