**Paper Made!** Kayte Terry, 2012-05-09 Announcing the biggest, best, most innovative book ever on paper craft. Even better, this is not about how to use costly, artsy paper, but how to turn stuff around the house—magazines and shopping bags, candy wrappers and paint sample cards, wrapping paper, old maps, and paper towel tubes—into stunning jewelry, gifts, home decor, party favors, and much more. Chances are you've seen the author's cutting-edge work in the windows of Anthropologie, where she is the chain's merchandising manager. An inveterate crafter who creates projects and styles photo shoots for magazines like Parents and Vogue Knitting, Kayte Terry takes the most versatile of materials and the most basic of crafts (remember snipping valentines out of construction paper?), and creates something completely transformative. Turn a sheaf of any white or graph paper into an amazing Scrap Happy Globe Lantern for the dining room. Fashion colored tissue paper into Songbird Votives, leftover raffle tickets into a Prizewinning Bowl, that out-dated pile of holiday catalogs into a picture frame. There's a necklace made of playing cards, a gum wrapper bracelet, and barrettes made by quilling—a paper technique that goes back to the Renaissance. Every project is photographed in full color, and includes step-by-step illustrations and instructions. Truly a book that shows how to think outside the (cardboard) box.

Paper Crafting Terry Taylor, 2003 These quick weekend paper projects will surprise you with their versatility. "[Explores] wonderful art papers, cardstock, and decorative papers...Taylor's book, part of a popular series from Lark, has projects for game boards, table accessories, and three-dimensional items....[It is] suitable for beginners and [a] good selection for public libraries."—Library Journal.

Walking Your Octopus Brian Kesinger, 2013 A beautifully produced and richly illustrated book that showcases the day-to-day adventures of independent girl-about-town Victoria Psismall and her pet land octopus Otto. Thirty panoramic, full-page illustrations humorously chronicle the duo's home and

social activities that include (among other things) bathing, biking, dating, cooking, playing croquet, and pumpkin carving. Accompanying text explains the dos and don'ts of living with a large land octopus. The book's art is extremely detailed, and each illustration tells its own visual story. The Victorian era characters and period-influenced design elements combine to create a wonderful, collectible art-object for those who still value the classic elegance of ink-on-paper. The hardcover binding is plussed with two-layer embossing and spot varnish, and the interior is printed on extra heavy paper. An exquisite volume for lovers of books, art and pets.
