

Yule

Camēnae E DeWelles,Angelique Mroczka,Rosa Sophia

Yule Llewellyn, 2015-10-01 Llewellyn's Sabbat Essentials series explores the old and new ways of celebrating the seasonal rites that are the cornerstones in the witch's year. A well-rounded introduction to Yule, this attractive book features rituals, recipes, lore, and correspondences. It includes hands-on information for modern celebrations, spells and divination, recipes and crafts, invocations and prayers, and more! Yule—also known as Midwinter—is when nighttime has reached its maximum length, but there is a promise of brighter days to come as candles are lit and feasts are enjoyed. This guide to the history and modern celebration of Yule shows you how to perform rituals and magic to celebrate and work with the energy of the winter solstice.

Yule Dorothy Morrison, 2000 Jam-packed with more than 60 spells, invocations, and rituals, *Yule* guides readers through the magic of the season, as they discover the origin of the eight tiny reindeer, brew up some Yuletide coffee, and learn ways to create their own holiday traditions and crafts based on celebrations from a variety of countries and beliefs.

The Fires of Yule Montague Whitsel, 2013-04-30 In the myth and folklore of ancient European cultures and spiritual traditions, the longest night of the year, called Winter Solstice, was a time of transition during which people sought out personal renewal and rebirth. *The Fires of Yule* provides a template and a pattern for entering deeply into the Winter Solstice Season, experiencing it in poetic and transformative ways through a contemporary calendar called *The Thirteen Dayes of Yule*. Readers of *The Fires of Yule* will follow a pilgrim path of the Thirteen Dayes from 13 to 25 December, engaging in various myths, symbols, stories, and rituals associated with each day. Becoming practitioners of the Yule, deepening their experience of the Winter Solstice, they will move beyond the more banal and commercialized forms of the December holidays. The calendar of the Thirteen Dayes is sourced (historically) in Celtic myth and Paganism, as well as (imaginatively) in the lore of the Elves of ancient pre-Celtic worlds. This book brings together many of the best-known icons and customs of modern Christmas traditions, re-sourcing them in the light of a Pagan Hearth and offering touchstones for self-renewal at Winter Solstice. This revised edition of *The Fires of Yule* presents the mystic pattern of Thirteen Dayes in its fullest expression, narrated in the voice of a fictional character, Cornelius Whitsel, a student of religion and a Pagan spiritual director in the Keltelven Traditions who lives in the imagined landscape of Ross County, Pennsylvania. Cornelius has been a character in two of Montague Whitsel's other books; *Ham Farir: The Faring of Matthew Thorin Dier* (2008) and *Tales from the Seasons* (2009). *The Fires of Yule* is the culmination of more than three decades of the authors' devout engagement with the Yule and deep reflection on the nature of the Winter Solstice. Montague Whitsel has explored, studied and practiced Western spiritualities grounded in the Celtic, Neo-Pagan and Monastic traditions for more than 40 years.

Llewellyn's Little Book of Yule Jason Mankey, 2020-09-08 Filled with dozens of magical tips, recipes, crafts, and spells, *Llewellyn's Little Book of Yule* shares everything you need to make your Yuletide memorable and enchanting. From wassail blessings to the spirits of the solstice, this book delves into the lore of familiar traditions as well as observances that may be brand new to you, making it an invaluable resource for bringing meaning and magic to

your holiday season.

Around the Yule Log Willis Boyd Allen, 2023-08-16 *Around the Yule Log* is a heartwarming and festive collection of holiday stories written by Willis Boyd Allen. The book captures the spirit and traditions of the Yuletide season, offering a delightful array of tales that celebrate the joys, warmth, and togetherness of Christmastime. The stories within *Around the Yule Log* transport readers into a world of holiday magic and wonder. From cozy family gatherings to unexpected acts of kindness, each narrative weaves a tapestry of emotions and experiences that reflect the true essence of Christmas. These stories often center around the Yule log, a symbol of light and warmth during the winter solstice, and showcase the significance of this tradition in various settings and cultures. Through the pages of the book, readers are invited to join characters as they navigate the challenges and joys of the holiday season. Whether it's a tale of rekindled friendships, a heartwarming reunion, or the discovery of the true meaning of giving, *Around the Yule Log* captures the spirit of generosity, love, and goodwill that define Christmas. Willis Boyd Allen's storytelling is infused with charm and nostalgia, making *Around the Yule Log* a perfect companion for readers seeking heartwarming stories to enjoy during the holiday season. The collection reminds us of the importance of cherishing our loved ones, creating cherished memories, and embracing the spirit of Yuletide magic.

