It's a Wonderful Death Sarah J.

Schmitt, 2015-10-06 If you had one chance to change your future, would you? Now in paperback!

Seventeen-year-old RJ always gets what she wants. So when her soul is accidentally collected by a distracted Grim Reaper, somebody in the afterlife better figure out a way to send her back from the dead or heads will roll. But in her quest for mortality, she becomes a pawn in a power struggle between an overzealous archangel and Death Himself. The tribunal presents her with two options: she can remain in the lobby, where souls wait to be processed, until her original lifeline expires, or she can replay three moments in her life in an effort to make choices that will result in a future deemed worthy of being saved. It

sounds like a no-brainer. She'll take a walk down memory lane. How hard can changing her future be? But with each changing moment, RJ's life begins to unravel, until this self-proclaimed queen bee is a social pariah. Is walking among the living worth it if she has to spend the next sixty years as an outcast?

Mobile Suit Gundam WING 9 Katsuyuki

One of the biggest anime/manga properties of all time returns with the release of Mobile Suit Gundam Wing. A longtime hit of the Cartoon Network, Gundam Wing remains one of the most recognized Japanese titles in recent history spinning off a number of movie, books, and model kit collections. The Glory of Losers retells the original WING story by incorporating elements of the anime and its recent light novel adaptations. Following the actions of five fighters and their mobile suits (large robots made for destruction), Gundam Wing is a heavily political, dramatic action work that is centered around a war between Earth and its surrounding colonies in space.

Masterpieces of Kabuki James R. Brandon, Samuel L. Leiter, 2004-05-31 Masterpieces of Kabuki contains eighteen outstanding dramas taken from the landmark four-volume series Kabuki Plays On Stage. Together they cover the entire spectrum of kabuki drama from 1697 to 1905, the period during which kabuki's dramaturgy flourished prior to the onset of Western dramatic influence. Major playwrights, chronological periods of playwriting, and a variety of play types (history, domestic, and dance dramas) and performance styles are

represented. All but one are in the current repertory and regularly staged. The volume includes introductions to each play and a new general introduction highlighting kabuki's historical development and relating the plays to their performance context. As the subtitle implies, the plays are translated as if on stage. Stage directions indicate major scenic effects, stage action, costuming, makeup, music, and sound effects. In some cases, complex stage actions such as stage fights are given in detail. The plays collected here are all marvelous examples of dramatic writing, intended to be acted on the stage before audiences. They reveal kabuki's eras of brilliance and bravado, villainy and vengeance, darkness and desire, and restoration and reform. All continue to stir audiences to admiration and excitement.
