*Samurai Armour* Trevor Absolon,2017-11-30 For beauty, precision and strength, nothing has ever matched the combination of form and function found in the armour of the samurai. For a samurai, the consummate warrior, his suit of armour was so much more than 'just' protective equipment that could save his life in the heat of battle - it was the embodiment of his personality, social status and very soul. This volume, the first in a two-part series on the armour of the samurai, traces first the history of the samurai themselves and then examines the history and evolution of the cuirass or dou, the armour protecting the samurai's chest. Drawing on over 20 years of research and technical work by Trevor Absolon, a leading expert, this is a complete study of this fundamental aspect of samurai armour construction. Illustrated throughout with photographs and diagrams, this is more than just a detailed technical exploration, it is a meditation on a process that was, and still is, nothing short of an art form.

SHOKU-KING Shigeru Tsuchiyama, The restaurant revival consultant Toshizo Kitakata is asked to rebuild the restaurant section of the Bay Sky Hotel in downtown Tokyo. But it was all a ruse to get Kitakata to square off against the genius chef, Okada, in a sandwich competition. Under constant supervision by the hotel, Kitakata gets his old nanny, Kiyo, to help him so he can create a gorgeous platter of fruit sandwiches....!!

Endsinger Jay Kristoff,2014-11-25 With Stormdancer, Jay Kristoff came roaring onto the fantasy scene-he has been praised as the master of unique and intense plots and huge twists (USAToday.com), while critics raved about the novel, calling it [A] fast-paced, fantastical adventure [that] is sharp as a Shogun's sword. (The LA Times). And with healthy sales in hardcover and electronic-fueled by Jay's inventive, enthusiastic, and relentless promotion on his website, Facebook, Twitter, and the blogosphere-we know readers are hungry for the finale to his wildly inventive Lotus War saga. As civil war sweeps across the Shima Imperium, the Lotus Guild unleashes their deadliest creation-a mechanical goliath, intended to unite the shattered Empire under a yoke of fear. Yukiko and Buruu are forced to take leadership of the rebellion, gathering new allies and old friends. But the ghosts of Buruu's past stand between them and the army they need, and Kin's betrayal has destroyed all trust among their allies. When a new foe joins the war, it will be all the pair can do to muster the strength to fight, let alone win. And as the earth splits asunder, as armies destroy each other for rule over an empire of lifeless ash and the final secret about blood lotus is revealed, the people of Shima will learn one last, horrifying truth. An exciting, vivid conclusion to a critically acclaimed series, Endsinger is sure to have fans racing through the pages to savor every last revelation.

*Kinslayer* Jay Kristoff,2013-09-17 Kinslayer is Book Two in Jay Kristoff's critically acclaimed Lotus War series that began with Stormdancer, featuring an unforgettable heroine and a stunningly original Japanese dystopian steampunk world A SHATTERED EMPIRE The mad Shogun Yoritomo has been assassinated by the Stormdancer Yukiko, and the threat of civil war looms over the Shima Imperium. The toxic blood lotus flower continues to ravage the land, the deadlands splitting wider by the day. The machine-worshippers of the Lotus Guild conspire to renew the nation's broken dynasty and crush the growing rebellion simultaneously - by endorsing a new Shogun who desires nothing more than to see Yukiko dead. A DARK LEGACY Yukiko and the mighty thunder tiger Buruu have been cast in the role of heroes by the Kagé rebellion. But Yukiko herself is blinded by rage over her father's death, and her ability to hear the thoughts of beasts is swelling beyond her power to control. Along with Buruu, Yukiko's anchor is Kin, the rebel Guildsman who helped her escape from Yoritomo's clutches. But Kin has his own secrets, and is haunted by visions of a future he'd rather die than see realized. A GATHERING STORM Kagé assassins lurk within the Shogun's palace, plotting to end the new dynasty before it begins. A waif from Kigen's gutters begins a friendship that could undo the entire empire. A new enemy gathers its strength, readying to push the fracturing Shima imperium into a war it cannot hope to survive. And across raging oceans, amongst islands of black glass, Yukiko and Buruu will face foes no katana or talon can defeat. The ghosts of a blood-stained past.

Finding Courage Emma Grondines,2023-08-01 Lea and her brothers are normal teenagers living normal lives in Vancouver with their parents. (Well, except for the part where they're quintuplets . . . and ninjas in training.) But that normalcy is turned upside down when, one day, they get home from school to find their house trashed. On top of that, their parents are missing, and all traces of their existence have been erased. As they search the house for clues, they find a message from their parents telling them they are members of the Hirawa clan and that they should travel to Japan to get help from their grandparents. The only problem? They've never met their grandparents. They didn't even know they had grandparents. The Hirawa clan has historically stood against the Kaneshiro clan, who are planning to release the Yōkai, creatures of myth that were banished by a Hirawa ancestor long ago. And according to prophecy, only the quintuplets have what it takes to stop them. But to do that, they'll need to survive life under the Hirawa clan's roof, find their parents, and unlock their true powers. No sweat, right?

Far from Home Paul Boyce,2020-12-09 On April 21st 1701, Yazama Jiutarô, a young Japanese samurai is devastated when he and his fellow warriors are informed of the ritual suicide of their master in punishment for a severe offence. The warriors are now ronin - masterless and on the run - but they vow vengeance on the court official whom they blame, promising to return in force at the New Year, December 31st 1702. They know that their revenge, no matter how justified, will only lead to their own deaths by the same ritual suicide. The band separates and scatters and Jiutarô heads south. As he crosses the sea from the main island of Honshu to that of Kyushu, his boat is hit by a tempest. When the storm abates he finds himself in a world populated by races and species of peoples familiar, strange and terrifying. Believing himself to be in one of the hells he has heard of in myths, theatre and stories, he knows he has to find a way back to the home he is far away from.

Tokyo and Venice as Cities on Water Rosa Caroli,Stefano Soriani,2023-12-20 Like other cities on water, Tokyo and Venice are characterised by intrinsic fragility, resulting from the combined work of the continuous emergence of technological, economic, social, and environmental forces, which affect the urban structure and landscape. Their tangible and intangible (material and immaterial) heritage can play a fundamental role in both maintaining their peculiar maritime identity and defining a future vision for the city. Accordingly, this volume focuses on how the rediscovery of water, from both architectural and cultural points of view, as well as the preservation of the historical and local character of the use of water, can contribute to new forms of resilience. The contributions from scholars, experts, and practitioners in various disciplines – from the social sciences and humanities to architecture and urban planning – that are brought together in this volume help to clarify the basic importance of maintaining and preserving the distinctive identity of two paradigmatic cases of cities on water.
