Glock Paul M. Barrett,2013-01-15 The Glock pistol is America’s Gun. It has been rhapsodized by hip-hop artists and coveted by cops and crooks alike. Created in 1982 by Gaston Glock, the pistol arrived in America at a fortuitous time. Law enforcement agencies had concluded that their agents and officers, armed with standard six-round revolvers, were getting outgunned by drug dealers with semi-automatic pistols; they needed a new gun. With its lightweight plastic frame and large-capacity spring-action magazine, the Glock was the gun of the future. You could drop it underwater, toss it from a helicopter, or leave it out in the snow, and it would still fire. It was reliable, accurate, lightweight, and cheaper to produce than Smith and Wesson’s revolver. Filled with corporate intrigue, political maneuvering, Hollywood glitz, bloody shoot-outs—and an attempt on Gaston Glock’s life by a former lieutenant—Glock is not only the inside account of how Glock the company went about marketing its pistol to police agencies and later the public, but also a compelling chronicle of the evolution of gun culture in America.

The Sterling Years James Edmiston,2011-02-21 This is the story of the manufacture, development and usage of one of the most famous submachine Guns ever produced by a British Firm Designed at the end of WW2 it saw limited use on a trial basis, carried by paratroopers during the battle of Arnhem, but since the British Forces had plenty of Sten guns at the time, and tests between the two types of weapon were inconclusive, it was not until 1953, that with a few adjustments, the Weapon was formally adopted by the British Army Whilst not the most accurate of weapons, it was extremely useful in urban warfare and regarded as one of the most reliable submachine Guns throughout the world until it was withdrawn in 1988. A total of over 400,000 were manufactured. Sterling built them for the British armed forces and for overseas sales. The Sterling Guns was used as the basis for the weapons used by Storm Troopers in the Star Wars films.
