**Fulkrum - Hope** Norm Hillman,Norm Skuld,2012-07 Do angels breed? The 'fallen' did, and even the 'chosen' in a time of need. Fulkrum-Hope by Norm Skuld tells the story of two such angels'half-breeds that came into the world before the time of Christ and their journey after. This is an inspiring tale of siblings Brigadoon and Airakeen, two young Gibborim (half mortal, half angel), who came into this world with extraordinary powers. 'Doon,' as he was called, became guardian to Jesus and watched as he grew into a man, many times protecting him behind the scenes. This is a glorious tale of the continuing battle between angels and demons that could well decide the fate of mankind at the end of the world.

Unfortunately, it's much harder for the head of a clan to disappear than Antonia realizes. Her brother Richard wants the crown for himself, but to take it, he must take out his sister. **European Theatre 1960-1990 (Routledge Revivals)** Ralph Yarrow, 2014-10-14 European theatre has been the site of enormous change and struggle since 1960. There have been radical shifts in the nature and understanding of performance, fuelled by increasing cross-cultural and international influence. Theatre has had to fight for its very existence, adapting its methods of operation to survive. *European Theatre 1960-1990*, first published in 1992, tells that story. The contributors - who in many cases have been theatre practitioners as well as critics - provide a wealth of fascinating information, covering Germany, France, Poland, Italy, Spain and Sweden, as well as Britain. The book offers an historical and descriptive overview of developments across national boundaries, enabling the reader to compare and contrast acting and directing styles, administrative strategies and the relationship between ideology and achievement. Chapters trace the evolution of theatre in all its aspects, including such elements as the end of censorship in many countries, the upsurge in political and personal awareness of the 1960s, shifting patterns of state artistic policy, and the effects on companies, directors, performers and audiences. This book should be of interest to undergraduates, postgraduates and academics of theatre studies.

**G.I. Joe Classified Book One** Kelley Skovron, 2022-07-26 A page-turning action-adventure story awaits middle-grade readers in this exciting new series featuring G.I. Joe! Deadly technology, missing students, and a secret organization of ninjas come together in this

propulsive story set in the world of G.I. Joe. When Stan's mom gets the job offer of a lifetime at a cutting-edge tech company, Stan packs his bags and exchanges Chicago for Springfield, home to DeCobray Industries. Saying goodbye to big-city life is only the first challenge Stan faces in moving to Springfield, a town that's eerily under the thumb of his mother's powerful employer. DeCobray has its hand in everything, including the Lyre XR augmented reality headsets that Stan and his fellow students at Springfield Academy are asked to beta test. At first Stan loves his headset—data on his classmates is at his fingertips, and the Lyre's custom filters make school sort of fun—but then he meets Scarlett, Ichi no Zoro-me, and Julien, and his new friends show him there's a lot more going on behind DeCobray's flashy tech. When several kids go missing at school, Stan and his friends set out to uncover the truth behind the devices. But the further they dig, the more sinister the conspiracy at the heart of their town appears . . . This propulsive series starter is a heart-pounding thrill ride from start to finish, perfect for fans of G.I. Joe and action-adventure stories alike.

**GIM NIGMA** David Abrahmov,2017-02-06 In the year 2020, following the most terrifying event ever, civilization underwent a dramatic change. A mysterious terrorist organization succeeded in stealing the nuclear weapons operating codes from the two superpowers, Russia, and the United States. Without prior warning, the terrorist organization headed by four cruel leaders unleashed nuclear weapons upon the entire continent of Australia, wiping millions of lives off the face of the Earth in just one instant. World civilization faced absolute collapse. The four leaders of the empire threatened the world with continued nuclear attacks on the remaining continents. World leaders had no choice but to capitulate; thus in the year 2020, a great revolution took place, and all citizens of the world who had previously been free, became enslaved to the evil empire and the mega-corrupted army. The year is 2050. Thirty years have passed since the great destruction that so shook humankind. One man stands alone on the slopes of the Alps Mountains screaming with a question "Why?" toward the heavens as he witnesses one of the horrible acts of the terror organization army. The man's name is Adam Swandon. He leaves his house deciding to go on a journey in quest of the answer to all evil. He resolves to find a solution that would for once and for all bring an end to the age of suffering and enslavement for all humanity. In his journey filled with adventures and challenges, he meets good people who help him to believe in himself and in his unique mission of saving the world from the empire of evil. Adam hears rumors of an ancient, mysterious prophecy telling of a special power called "Gim Nigma" buried somewhere in the world. It is the positive power and is the antidote to all powers of evil. Can one man stand a chance against the evil terror organization? Will Adam succeed to find the mysterious force, "Gim Nigma?" Can humanity be saved from its own self-destruction? What is Gim Nigma? And what will be the real answer to evil?
