

Yuga

Marty Glass

The Yugas Joseph Selbie, David Steinmetz, 2011-08-16 Millions are wondering what the future holds for mankind, and if we are soon due for a world-changing global shift. Paramhansa Yogananda (author of the classic *Autobiography of a Yogi*) and his teacher, Sri Yukteswar, offered key insights into this subject. They presented a fascinating explanation of the rising and falling eras that our planet cycles through every 24,000 years. According to their teachings, we have recently passed through the low ebb in that cycle and are moving to a higher age—an Energy Age that will revolutionize the world. Over one hundred years ago Yukteswar predicted that we would live in a time of extraordinary change, and that much that we believe to be fixed and true—our entire way of looking at the world — would be transformed and uplifted. In *The Yugas*, authors Joseph Selbie and David Steinmetz present substantial and intriguing evidence from the findings of historians and scientists that demonstrate the truth of Yukteswar’s and Yogananda’s revelations.

Yuga Marty Glass, 2001 *YUGA* describes five falls--the Fall into Time, the Reign of Quantity, the Mutation into Machinery, the End of Nature, and the Prison of Unreality. Taken together, these comprise the fate of historical humanity and are, the author is convinced, one-way trips. And the urban-industrial-vehicular-commercial-technological-pharmaceutical-electronic-information-spectator secular society they have produced has ripped the human world to shreds. . . . The book is hard-hitting, but readers who find it disturbing overlook the invincible beatitude that undergirds its every line. When we awaken from our modern nightmare--as sooner or later we all shall--this book will help us

remember what that nightmare was. In YUGA the perennial wisdom has found a new and clarion voice. Glass's poetic and novelistic vocabulary, combined with exhaustive and blithely eclectic research, the mind-boggling diversity of his sources and references, even the peculiar Table of Contents, is a radical departure. Equally at home with the Diamond Sutra and the Grundrisse of Karl Marx, while being a careful student of magazine displays at the checkout counters of supermarkets, the author cheerfully presents his book as a provocation rather than as argument. But the master achievement of YUGA, which lies neither in its 'argument' nor its style, is its voice. That voice speaks so palpably from the author's heart that we find it resonating in our hearts as well. The final pages of YUGA are celebrations of joy and love, and the discerning reader will detect those qualities lurking between the lines of the book's every page. For remember, Marty Glass is a spokesman for the truth that underlies all the world's wisdom traditions. Behind the world of appearances--samsara, maya, and the shadows on Plato's cave--stands the uncreated Light, Reality, which is eternal Bliss. This reality speaks to individuals in the darkest of times, and its grace never falters. No one need be completely captive to history's downward trajectory. Its dream unfolds, and we can actually love that dream if we are awake to the fact that it is we ourselves that are, collectively, the immortal Dreamer. The message of YUGA is the message of Tradition, the Sophia Perennis. -- Huston Smith, author of *The World's Religions*, etc. For those seriously concerned with the plight of present-day humanity and the unprecedented crises through which human society is passing, this book offers many profound insights. It can offer guidelines and openings onto the understanding of the traditional world and that perennial wisdom whose loss has

brought about the present age of spiritual darkness. -- Seyyed Hossein Nasr, author of Knowledge and the Sacred, etc.

Journey From 28th Dwapara Yuga To 28th Kali Yuga Suresh Kumar, 2021-06-05 In this book the author embarks on a spiritual journey to seek out the greater truth about the universe and time cycle and to give a clear picture about various yugas and the secret of kalpa (Day of Brahma). All his travel experience, wisdom and memories are shared in this book to give a deeper understanding about Time Cycle, God and his greatness to the mankind.

