The Zap Gun Philip K. Dick, 2012 Two countries formerly at war must come together to protect their people in this biting satire on the military industrial complex from the critically acclaimed Philip K. Dick.

Zap! Martha Freeman, 2018-01-02 Shortlisted for the Edgar Award for Best Mystery “Mystery lovers will be satisfied by the plot and adults will love the curriculum and social awareness tie-ins.”
—School Library Journal Eleven-year-old Luis is left looking for answers after a city-wide blackout leads him to an electrifying mystery in this edge-of-your-seat thriller from Martha Freeman. Luis Cardenal is toasting a Pop-Tart when a power outage strikes Hampton, New Jersey. Elevators and gas pumps fail right away; soon cell phones die and grocery shelves empty. Cold and in the dark, people begin to get desperate. Luis likes to know how things work, and the blackout gets him wondering: Where does the city’s electricity come from? What would cause it to shut down? No one seems to have answers, and rumors are flying. Then a slip of the tongue gives Luis and his ex-best friend Maura a clue. Brushed off by the busy police, the two sixth graders determine they are on their own. To get to the bottom of the mystery, they know they need to brave the abandoned houses of Luis’s poor neighborhood and find the homeless teen legend known as Computer Genius. What they don’t know is that someone suspects they know too much, someone who wants to keep Hampton in the dark. In this highly charged mystery, two can-do sleuths embark on a high-tech urban adventure to answer an age-old question: Who turned out the lights?

Zap Paul Fleischman, 2015-08-04 Cue the lights for a nonstop farce that juxtaposes seven different plays--performed simultaneously--with a comic genius reminiscent of masters from Monty Python to the Marx Brothers. Combining spot-on parodies of Anton Chekhov, Agatha Christie, Tennessee Williams, Samuel Beckett, Neil Simon, and performance art, and throwing in scenes from Richard III for good measure, Zap mixes genres and story lines with the same speed that we flick through channels and navigate browser windows. In the ten years since Zap was first published, Paul Fleischman has spoken to many of the producers, actors, and directors who have brought his hilarious and insightful play to life. With their feedback in mind, he presents this fine-tuned, newly revised edition of a play that comically explores the collision of narratives that occurs on our screens every day and rings true now more than ever.

Zap Science John Cassidy, Paul Doherty, Pat Murphy, Exploratorium (Organization), 1997 Written in collaboration with the world-famous San Francisco Exploratorium, this science book-o-rama takes readers on a 17-story roller coaster science ride. Divided into five sections, Zap Science invites

readers to dive into the exciting world of science experiments. Full color.

Zap Paul Fleischman,2015-08-04 “High-school theater departments willing to experiment with something new might try this as an alternative to the same old reruns of *Grease* and *Romeo and Juliet*.” —Kirkus Reviews Newbery Medalist Paul Fleischman has considered the advice of performers and producers in this newly refreshed and thoroughly updated edition of a high-school tour de force. When high school drama departments are not dusting off the old classics—over and over—they are constantly in search of new material. But what play could possibly suit the sound bite attention span of kids who flit from text messages to social networks throughout their day? Cue the lights for *Zap*, a nonstop farce that juxtaposes seven different plays—performed simultaneously—with comic genius. An extensive author’s note provides information and insight on the plays and playwrights spoofed in *Zap*.

ZAP Gerard Casey,2019-11-18 We're all in favour of free speech — except when we're not! Often it's a case of 'free speech for me, but not for thee'. The regulation of speech is a matter that is typically dealt with arbitrarily without there being any obvious principled basis for the decisions that are made. Is hate speech, so-called, a form of free speech? What of blasphemy, in either its ancient or contemporary forms? Should certain forms of speech be mandatory? As with free speech, we're all in favour of tolerance — except when we're not! Tolerance is increasingly coming to seem, well, intolerable and new and improved forms of intolerance are everywhere on the rise, not least as embodied in the currently fashionable doctrines of diversity, inclusion and equality. In *ZAP*, Gerard Casey presents a critical and unified approach to both free speech and tolerance based on the Zero Aggression Principle, keeping the critical discussion topical and grounded by reference to current events.

Zap Chris Osburn,2010-08-04 Eric Trotter wasn't expecting to disappear. One look at his face on the security footage was proof of that. Was this a one-time event, or are we next? If Eric can disappear into nowhere, so could anyone else. How did this happen--and why?Terra Tyler-Padgett wasn't expecting a mystery. She was just going to spend the summer on her dad's farm. But when Eric stops returning his calls, a lot of people start getting nervous.

Zap! Martha Freeman,2019-05-07 Eleven-year-olds Luis and Maura investigate the cause of a long-term, city-wide power outage in Hampton, New Jersey. Includes facts about electric power and instructions for assembling an emergency kit.

Zap #16 R. Crumb,Gilbert Shelton,Robert Williams,S. Clay Wilson,Spain Rodriguez,Victor Moscoso,Paul Mavrides,Rick Griffin,2016-02-22 The final, previously-only-available-in-a

limited/collector's-edition issue of the the most important comic book series of all time! This blowout issue not only includes work by all eight Zap artists (plus a collaboration with cartoonist Aline Kominsky), but also three double-page jams by the group. Plus: Zap's first-and-only color section, featuring comics by R. Crumb and Gilbert Shelton (his final Zap Wonder Wart-hog episode, no less). Paul Mavrides provides an alternately embellished version of Gilbert Shelton's and his Fabulous Furry Freak Brothers episode, "Phineas Becomes a Suicide Bomber" (originally inked in the Complete Zap by Shelton).

After the Zap Michael Armstrong, 2001-05-15 The Zap gives... and the Zap takes away. Because of the very nature of the Zap -- the big thermonuclear bomb that had scrambled and rearranged the neurons of everyone's brains -- there was no way of telling what it had taken from them all. The past was a jumbled mass of tantalizing glimpses and agonizing blanks. But the Zap's gifts were many and varied. The Readers got the rare and often dangerous ability to make sense of the writings of the past... The Memors got perfect recall -- of everything they'd heard since the Zap... The Bush Punks got a chance to live free and easy -- and die the same way... The God Weirders got religion -- if you could call it that... The Blimpers got a purpose -- a purpose that could save them, or destroy them all. Now Holmes, a Reader, was in the perfect position to tip the scales for or against survival -- if only he could figure out which side was which.

Zip Zap Mike Gaddis, 2006 Mike Gaddis swore to be painfully selective in choosing the puppy that would accompany him on the horseback pointing dog trials he so badly wanted to participate in. He knew the smallest female born sixth in the litter of twelve English setters was special, but he didn't understand the power of her potential until he let her loose in the field. Her lightning speed earned her the name Zip Zap, and she grew to be the best bird dog Gaddis ever owned. In this memoir, Gaddis celebrates the dog's indomitable spirit and tells the story of training and developing superior pointers, from their first unrefined runs in the amateur puppy stakes to winning major championships.

Religious themes.

Zen: Zest, Zip, Zap and Zing Osho,2023-06-30 Zen is not a religion, it is living life in its totality, herenow. Religions are always postponing life: they are giving you beautiful illusions about life somewhere in the future, far away, beyond death. That is a strategy to divert and distract you from the realities of life. That is pure cowardice. It is also a rationalization so that you can be consoled: 'If life is miserable today there is nothing to be worried about, tomorrow everything is going to be well. In fact, to suffer life today is a preparation for enjoying life tomorrow, so the more you suffer the better. There is no reason to complain, no reason to rebel, no reason to revolt against all those things which are causing misery.'
