

Zyra

RM Cervero

Dia Jodohku Rupanya HANIS AZLA,2017 Pertemuan antara Zyra Liyana dan Zariff Irfan tidak disengajakan. Apa yang menghairankan Zyra, mengapa lelaki itu begitu membenci dirinya? Malah, jejaka tampan itu sering digelar POYO. Berbagai cara yang dibuat oleh Zariff untuk menyakiti hati Zyra. Lebih merumitkan keadaan apabila Zyra dan Zariff bekerja satu syarikat yang dikendalikan oleh Azura. Dalam benci ada cemburu apabila Azura sering mengganggu Zariff. Dan akhirnya benci itu membuahkan bibit percintaan. Namun, satu rahsia membuatkan cinta mereka pudar dan tidak berseri. Rupa-rupanya bekas kekasih Zariff ialah Amelia, kembar kepada Zyra yang meninggalkan lelaki itu untuk berkahwin dengan lelaki lain. Dendam di hati Zariff membuatkan Zyra turut terluka. Bagaimana berakhirnya cinta mereka? “Aku rasa dia tu kena tinggal dengan kekasih! Tu meroyan tak tentu pasal!” – Zyra Liyana

The Zyra Chronicles Anna E. Fajardo,2008-02-28 For countless years, a dragon named Venomous plagued the Four Lands of Zyra with his fiery destruction. He fell asleep for a millennium and a seer prophesied his demise: Five chosen by birth among the races would rise up together and put an end to the dragon. Ryenorath, the son of an inn-keeping farmer, is stalked by malevolent shadows in the manifestation of men cloaked in black. Zenor, the Prowling Shadow, tells him that he is the most vital chosen of the Prophecy, the one with a mysteriously commanding voice. The Shadows mark him as their next victim, and Ryen embarks on a journey across all of Zyra, searching for the other four prophesied to join him in his quest to slay Venomous. He finds a Clairinian archer, a haunted warrior, the princess of the Volcanic Mountain, and a spoiled princess. Together they journey over Zyra towards the dragon's lair, fighting off the dragon's soldiers and even the dragon himself. Ryen must sacrifice all he has to succeed or the quest will fail.

Wings of Flesh Edward Nyahay,2003-05-19 This story of the second coming of Christ is manifested in the life of ZYRA, today's hottest, most controversial rock star/actor, who lives a life even the devil himself could not predict. Now forced to decide: lose his salvation or continue his passion, Zyra, at the brink of sanity, encounters the spiritual realm within his dreams. In order for him to terminate the evil he has released, he must dive deep within his subconscious and confront his demons. What he experiences is beyond his imagination, instilling a fear no man should ever know. Inspirational. Thriller. Horror. May God Bless the souls who seek a better life.

Gamers' Rebellion George Ivanoff,2013-06-01 Tark and Zyra finally make it out into the real world ... but things are not quite what they expected. When Zyra is captured by the Designers, Tark finds himself among a group of teenage rebels. It seems like everyone has an agenda, and Tark and Zyra are to be the pawns in other people's power games. They soon discover the sinister uses to which the game is being put and the shocking way it is all operated — with dozens of kidnapped children wired directly into the mainframe, their brains keeping the whole thing going. Will Tark and Zyra be able to free these children? Will they be able to save the characters within the game from the people who created them? Will they even be able to remain in the real world? Or will the Designers' plans for world domination win out?

Outer Space and Popular Culture Annette Froehlich,2019-08-01 This book provides detailed insights into how space and popular culture intersect across a broad spectrum of examples, including cinema, music, art, arcade games, cartoons, comics, and advertisements. This is a pertinent topic since the use of space themes differs in different cultural contexts, and these themes can be used to explore various aspects of the human condition and provide a context for social commentary on politically sensitive issues. With the use of space imagery evolving over the past sixty years of the space age, this is a topic ripe for in-depth exploration. The book also discusses the contrasting visions of space from the late 19th and early 20th centuries and the reality of today, and analyzes space vehicles and habitats in popular depictions of space from an engineering perspective, exploring how many of those ideas have actually been implemented in practice, and why or why not (a case of life imitating art and vice versa). As such, it covers a wide array of relevant and timely topics examining intersections between space and popular culture, and offering accounts of space and its effect on culture, language, and storytelling from the southern regions of the world.

This Isn't Where Zyra Keeps All His Passwords Just Zyra Books,2020-04-12 Alphabetical Internet Password Book Small journal / diary / notebook to write in especially made for keeping your passwords safe, with alphabet tabs throughout, along with some top tips! Hollywood Science Sidney Perkowitz,2010-02-22 In this book, a scientist and dedicated film enthusiast discusses the portrayal of science in more than one hundred films, including science fiction, scientific biographies, and documentaries. Beginning with early films like Voyage to the Moon and Metropolis and concluding with more recent offerings like The Matrix, War of the Worlds, A Beautiful Mind, and An Inconvenient Truth, Sidney Perkowitz questions how much faith we can put into Hollywood's depiction of scientists and their work, how accurately these films capture scientific fact and theory, whether cataclysms like our collision with a comet can actually happen, and to what extent these films influence public opinion about science and the future. Bringing together history, scientific theory, and humorous observation, Hollywood Science features dozens of film stills and a list of the all-time best and worst science-fiction movies.