YUGA SHIFT BIBHU DEV MISRA, 2023-12-15 Almost every ancient culture believed that human civilization and consciousness has progressively declined since an erstwhile Golden Age till the current age of greed and lies, discord and strife, called the Kali Yuga. But when does the Kali Yuga end? And what happens after that? In this extensively researched book, Bibhu Dev Misra has delineated the common threads that run through the Yuga Cycle doctrines of ancient cultures, taking the aid of scientific discoveries wherever available. His reconstruction of the original Yuga Cycle framework indicates that the end of the Kali Yuga is just around the corner - in 2025! Within a span of just 15 years, by the year 2040, the Kali Yuga civilization is likely to collapse due to a combination of global wars, environmental catastrophes and comet impacts. The survivors will inherit a renewed earth, bathed in the divine light of the Central Sun. Is there any scientific evidence in support of the Yuga Cycle? What drives the sinusoidal fluctuation in our physical size and consciousness in course of the Yuga Cycle? Why do cataclysmic obliteration of civilizations occur after every Yuga? What do we make of the end-time

prophecies which tell of a Savior or Avatar returning at the end of the Kali Yuga? These are some of the key questions addressed in this book. This riveting and thought-provoking work contains one of the most important messages of our time.

The Mahābhārata and the Yugas Luis González Reimann,2002 This book questions the conventional wisdom that a fully matured theory of the yugas - Hinduism's ages of the world - is integral to the Mahābhārata, and it illustrates how traditional commentators and modern scholars have read the later Purāṇic yuga theory into the Mahābhārata, in particular when it comes to placing the action at the beginning of the current terrible Kali Yuga. Luis González-Reiman discusses the meaning of key terms in the epic by examining the text and early Buddhist sources. This book also traces the sectarian appropriation of the yuga system in later literature and documents how modern religious movements have used the system to proclaim the arrival of a new, prosperous Kṛta Yuga, a phenomenon that coincides with New Age expectations.

Kali Yuga Nikita Biswas,2017-01-29 The Kali Yuga is ending, the human civilization has degenerated spiritually and has strayed from their path. In the midst of all this, a young man finds himself caught in an ancient war between two age-old sects. On one side are the Asuras, power hungry despots, but these days they're in the business of control. Politics, economics, technology, they won't stop until every single one of us serves them. Fighting against them are the Devas, individuals who have dedicated their lives to safeguarding humanity. Like his predecessors Kalki will have to become more than a man to survive this, he will have to become a Deva.

Dwapara Yuga and Yogananda Poor Richard,2007-11-27 From the fall of Rome to

the Renaissance almost nothing new was discovered. Man looked back to the great learning of classical civilization for inspiration: admiring their thinkers and architects but incapable of equaling them. In turn, those ancients looked back further, to a previous "Golden Age." Why did civilization fall and then rise again? In 1920, the Indian Yogi Paramhansa Yogananda, author of the spiritual classic "Autobiography of a Yogi" , came to the United States with the answer. With his message of simple living and high thinking, he became the most popular speaker in the country. This short book deals with Yogananda and the New Age he described: Dwapara Yuga.

The Yuga Purāṇa John E. Mitchiner, 2002 Verse work on predicting events in India, considered a source book for Indo-Greek history.

Yuga Martin Glass, 1999?

Yuga Cycles for the Modern World Norah Romney, Today, the word God carries a lot of baggage. People conjure up different meanings for it based on their backgrounds and cultures; it often evokes positive and negative emotions. Humanity living in God's awareness on a day-to-day basis is often complicated for people from the Dwapara Yuga. As previously discussed, atheism and science often limit the Kali Yuga conception of God. According to Sri Yukteswar, God is not a venerable personage who resides in an antiseptic corner of the universe. As a result of God's consciousness, which is pure and beyond form and limitations, our consciousness is an inextricable expression of his consciousness. As we become more aware of ourselves, we become part of God's pure consciousness. Humanity has discovered more profound, subtle aspects of its true identity through the yugas. The layers of wrapping that hide the gift inside get removed as we move through

the yugas. Most wrappings will be removed in Satya Yuga, revealing the gift underneath as if through a thin layer of tissue. Each individual in Satya Yuga will experience God the Spirit beyond this visible world after removing the last layer.

