Horror after 9/11 Aviva Briefel, Sam J. Miller, 2012-08-24 Horror films have exploded in popularity since the tragic events of September 11, 2001, many of them breaking box-office records and generating broad public discourse. These films have attracted A-list talent and earned award nods, while at the same time becoming darker, more disturbing, and increasingly apocalyptic. Why has horror suddenly become more popular, and what does this say about us? What do specific horror films and trends convey about American society in the wake of events so horrific that many pundits initially predicted the death of the genre? How could American audiences, after tasting real horror, want to consume images of violence on screen? Horror after 9/11 represents the first major exploration of the horror genre through the lens of 9/11 and the subsequent transformation of American and global society. Films discussed include the Twilight saga; the Saw series; Hostel; Cloverfield; 28 Days Later; remakes of The Texas Chainsaw Massacre, Dawn of the Dead, and The Hills Have Eyes; and many more. The contributors analyze recent trends in the horror genre, including the rise of 'torture porn,' the big-budget remakes of classic horror films, the reinvention of traditional monsters such as vampires and zombies, and a new awareness of visual technologies as sites of horror in themselves. The essays examine the allegorical role that the horror film has held in the last ten years, and the ways that it has been translating and reinterpreting the discourses and images of terror into its own cinematic language.

For Kelson was half Deryni -- part of that race of humans gifted with extrasensory powers...a race that had ruled two centuries earlier, but was dethroned and driven underground. Now, the final battle for ultimate power was about to break into open conflict, led by the Church which equated the supernatural powers of the Deryni with witchcraft and heresy!

Feeding the Dragon Chris Fenton, 2020-07-28 "Paced like a thriller, with comparable doses of international intrigue and conflict, Chris Fenton's bracingly candid business memoir *Feeding the Dragon* takes readers deep behind the scenes of Hollywood's shaky foothold in China. Dealing at the highest levels with Chinese government officials and major American brands like Disney, Marvel, and the NBA, the former Olive Garden waiter-turned-entertainment-industry-power-broker disarmed and defied authorities on both sides of the superpower divide to make billions—and history. Thanks to a brisk, page-turning storytelling style and an evenhanded, insider-level perspective decades in the making, *Feeding the Dragon* manages to be both timeless and timely. Captivating details on Robert Downey Jr., LeBron James, Kurt Cobain, Michael Phelps, and Marvel Universe creative mastermind Kevin Feige (among others) will enthrall average fans and aspiring moguls alike. But the beating narrative heart remains Fenton's down-to-earth recounting of a headline-making journey. Ultimately, the intrepid exec builds a compelling case for the power of "cultural diplomacy": mutually-beneficial, soft power-sharing exchanges as a better way forward than the hardliner battle lines being drawn across Beijing, Washington, and Los Angeles. Teeming with urgent insights about unlikely alliances and dangerous misperceptions, *Feeding the Dragon* is a must-read for anyone interested in the future of the US-China relationship and the bottom-line realities of show business and professional sports today. Even better, it's a supremely entertaining ride for anyone who simply loves a great story.... Chris often told me about projects and plans off-the-record that I wouldn't have reported on anyway, because they all seemed wildly improbable. Every single one came true. And now they're all down on the page." —Jamie Bryan, *Fast Company* contributor

The Art & History of Books Norma Levarie, 1968 *The Art & History of Books* is a tightly written and lavishly illustrated panorama of book design from its earliest history to recent years. Tracing the history of fine books against a background of changing patrons, improving technology, religious and social change, and the state of the arts throughout the world, this volume encompasses both illustrated and unillustrated books with a breadth of detail not found in any other work. With 176 facsimile pages from books of unusual beauty or interest, many of them photographed especially for this volume, *The Art & History of Books* is more than a valuable reference source: it is a perfect example of expert design, cogent description, and relevant illustration.

Art That Resonates Brenda Molloy, 2013-06-25 *Art That Resonates* is a collection of stunning images, made with fractal geometry and filled with mystic energy, that appear to be vibrating off the pages of this

contemplative and meditative book. The images are paired with quotes of wisdom sourced from around the world and through the ages. Their transformative potential harnesses the spiritual power of art and allows the viewer to lose oneself in alternate visual realities. One can spend time with them and sense work being done energetically on the body/mind/spirit.

I'm Good Enough, I'm Smart Enough, and Doggone It, People Like Me! Al Franken, Stuart Smalley, 1992-10-01 The ultimate meditation book, not to be grandiose... Take a hilarious, healing journey with Stuart Smalley as he careens down the road to Recovery. For one entire year Stuart recorded an affirmation a day...except when he had taken to his bed (but that's Okay)...and the result is the most entertaining and indispensable meditation book ever. From program wisdom (Denial Ain't Just a River in Egypt! December 1) to survival tips (When I Go Home to Visit My Family I Will Stay in a Motel! September 26) to some good sound practical advice (I am entitled to file for an Extension on my Income Taxes! April 15th), Stuart's affirmations will empower you! Work, Friendship, Love, Spirituality, Codependency, Self-Esteem, Acceptance...Stuart deals with it all. And as you share his ups and downs, his triumphs and shame spirals, you will come to see the ultimate truth of Stuart's March 21st affirmation: Today I Will Laugh--At Least Once!