The Beauty of Loving You Viola Monreaux,2018-06-05 Every woman has that moment where they've gone too far in the name of love... Viola is a woman who never seemed to think there was a such thing as going “too far. She believed in love, and her life goal was to achieve her happily ever after with the man of her dreams. Unfortunately for her, this wasn't what she got although she was everything any man could ever want. She ended up convinced that love simply didn't exist... until she met first love, her high-school sweetheart, Marco. Marco was a young thug, but Viola loved him at first sight, and though the love was mutual, unexpected life events tore them out of each other's lives. After she loses her first love, she looks for a replacement for the man she never wanted to live without but ends up being hurt over and over again instead. What more does a girl have to do to be loved? Is love and affection worth everything... even her life? And will she ever be able to gain the love back that she had with Marco or is that a chance at happiness she will never have again?

Lotus be Lotus Zyra Gaviola,2021-09-06 It all starts because of a school pageant. It isn't love at first sight, but rather, like at first sight. Crest Yuran has never felt like this before, a mixture of euphoria and terror. She is used to having more attention to dealing with sibling and financial matters. The only person she ever cares about is her twin brother, Camber Yuran, whom she relies on during their years in the orphanage. Now that Hazel Green, the goddess-like human being, has entered her life, everything may start to change. She starts to think that what she feels is wrong, but the longer she hides it, the more it grows. Hazel has green eyes, but Crest knows that what she feels is something deeper than those captivating eyes. However, she is afraid of being judged by who and what she is. The belief that what she feels is wrong is starting to suffocate her, and now she's starting to regret liking her. But one can never force themselves to stop this kind of feeling. She's the type of person to not mind what anyone says, but for some reason, she's affected by such comments. Now, fear is locking her inside a cage, and she is the only one who has the key. Will she ever get out?

World Warden Albert Nothlit,2022-04-26 Human colonists aren't the only intelligent life on planet New Skye. When a wurl queen kidnaps Elias's brother, Elias and Tristan must brave the alien wilderness to rescue him. And in the vast ocean they must cross lies something ancient that should not be disturbed....

Gamers' Challenge George Ivanoff,2011 For Tark and Zyra, life was literally just a game, controlled by the all-powerful Designers. But then they broke the rules and life got a whole lot more complicated... And deadly. Pursued by a powerful computer virus they must locate the Ultimate Gamer with the help of some unexpected allies, and face their greatest challenge - finding a way out of the game... The action-packed sequel to Gamer's Quest.

Lightly Wicked D.C. Phillips,K.G. Phillips,2018-07-24 Time changes nothingnot in your world, not in mine. Actions are what change, and even that fails. For Emilia Manescu, time seemed endless, for her kind lived far longer than humans. Time never erased the death of her family, her pack, her friends, and multitudes of strangers that she could not save from her evil twin sister, Rebekah. And time could not keep Rebekah from awakening again, hell-bent on resurrecting an even greater evil by name of Sebastian. Time was even running out for Emilia as death and destruction followed her dark twin, and this time, Emilia was afraid that Rebekah would succeed in her mission for Rebekah had a new trick up her sleeve. Will Emilia and her

new family stop Rebekah before time runs out and Rebekah brings Sebastian back to life, or will Rebekah succeed and watch as the world burns around her?

A Guide to Apocalyptic Cinema Charles P. Mitchell,2001-02-28 This examination and comprehensive assessment of apocalyptic film studies fifty films that illustrate the variety, range and different categories of the genre. Apocalyptic films are those that depict, on screen as part of the story, an event threatening the extinction of mankind. A brief overview identifies seven major categories of apocalyptic films: the religious or supernatural, celestial collision, solar or orbital disruption, nuclear war and radioactive fallout, germ warfare or pestilence, alien device or invasion, and scientific miscalculation. Alphabetically arranged entries rate the films and provide production information, an annotated cast listing, a synopsis of the film, a critique, and representative quotes. Film scholars and those with a special interest in apocalyptic cinema will appreciate the overview and detailed analysis of the films. Appendices provide additional examples of apocalyptic movies excluded from the main text, a sampling of post-apocalyptic cinema which is distinct from the apocalyptic genre and examples of apocalyptic television. Illustrations are included.

Nelly's Angels Zyra Saunders,2021-04 Imagine the best day of your life suddenly becoming the worst. Shekinah Glorie is a fifteen-year-old naivet  who is forced from her comfortable suburban lifestyle in Wheeling, West Virginia, only to be thrust into the middle of the ghetto in Toledo, Ohio, to live with the family of a dad she's never known. Shekinah uses her circumstances to give birth to a beast within her soul as she takes on a good girl gone bad persona, which is quickly put to the test when she bumps into the neighborhood bullies. Nevaeh Johnson and Hajirah Valez are self-proclaimed sisters, and hood chicks, with an attitude big enough to match Shekinah's. After a heated exchange, they learn that their bad girl attitudes aren't the only thing they have in common. They realize that they've all lost loved ones to gang violence, and so they turn their anger towards the neighborhood gangsters, formulating a plan to cut the head off the snake once and for all. No one is exempt, not even family. This is the story of three teens who fight to bring justice to their community and pave the way for hurting hearts to heal all over the world. In a neighborhood where the police are just another gang, these girls are taking the law into their own hands. Vengeance is theirs!
