Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

The Prisoner in the Mask Dennis Wheatley,2013-10-10 Why would a French aristocrat renounce his country and live in exile? The answer lies in the Paris of the 1890s; a world of superficial glamour but, under the surface, deep social and political strife. The army, discredited by the Dreyfus case, was being purged. The young de Richleau, cadet and then instructor at the military academy of St. Cyr, became involved in a conspiracy - to restore the French monarchy - with the Duc de Vendome being secretly coached in his future role of King. What happens if the conspiracy is betrayed? For some: death. For de Richleau, the life of a fugitive who has declared a single-handed vendetta against the government.

Don't Call Me Bear! Aaron Blabey,2019-09-17 Koala is NOT a bear! (Or is he?) Find out why Koala is so mad in this new, irresistibly funny picture book from Aaron Blabey, the bestselling creator of *Pig the Pug!* G'day, my name is Warren and I've got something to share... Just because I'm furry DOESN'T MEAN THAT I'M A BEAR.Koala is sick of being called the wrong thing.

Koalas are NOT bears, and it is time that everyone knows it! Follow this feisty little koala as he explains why he is certainly NOT a bear (and why no one ever seems to believe him). Rich with author-illustrator Aaron Blabey's hysterical text and unforgettably wacky illustrations -- plus nonfiction facts woven throughout -- *Don't Call Me Bear!* is a hilarious story about making sure everyone knows exactly who you are!

If Anything Happens I Love You Will McCormack, Michael Govier, 2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.