Yule and Christmas Alexander Tille, 1899

When the Yule Log Burns Leona Dalrymple, 1916

Pagan Writers Presents Yule Camenae E DeWelles, Angelique Mroczka, Rosa Sophia, 2011-12 Yule, also known as the Winter Solstice, was an indication to our early ancestors that the long winter was half over and that they needed to start looking toward the spring planting season. Modern-day celebrants of this sacred Sabbat exchange gifts, feast, and spend time with friends and family. *Pagan Writers Presents Yule* is a collection of articles, poetry, songs, and short stories. Thirty-four Pagan writers have come together to express how we celebrate the holiday, to share their thoughts and feelings, and to entertain with stories that take place on or around the Winter Solstice--

Yule-Tide in Many Lands Clara A. Urann, Mary Poague Pringle, 2022-11-22 'Yule-Tide in Many Lands' is a book that examines the celebration of Yuletide in various parts of the world. It was written by Mary Poague Pringle and Clara A. Urann. The book covers the celebration's origins, which is a festival historically observed by the Germanic peoples connected to the Wild Hunt, the god Odin, and the pagan Anglo-Saxon Mōdraniht (Mothers' Night). It also discusses the transformation from Yule to Christmas, and dives deep into how the season is commemorated in England, Germany, Russia, France, Spain, Italy, and the U.S., amongst many others.

The 12 Days of Yule Shanddaramon, 2008-12-01 An activity book that helps children celebrate Yule through coloring or pasting pictures.

The Baron's Yule Feast: A Christmas Rhyme Thomas Cooper, 2022-09-16 DigiCat Publishing presents to you this special edition of *The Baron's Yule Feast: A Christmas Rhyme* by Thomas Cooper. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available

in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Pagan Portals - Have a Cool Yule Melusine Draco, 2017-11-24 For the entire Pagan community Christmas should be one of the most sacred times of the year, but the lack of any formal written liturgy has consigned the festival to a minor observance in the Pagan calendar. Have a Cool Yule demonstrates that history proves the festival to be a wholly Pagan event, worthy of being acknowledged as one of the Great Festivals along with Beltaine and Samhain. With all the different strands of Pagan custom brought to the hearth-fire of the Mid-Winter Festival, we all have something to celebrate in time-honoured fashion, whether our ancestors are Briton, Celt, Norse or Anglo-Saxon.

Yule-Tide in Many Lands Mary P. Pringle, L. J. Bridgman, Richard D. Craft, Clara A. Urann, 2011-12-22 YULE-TIDE In Many Lands with illustrations and photographs (1916). The definitive guide to Christmas Yule Tide. Yule or Yuletide (Yule-time) is a winter festival that was initially celebrated by the historical Germanic people as a pagan religious festival, though it was later absorbed into, and equated with, the Christian festival of Christmas. The festival was originally celebrated from late December to early January on a date determined by the lunar Germanic calendar. The festival was placed on December 25 when the Christian calendar (Julian calendar) was adopted. Scholars have connected the celebration to the Wild Hunt. Terms with an etymological equivalent to Yule are used in the Nordic Countries for the Christian Christmas (with its religious rites), but also for other holidays of the season. Yule is also used to a lesser extent in English-speaking countries to refer to Christmas. Customs such as the Yule log, Yule goat, Yule boar, Yule singing, and others stem from Yule. In modern times, Yule is in the Nordic Countries becoming more of a pure cultural festival equivalent to the Midsummer celebration.[clarification needed] A number of Neopagans have introduced their own rites. Yule is the modern English representative of the Old English words *geol* or *geohol* and *geola* or *geoli*, with the former indicating (the 12-day festival of) Yule

When the Yule Log Burns Leona Dalrymple, 2022-09-16 DigiCat Publishing presents to you this special edition of *When the Yule Log Burns (A Christmas Story)* by Leona Dalrymple. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Krampus Brom, 2012-10-30 "Terrific. A wild ride...I loved it. It hooked me and I couldn't put it down." –Mike Mignola, creator of Hellboy Brom is that rare breed: a person who is skilled in more than one area of artistic expression. Here's hoping that he will continue to share his dark and often beautiful dreams with us for many years to come. --Christopher Paolini, New York Times bestselling author of *Eragon* Acclaimed author and artist Brom raised eyebrows and pulse rates with *The Child Thief*, his grim, brilliantly audacious, gorgeously illustrated reimagining of the Peter Pan legend. So what does this innovative fantasist do for an encore? He tinkers darkly with the beloved mythology of Santa Claus. Set in Appalachia, *Krampus the Yule Lord* is a twisted fairytale about a failed West Virginia songwriter who gets ensnared on Christmas Eve in an eternal war between a not-so-saintly Saint Nick and his dark enemy Krampus, aka Black Peter, an ancient trickster demon.

Krampus the Yule Lord is Gregory Maguire (Wicked) meets Susanna Clarke (Jonathan Strange & Mr. Norrell) in the realm of Guillermo Del Toro's Pan's Labyrinth, as Clive Barker (Mr. B. Gone) works his dark sorcery from the shadows. Once again featuring Brom's chillingly beautiful artwork throughout, Krampus the Yule Lord is a feast of wonder straight from the kitchen of Sweeney Todd.

Yule and Christmas Alexander Tille, 2023-07-18 This book explores the history and traditions of Yule and Christmas in ancient Germany. Tille describes the pagan origins of these celebrations and their evolution over time, including the incorporation of Christian elements. He also discusses the significance of various rituals, such as the Yule log and the Christmas tree, and the role of gift-giving in creating a sense of community. With its detailed research and rich cultural insights, this book is a must-read for anyone interested in the history of Christmas. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