Through Many Lives: A Tale of Time Travel Through the Yugas Nayaswami Savitri Simpson, 2011 A captivating time-travel adventure, based on the revolutionary cycles of time or yuga theory propounded by Paramhansa Yogananda (author of the bestselling classic *Autobiography of a Yogi*) and Yogananda's guru, Swami Sri Yukteswar. *Through Many Lives* provides insights into how time travel might actually take place in the future, by experiencing one's own past and future lives. A mood of gentle excitement permeates the book, while profound spiritual teachings are presented through the medium of a compelling story. *Through Many Lives* is the first novel in the Treta Yuga Trilogy.

Cancer and the Kali Yuga Cecilia Coale Van Hollen, 2022-10-11 As news spread that more women died from breast and cervical cancer in India than anywhere else in the world in the early twenty-first century, global public health planners accelerated efforts to prevent, screen, and treat these reproductive cancers in low-income Indian communities. *Cancer and the Kali Yuga* reveals that women who are the targets of these interventions in Tamil Nadu, South India, hold views about cancer causality, late diagnosis, and challenges to accessing treatment that differ from the public health discourse. Cecilia Coale Van Hollen's critical feminist ethnography centers and amplifies the voices of Dalit Tamil women who situate cancer within the nexus of their class, caste, and gender positions. Dalit women's narratives about their experiences with cancer present a powerful and poignant critique of the sociocultural and political-economic conditions that marginalize

them and jeopardize their health and well-being in twenty-first-century India.

Kalki Avatar Soon! Kali Yuga Finito! London Swaminathan, 2022-09-14 This book contains two parts; the first part deals with Kali Yuga and Kalki Avatar. There are different views on the calculation of Kali yuga. According to Tamil almanac, the beginning of Kaliyuga is 3102 BCE. But Varahamihira and Kalhana put it 700 years later. Saints like Yogeswar say, Kalyuga Finito; it is Dwapara Yuga now. One Tamil inscription supports the traditional view.

Armageddon of Kali Yuga Shathis Vengadasalam, 2022-03-28 Kali-yuga started when the Supreme Lord, K???a, left the planet, and will last for 432 000 years. This is the time when morality is at its lowest and evil is at its peak. At the end of Kali-yuga, the Supreme Lord will incarnate as Lord Kalki and at that time, He will cleanse the Earth from the fallen people and usher in the Golden Age of Satya-yuga. This entire flow of time will occur again and again till Lord Brahm? (the Creator) quits his body. When Lord Brahm? is at the end of his life, the entire creation will be reduced to its nucleus form and will get absorbed in God, waiting for the next cycle to roll. total annihilation.

Kali-Yuga and the Kalki-Avatara Helena Petrovna Blavatsky, 2018-03-25 Kali-Yuga is the age of darkness, misery, and sorrow we live in. However, there is one thing peculiar to the present age that may be used by the student. Consciousness' eternal pilgrimage from Light to Darkness is a long cycle from Alpha to Omega. When the Kalki-Avatara appears, our sufferings in this world will come to an end. If Vishnu is represented in his forthcoming and last appearance as the Tenth Avatara, it is only because every unit held as an androgyne manifests itself doubly. Messiah is the fifth emanation, or potency. The Kalki-Avatara will come forth from Shambhala, the City of Gods. The heaven will open and He will appear on a white horse. In him was life, and Life was the Light of men. He is the beginning and the end of separateness (i.e., selflessness). He will appear as Maitreya-Buddha in the Seventh Race. The first teacher of this round, on this planet, was a Dhyani-Chohan. The one who will appear at the close of the Seventh Race will again be a Dhyani-Chohan. He will incarnate into the whole humanity collectively, not individualised in one man. Then justice, order, and true brotherly love will be finally restored on earth. What can the true and earnest Theosophists do against the Black Age or Kali Yuga? With Appendices on the "Designations of Kalki-Avatara in major religions, and "Calendar of the Race that never dies."
