Your Lie in April Yui Tokiumi, Naoshi Arakawa, 2017-07-26 THE POPULAR MANGA AND ANIME DRAMA COMES TO LIFE IN WORDS! There's not a competition that piano prodigy Arima hasn't won since he started playing. His renditions are matchless in their precision. When he's only eleven, however, his peerless fingers fall silent—right up there on stage. Exploring the shock of the incident and its aftermath from his friends and rivals' perspectives, A Six-Person Etude accompanies the boy's halting efforts to pick himself up as an adolescent. Based on the hit series, these prose chapters expand on the original but form a coherent and hard-hitting tale of its own.

Write Your Novel from the Middle James Scott Bell, 2014-03-15 A powerful secret and a fresh approach to writing bestselling fiction! What's the best way to write a next level novel? Some writers start at the beginning and let the story unfold without a plan. They are called pantsers, because they write by the seat of the pants. Other writers plan and outline and know the ending before they start. These are the plotters. The two sides never seem to agree with each other on the best approach. But what if it's not the beginning or the end that is the key to a successful book? What if, amazing as it may seem, the place to begin writing your novel is in the very middle of the story? According to #1 bestselling writing teacher James Scott Bell, that's exactly where you'll find your story's heart and heat. Bell's Mirror Moment is the secret, and its power is available to any writer, at any stage of the writing process. Bringing together years of craft study and personal discovery, Bell presents a truly unique approach to writing a novel, one that will stand the test of time and serve you all your writing life. I need three things before I tackle a new novel: Diet Coke, a laptop, and my dog-eared copies of James Scott Bell's books on writing craft!- Kami Garcia, #1 NYT Times & International Bestselling author

Two Truths and a Lie April Henry, 2023-11-07 A group of teens are trapped in an old motel with a murderer in this chilling YA mystery by New York Times bestselling author April Henry. Nell has always wanted to be an actor, but she doubts her ability. As a member of her school's theater program, she prefers working backstage. On the way to a contest, an unexpected blizzard strands her acting troupe in a creepy motel. Soon they meet a group of strangers from another high school—including the mysterious and handsome Knox, who insists they play the game Two Truths and a Lie. When it's Nell's turn, she draws a slip of paper written in unfamiliar handwriting: I like to watch people die. I've lost count of how many people I've killed. Suddenly a

night of harmless fun turns into a matter of life and death. As guests go missing, it becomes clear that a murderer is hiding in their midst ready to strike again. In a room full of liars and performers, the truth is never quite what it seems. Nell is going to have to act like her life depends on it--because it does.

Where the Crawdads Sing (Movie Tie-In) Delia Owens, 2022-06-28 NOW A MAJOR MOTION PICTURE The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, "a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature" (The New York Times Book Review). For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life--until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Delia Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.
